(2) Excluding individually issued annuities, misrepresenting the mortality costs of a life insurance product, including stating or implying that the product costs nothing or is free.

(d) The following acts or practices by an insurer or insurance producer regarding SGLI or VGLI are declared to be false, misleading, deceptive, or unfair:

- (5) Except for individually issued annuities, when the sale is conducted in-person face-to-face with an individual known to be a service member, failing to provide the following to the applicant at the time the application is taken:

The copy of the application or the written disclosure shall clearly and concisely set out the type of life insurance, the death benefit applied for, and its expected first year cost. A basic illustration that meets the requirements of [760 IAC 1-62](#) shall be deemed sufficient to meet this requirement for a written disclosure.

- (1) Except individually issued annuities, recommending the purchase of any life insurance product that includes a side fund to a service member in pay grades E-4 and below unless the insurer has reasonable grounds for believing that the life insurance death benefit, standing alone, is suitable.
- (2) Offering for sale or selling a life insurance product that includes a side fund to a service member in pay grades E-4 and below who is currently enrolled in SGLI is presumed unsuitable unless, after the completion of a needs assessment, the insurer demonstrates that the applicant's SGLI death benefit, together with any other military survivor benefits, savings and investments, survivor income, and other life insurance are insufficient to meet the applicant's insurable needs for life insurance. The following definitions apply to this subsection:
 - (A) "Insurable needs" are the risks associated with premature death taking into consideration the financial obligations and immediate and future cash needs of the applicant's estate and survivors or dependents.

 - (A) unless interest credited accrues from the date of deposit to the date of withdrawal and permits withdrawals without limit or penalty;
 - (B) unless the applicant has been provided with a schedule of effective rates of return based upon cash flows of the combined product. For this disclosure, the effective rate of return will consider all premiums and cash contributions made by the policyholder and all cash accumulations and cash surrender values available to the policyholder in addition to life insurance coverage. This schedule will be provided for at least each policy year from one (1) to ten (10) and for every fifth policy year thereafter ending at one hundred (100) years of age, policy maturity, or final expiration; and
 - (C) which by default diverts or transfers funds accumulated in the side fund to pay, reduce, or offset

any premiums due.

(A) endowment;

(B) return of premium; or

(C) persistency;

does not comply with standard nonforfeiture law for life insurance.

(5) Selling any life insurance product to an individual known to be a service member that excludes coverage if the insured's death is related to war, declared or undeclared, or any act related to military service except for an accidental death coverage, which may be excluded.
