[35 IAC 1.2-3-5](#) Leave of absence

Authority: [IC 5-10.3-7-8](#); [IC 5-10.5-4-2](#)

Affected: [IC 5-10.2](#); [IC 5-10.3-7-6](#)

Sec. 5. (a) As used in this section, "FMLA" refers to the Family and Medical Leave Act (29 U.S.C. 2601 et seq.) and all applicable regulations and amendments.

(b) A member shall receive service credit for the period of time during which the member is granted a leave of absence under [IC 5-10.3-7-6](#) and for which applicable employer contributions have been made as follows:

(1) Except as otherwise required by the FMLA, the credit shall be allowed if a copy of the grant of the leave of absence is filed with PERF within ninety (90) days from the date the leave was authorized by the employer. No leave granted retroactively by the employer will be considered as creditable service. Furthermore, except as otherwise required by the FMLA or other federal or state laws that specifically require the granting of service credit for authorized unpaid leaves of absence, service credit shall not be granted for any unpaid leaves of absence taken on or after January 1, 2007, if employer contributions are not made for such periods of leave.

(2) A leave of absence will be treated as creditable service only if the member returns to employment for a period of not less than six (6) consecutive months; however, if the member shows to the satisfaction of the fund that there was a bona fide intent to return to employment and comply with this rule and the member was capable of performing such employment, but was prevented from working the full six (6) month period due to illness, injury, or death which occurred subsequent to the date of return to employment, then this six (6) month requirement shall be waived.

(c) This section and [IC 5-10.3-7-6](#) shall be administered in a manner consistent with the FMLA.

(d) If the member is compensated while on an FMLA-covered leave, the statutory contributions must be maintained. A member may make contributions as provided in [IC 5-10.3-7-6\(b\)](#) during an unpaid FMLA leave, although such contributions shall not result in service credit for benefit purposes unless employer contributions are made for such period of leave. The member's employer is not required to make contributions with respect to an unpaid FMLA leave; however, if employer contributions are not made, the member shall be entitled only to the eligibility service required by the FMLA.

(e) In calculating credit for vesting and eligibility purposes, time spent on an FMLA protected leave shall be counted, including any time spent receiving disability benefits while on such leave.

(f) A member seeking credit for an FMLA leave must provide documentary evidence demonstrating that the statutory requirements have been satisfied.

(g) Unless otherwise provided by law, a leave of absence is not a separation from service. Authority: [IC 5-10.5-4-2](#)

Affected: [IC 5-10.2-4](#); [IC 5-10.3](#); [IC 33-38-8-14](#)

Sec. 1. (a) A member who retires or becomes eligible for a disability retirement cannot change the retirement option, nor may a member who chooses a lump sum payment under [IC 5-10.2-4-2\(a\)](#) change this choice, nor may the beneficiary designation on the application for benefits be changed under joint and survivorship options 30, 40, or 50, after the first day of the month that benefit payments are scheduled to begin. It is immaterial whether or not a check has been sent, received, or negotiated. (See also section 13 of this rule.) A member of the fund after June 30, 2008, may change a beneficiary designation pursuant to [IC 5-10.2-4-7](#) or [IC 5-10.2-4-7.2](#).

(b) Under [IC 5-10.2-4-7](#), in the event that the increased retirement benefit under the integration with Social Security option prior to Social Security eligibility is calculated to be greater than an amount which is the actuarial equivalent of the retirement benefit under the normal guaranteed retirement benefit payable as a life annuity which ceases on the date of the member's death or, if later, the member's Social Security age of eligibility, then the increased retirement benefit shall be limited to such actuarial equivalent and there will be no retirement benefit payable after the age of Social Security eligibility. (In no event shall fewer than sixty (60) payments be made.)

~~(c) None of the retirement benefit payment options may be made in connection with any other retirement benefit payment option.~~

~~(d)~~ (c) Under [IC 33-38-8-14](#), a judges' retirement benefit is calculated upon the date the member applies to receive a retirement benefit. As used in [IC 33-38-8-14](#), "applies to receive a retirement benefit" is defined as the date upon which PERF receives and accepts a member retirement application. Sec. 2. (a) **To be eligible to receive disability benefits, the member must have at least five (5) years of creditable service before the termination of a salary or employer provided income protection benefits, Family and Medical Leave Act leave, or exhaustion of all worker's compensation benefits.**

(b) Except as otherwise provided in law or these rules, the disability benefit is computed using only the years of creditable service worked to the date of disability and without reduction for early retirement. For example, Ann has five (5) years of service credit. Ann's Social Security Administration disability onset date relates back to the end of her fourth year of service. Ann is eligible to receive disability benefits because she has at least five (5) years of creditable service, but only four (4) years of service credit is used to calculate the benefit.

(c) To be eligible to receive disability benefits, the member must be receiving salary, or **worker's compensation benefits, employer-provided income protection benefits, or on leave under the Family and Medical Leave Act on the date the Social Security Administration determines the member becomes disabled.**

~~(b)~~ **(d) A member may continue to receive PERF disability benefits so long as the member is entitled to receive Social Security benefits, including periods of trial employment or rehabilitation under Social Security guidelines. However, during any such period, no service credit under PERF shall be granted.**

(e) A member, including a state employee receiving state sponsored long-term disability benefits, may not receive a distribution of their ASA until the member separates from covered service or the Social Security Administration determines that the member has become disabled and the member has applied for disability benefits.

(f) A member who is receiving a disability retirement shall be automatically converted to regular retirement benefits upon reaching age and service eligibility. *(Board of Trustees of the Indiana Public Retirement System; [35 IAC 1.2-5-2](#); filed Dec 20, 1988, 1:00 p.m.: 12 IR 1082; filed May 7, 1998, 4:15 p.m.: 21 IR 3326; readopted filed Oct 31, 2001, 2:18 p.m.: 25 IR 897; adopted Nov 9, 2007: [20071205-IR-035070818ONA](#); adopted Apr 29, 2011: [20110511-IR-035110273ONA](#); adopted Dec 14, 2012: [20121226-IR-035120663ONA](#))*

Sec. 4. (a) A member who is eligible for early retirement and who has on file with the fund a copy of application to Social Security for Social Security disability benefits may file for early retirement and retain his right to disability benefits. Under such circumstances, when the member notifies the fund that he qualifies for Social Security disability benefits, early retirement benefits shall cease and disability benefits shall begin.

(b) A member who has five (5) years of creditable service and who is not eligible for early retirement and has on file with the fund a copy of a request to Social Security for a disability determination may request a lump sum withdrawal of his annuity account without prejudice to his right to disability benefits under PERF should the Social Security Administration approve the request for disability within three (3) years from the date of the member's termination from employment.

(c) A member, including a state employee receiving state sponsored long-term disability benefits, may not receive a distribution of their ASA under subsection (a) or (b) until the member separates from covered service or the Social Security Administration determines that the member has become disabled

and the member has applied for disability benefits. Sec. 7. "In service" means that the member was in an employer-employee relationship as determined by the employer within established rules of the employer. Benefits for disability shall be paid beginning with the later of:

(1) that point in time when such employer-employee relationship no longer exists as determined by the employer; or

(2) the onset of disability as determined by the Social Security Administration.

For example, Mary has been determined to be disabled by the Social Security Administration. Mary is receiving employer provided disability insurance payments. Mary's disability for retirement benefits will not commence until her employer provided disability insurance payments cease. However, Mary's disability for retirement benefits will be paid back to the month following the onset of disability as determined by the Social Security Administration. In determining whether a member has achieved eligibility for disability benefits, periods of leave under the Family and Medical Leave Act (as defined in [35 IAC 1.2-3-5](#)) **and periods whereby the member was receiving salary, worker's compensation benefits, or employer-provided income protection benefits** shall be included. Sec. 21. (a) A member may direct an allocation in the amount credited to the member among the guaranteed program and any available alternative accounts subject to the following conditions:

(1) PERF shall allow a member to make a change or selection at least once a day.

(2) PERF shall implement the member's selection the same day the selection is received by PERF, unless such selection is received after 4:00 p.m. EST on a business day, or anytime on a weekend or holiday, or any other date the New York Stock Exchange is closed, then PERF shall implement the member's selection beginning the next business day after the selection is received. This date is the effective date of the member's selection.

(3) A member may select any combination of the guaranteed program or any of the available alternative accounts in one percent (1%) increments.

(4) A member's selection remains in effect until a new selection is made.

(5) On the effective date of a member's selection, PERF shall reallocate the member's existing balance or balances in accordance with the member's direction, based on:

(A) for an alternative investment program balance, the **sum of the** market value on the effective date, **minus any applicable investment management fees**; and

(B) for any guaranteed program balance, the account balance on the effective date.

(b) When a member who participates in the alternative or guaranteed investment programs transfers the

amount credited to the member from one (1) alternative investment program to another alternative investment program or to the guaranteed program, the amount credited to the member shall be valued at the **sum of the** market value of the member's investment, as of the day before the effective date of the member's selection, **minus any applicable investment management fees**. When a member who participates in an alternative investment program retires, becomes disabled, or suspends membership and withdraws from the fund, the amount credited to the member shall be the **sum of the** market value of the member's investment as of the day before the member applies for distribution or annuitization at retirement, disability, or suspension and withdrawal, plus contributions received after that date, **minus any applicable investment management fees**.

(c) When a member who participates in an alternative investment program dies, within five (5) business days after the date of death notification is received by PERF, the entire amount in the member's annuity savings account will be moved into the guaranteed program or a fixed value account, set at the same rate as the guaranteed program. Such death notification shall be on a form or in a manner approved by PERF. Sec. 25. (a) A member who had previous creditable service in the Judges' Retirement System (JRS) and who had cancelled such creditable service by terminating their membership in the JRS and who withdrew their contributions to their JRS account may restore such creditable service by:

- (1) returning to covered service in the JRS for at least one (1) year; and
- (2) while actively serving in the JRS, purchase all or part of the previous service credit in one (1) year increments at a rate, determined by the actuary for INPRS, that is based on the actuarial factors at the time the member makes a contribution for the service credit and computed to result in a contribution amount that approximates the actuarial present value of the benefit attributable to the service credit purchased.

(b) The following apply to the purchase of service credit under this rule:

- (1) The member may make periodic payments of the contributions required for the purchase of service credit. INPRS shall determine the length of the period during which the payments must be made. Such payments will be subject to the terms and conditions of a service purchase agreement as described in the INPRS rules for PERF and TRF.
- (2) INPRS may deny an application for the purchase of service credit if the purchase would exceed the limitations under Section 415 of the Internal Revenue Code.

(3) A member may not claim the service credit for the purpose of computing benefits unless the member has made all payments required for the purchase of the service credit.

(4) To the extent permitted by the Internal Revenue Code and applicable regulations, a member may purchase service credit under this section by a rollover distribution to the fund from any of the following:

(A) A qualified plan described in Section 401(a) or Section 403(a) of the Internal Revenue Code.

(B) An annuity contract or account described in Section 403(b) of the Internal Revenue Code.

(D) An individual retirement account or annuity described in Section 408(a) or Section 408(b) of the Internal Revenue Code.

(c) A member who terminates employment before satisfying the eligibility requirements necessary to receive a monthly benefit may withdraw the purchase amount, plus accumulated interest, after submitting a properly completed application for a refund to the fund. However, the member must also apply for a refund of the member's entire contribution account to be eligible for a refund of the member's rollover amount.  - (B) Send a letter to the local board stating that either a complete file has been received or the file is incomplete and will not be accepted until the specified items have been received by the 1977 Fund. - (3) **INPRS may make a provisional determination and invite the applicant to provide further records or evidence for review by INPRS before the initial determination is made.** The **PERF INPRS** board or its duly authorized representative will make an initial determination within sixty (60) days from the date the complete application is received by the 1977 Fund unless there is a delay attributable to the fund member or the appointing authority. The initial determination by the **PERF INPRS** board for members who were hired for the first time after December 31, 1989, or who had elected coverage under [IC 36-8-8-12.5](#) and [IC 36-8-8-13.5](#), shall include a determination of class of impairment and degree of impairment. However, in the case of a fund member who directly transferred from covered employment with one (1) local unit to covered employment with another local unit, the fund member's date of employment with the first local unit shall be used.  - (C) If the **PERF INPRS** board or its duly authorized representative does not make an initial determination within sixty (60) days and if the delay is not attributable to the fund member or the appointing authority, the local board's determination, or the fund member's statement in the case of an appeal of a local board determination, shall constitute the **PERF INPRS** board's initial determination. A letter confirming this initial determination shall be sent by the 1977 Fund to the local board, the fund member, and the appointing authority.
 - (D) The letter communicating the **PERF INPRS** board's initial determination shall inform the parties of the time limit on filing objections and shall clearly state that, if no objections are filed, the initial determination shall automatically become the state board's final order.
- (4) If no objection to the **PERF INPRS** board's initial determination is filed with the 1977 Fund within fifteen (15) days after the date of the **PERF INPRS** board's initial determination letter, the **PERF INPRS** board's initial determination shall become the **PERF INPRS** board's final order.
- (5) If a timely objection to the **PERF INPRS** board's initial determination is filed, the 1977 Fund shall follow an internal hearing procedure. The 1977 Fund shall notify the member if the appeal is not timely. Such notice will indicate that the initial determination automatically became the **PERF INPRS** board's final order.
- (6) After receiving a timely objection to the initial determination, the 1977 Fund shall designate a hearing officer to review the case. The hearing officer must make a recommendation to the 1977 Fund with regard to a final decision within sixty (60) days after the hearing. The hearing will be recorded and a transcript

prepared.

(7) Based upon the complete record and the recommendation from the hearing officer, the **PERF INPRS** board shall issue a final order. The **PERF INPRS** board may accept, but shall not be required to accept, the hearing officer's recommendation as its final order. In addition, the **PERF INPRS** board may do the following:

(B) The **PERF INPRS** board shall issue a final order within one hundred eighty (180) days from the date the complete application is received by the 1977 Fund unless there is a delay attributable to the fund member or the appointing authority. If an order is not issued within one hundred eighty (180) days and if the delay is not attributable to the fund member or the appointing authority, the initial determination statements shall constitute the **PERF INPRS** board's final order.

(b) The review of a fund member's impairment may be initiated by the 1977 Fund, the fund member, the safety board, or the local board. The review shall follow the procedure for disability applications. The cost of any medical examination required by the local board shall be paid by the party who petitioned for review.

(c) Requirements for recovered disabilitants shall be as follows:

(1) If there is a final determination that a disabilitant has recovered **as result of a review described in section (b) [subsection (b)]**, the 1977 Fund shall solicit a certification from the local authorities with regard to the existence of suitable and available work on the police or fire department.

(2) Benefits will be terminated if suitable and available work on the police or fire department has been offered to the member. Benefits shall terminate in such a case regardless of the member's decision to accept or reject the employment offer from the police or fire department.

(3) In the event that a recovered member returns to 1977 Fund covered duties by the employing unit as a result of being released to such reinstatement of duties by the member's treating physician, the employing unit shall notify INPRS in writing of such reinstatement and disability benefits shall stop beginning the first of the month following the date of such reinstatement. Any benefits paid to the member after the first of the month following reinstatement must be repaid to the 1977 Fund.

~~(3)~~ (4) A recovered member returning to the same department will not be treated as a new applicant and will not be subjected to the application process for new members in the fund.

~~(4)~~ (5) In the event a member recovers from a covered impairment, returns to active service with the police or fire department, and becomes unable to perform all suitable and available work on the police or fire department within two (2) years of returning to active duty due to a covered impairment that is based on the same condition or conditions for which disability benefits were previously paid to the member, the member shall be entitled to receive monthly disability benefits equal to the amount of the monthly disability benefits that were paid to the member at the time of the member's return to active service plus any applicable cost of living adjustments.

Sec. 3.1. "State long-term disability benefits" means any benefits paid to a member who is a state employee under a disability plan established under [IC 5-10-8-7](#). SECTION 29. [35 IAC 14-9-6](#) IS AMENDED TO READ AS FOLLOWS:

[35 IAC 14-9-6](#) Disability benefits; benefit calculation and commencement

Authority: [IC 5-10.5-4-2](#)

Affected: [IC 5-10.2-4-4](#)

Sec. 6. (a) Except as provided in subsection (b), a member who becomes disabled and has sufficient credit for retirement is entitled to disability retirement benefits only after the member has ceased making contributions and receiving credit for service. Benefits shall commence the month after the onset date of the disability or the month after the member's last day of compensable service, whichever is later.

(b) The benefit is the retirement benefit specified [IC 5-10.2-4-4](#) with the pension computed using only the years of creditable service worked to the date of disability and without reduction for early retirement.

(c) Except as provided in subsection (c) [this subsection], members with five (5) years of creditable service, whose onset of disability is determined by the Social Security Administration to be prior to the member's five (5) years service anniversary, the benefit calculation will only include the creditable service earned prior to the onset of disability. For example, a member has four (4) years of active creditable service, becomes ill, applies for Social Security disability benefits, but continues in active service for one (1) more year. The member receives a disability onset date from the Social Security Administration that relates back to the member's fourth year service anniversary. The member is eligible for a disability benefit because the member earned five (5) years of service, but only (4) years of service is used in the benefit calculation. However, the member's disability for retirement benefits will be paid back to the month following the onset of disability as determined by the Social Security Administration.

(d) A member who is receiving a disability retirement shall be automatically converted to regular retirement benefits upon reaching age and service eligibility.
