Sec. 2. (a) All fees shall be submitted to the commission in the form of a certified check or cashier's check made payable to the state of Indiana.

(b) An applicant for an owner's license must pay a nonrefundable application fee in the amount of fifty thousand dollars (\$50,000) with Part I of the ~~riverboat~~ **casino** owner's license application.

(c) The **commission shall use the** application fee ~~shall be utilized~~ to conduct the background investigation of an applicant. An investigation fee may be assessed to the extent that the cost of the background investigation relating to the applicant exceeds the application fee set forth in this rule. The applicant shall be advised by the executive director in writing that an investigation fee is required. The letter shall direct the applicant to remit an amount ~~which that~~ the executive director has determined is necessary to complete the investigation. Once an applicant is directed to submit an investigation fee in excess of the fifty thousand dollar (\$50,000) fee set forth in this rule, the investigative team conducting the investigation on that applicant shall not finalize the report on the applicant's suitability for licensure nor submit that report to the commission for consideration until the investigation fee is paid by the applicant.

(d) In the event an assessed investigation fee exceeds the final cost of the investigation, the excess investigation fee shall be refunded to the applicant. In no event shall ~~any a~~ portion of a remitted application fee be refunded.

(e) If an applicant is allowed to withdraw its application or its application is denied before the background investigation is completed, the balance of the nonrefundable application fee shall be applied to the overall cost of the investigative process.

[68 IAC 2-1-5](#) Licensing procedures

Authority: [IC 4-33-4](#); [IC 4-35-4](#)

Affected: [IC 4-33-6-1](#); [IC 4-35](#); [IC 5-3](#)

Sec. 5. (a) Except to the extent the commission may require different or additional procedures, an applicant for a riverboat **casino** owner's license shall be subject to the following procedures prior to licensing:

- (1) Application.
- (2) Background investigation, including economic development analysis of the applicant by the commission.
- (3) Public hearing.
- (4) Action by the commission.
- (5) Issuance of certificate of suitability.
- (6) Interim compliance period.
- (7) Issuance of riverboat **casino** owner's license.

(b) Requirements for a public hearing and action by the commission shall be as follows:

- (1) After the appropriate background investigations by the commission have been completed, the commission shall conduct a public hearing.

- (2) The commission shall publish the date, time, and place of the public hearing in the following manner:
- (A) Notice of the public hearing shall be posted at the commission office in Indianapolis, Indiana at least two (2) weeks prior to the public hearing.
 - (B) Notice of the public hearing shall be published in appropriate newspapers under [IC 5-3](#) at least two (2) times, at least one (1) week apart, and with the second publication being made at least two (2) days before the event.
- (3) The public hearing shall be conducted in the following manner:
- (A) The chair shall establish the order of the presentations and announce the amount of time that each applicant will be allotted. The order of presentation and other information may be published with the notice setting the date, time, and place of the public hearing.
 - (B) The appropriate applicant shall present its proposal for a ~~riverboat~~ **casino** gambling operation ~~to be docked~~ in the appropriate county or city within the time period established.
 - (C) The commission may question the applicant on any aspect of its application and presentation that the commission determines to be relevant to the issue of licensure.
 - (D) An applicant may be recalled by the commission at any time during the public hearing.
 - (E) After all of the applicants have made presentations, the commission shall allow a reasonable time to hear comments about ~~any of~~ the applicants and proposals from governmental entities, agencies, and the public at large. The chair shall announce the manner in which these comments may be presented prior to the initiation of this section of the public hearing.
 - (F) The commission may, at its discretion, discuss the applications, presentations, reports, and other materials, deliberate, and issue its decision immediately after the conclusion of the presentations and public comments or it may recess and reconvene to deliberate and issue its decision after the hearing has been transcribed and the transcriptions received by the commission.
 - (G) The decision of the commission shall be reduced to writing and signed by the commission members. The commission shall direct the executive director to notify the appropriate applicants, in writing, of the decision reached by the commission.
 - (H) No **riverboat** application shall be denied until the final license for that county or city has been issued under [IC 4-33-6-1](#). Authority: [IC 4-33-4](#); [IC 4-35-4](#)

Affected: [IC 4-33-6-9](#); [IC 4-35-5-2.6](#)

Sec. 7. (a) A riverboat **casino** licensee must post a bond with the commission no less than sixty (60) days before the riverboat licensee begins regular riverboat excursions. **follow [IC 4-33-6-9\(b\)](#) or [IC 4-35-5-2.6\(b\)](#) regarding bonds.**

(b) The bond must be in a form set forth in [IC 4-33-6-9\(b\)](#).

(c) **(b)** The bond shall meet the following requirements:

(1) A surety bond must meet both of the following requirements:

(A) Be with a surety company that is approved by the commission.

(B) Be guaranteed by a guarantor that is approved by the commission.

(2) **(1)** If the **casino licensee furnishes a bond** in an irrevocable letter of credit, **the bond** must be issued, held, and negotiated under the "Uniform Custom and Practice for Documentary Credits", 4993 **2007** Revision, International Chamber of Commerce Publication No. 500: **600**.

(3) **(2)** If the riverboat **casino** licensee plans to post a surety bond, negotiable securities, or irrevocable letter of credit, the licensee must submit the bond proposal at least thirty (30) days prior to the time the bond will be posted to allow the commission sufficient time to investigate the surety company, guarantor, or banking institution.

(4) ~~The bond shall be approved by the commission.~~

(5) **(3)** The bond must be in an amount that the commission determines adequately reflects the amount that a local community will expend for infrastructure and any other facilities associated with riverboat **casino** gambling. The commission may request input from the appropriate local community regarding the amount the local community will expend.

(6) ~~The bond must be payable to the commission as obligee for use in payment of the riverboat licensee's financial obligations to the local community, the state, and any other parties that the commission determines,~~

~~after a review of the applicant's proposal, will be aggrieved by a failure of the riverboat licensee to comply with its obligations under the Act and this title.~~

~~(7) (4) The bond shall state that it:~~

~~(A) may be exercised by the commission if the riverboat **casino** licensee fails to comply with its obligation under [IC 4-33](#), [IC 4-35](#), or this title; and~~

~~(8) The bond shall state that it (B) shall run continuously and remain in full force and effect during the period for which the riverboat **casino** owner's license was awarded under [IC 4-33-6-9](#) or [IC 4-35-5-2.6](#).~~

~~(d) (c) The commission may require or allow a new bond may be required or allowed under the following conditions listed in [IC 4-33-6-9](#) and [IC 4-35-5-2.6](#), or if~~

~~(1) The commission determines that a new bond is required after a hearing that meets the following requirements:~~

~~(A) The riverboat licensee receives a five (5) day written notice of the date, time, place, and nature of the hearing from the commission through the executive director.~~

~~(B) The hearing is conducted before a quorum of the commission members.~~

~~(C) The commission determines that the bond posted is insufficient and directs the executive director of the commission to issue a written demand to the riverboat licensee to post a bond in an amount the commission determined to be sufficient after the conclusion of the hearing.~~

~~(2) The commission may direct the executive director to demand, in writing, that a riverboat licensee post a new bond with satisfactory surety, cash, negotiable securities, or banking institution in the same form and amount under the following conditions:~~

~~(A) Liability on the old bond is discharged or reduced by judgment rendered, payment made, or any other situation.~~

~~(B) The commission determines that any surety on the old bond is not satisfactory.~~

~~(C) The commission determines that the negotiable securities are not satisfactory.~~

~~(D) The commission determines that the banking institution is not satisfactory.~~

~~(3) the commission allows the riverboat **casino** licensee, at the request of the riverboat **casino** licensee, to post a new bond that complies with this section.~~

~~(4) If the commission determines that a new bond is not satisfactory, it shall cancel the riverboat owner's license.~~

~~(5) If the commission determines that a new bond is satisfactory, the commission shall release, in writing, the surety on the old bond from any liability that accrues after the effective date of the new bond.~~

~~(e) A bond is released if the riverboat licensee remains at the dock site for which the riverboat owner's license was granted for the lesser of five (5) years or the date on which the commission grants a riverboat owner's license to another riverboat licensee to operate from the same dock site for which the bond was posted.~~

~~(f) If a riverboat licensee does not meet the requirements of subsection (e), the licensee forfeits the bond. The proceeds of the bond in default under this rule are paid to the commission. The commission shall use the proceeds of the forfeited bond for the benefit of the local community from which the riverboat operated.~~

~~(g) The total and aggregate liability of the surety or banking institution on a bond is limited to the amount specified in the bond or irrevocable letter of credit. The continuous nature of the bond shall not be construed as allowing the liability of any surety or banking institution under the bond to accumulate for each successful approval period during which the bond remains in force.~~

~~(h) A bond filed under this rule is released sixty (60) days after the time has run under subsection (e) and the riverboat licensee submits a written request for release of the bond.~~

[68 IAC 2-6-1](#) General provisions

Authority: [IC 4-33-4](#); [IC 4-35-4](#)

Affected: [IC 4-33](#); [IC 4-35](#)

Sec. 1. (a) This rule applies to ~~riverboat~~ **casino** licensees.

(b) All Electronic gaming devices used ~~on~~ **in** a ~~riverboat~~ **casino** must meet the specifications set forth in this rule.

(c) The following definitions apply throughout this rule:

- (1) "**Authorized independent gaming laboratory**" means an independent gaming laboratory that:
(A) meets the qualifications established by the commission; and

(B) maintains a valid contract with the commission to conduct testing on behalf of the agency.

(2) "Certification testing" means an authorized independent gaming laboratory testing an item or technology:

(A) by arrangement with a manufacturer or distributor;

(B) pursuant to an authorized independent gaming laboratory's contract with the commission; and

(C) for purposes of issuing or denying certification as described under section 3 of this rule.

~~(1)~~ **(3) "Inappropriate token-in" means a token that has been accepted by an electronic gaming device after the electronic gaming device:**

(A) has already accepted the maximum number of tokens; or

(B) is in a state that normally rejects additional tokens.

~~(2)~~ **(4) "Leakage current" means an electrical current that flows when a conductive path is provided between exposed portions of an electronic gaming device and the environmental electrical ground when the electronic gaming device is isolated from the normal AC power ground.**

(5) "Noncertification testing" means an independent gaming laboratory testing or otherwise analyzing an item or technology:

(A) by arrangement with a manufacturer or distributor; and

(B) for purposes other than issuing or denying certification as described under section 3 of this rule.

~~(3)~~ **(6) "Par sheet" means a document, provided by the electronic gaming device manufacturer that depicts the:**

(A) possible outcomes from the play of an electronic gaming device;

(B) probability of occurrence of each; and

(C) contribution of each a winning outcome to the payback percentage of the electronic gaming device.

~~(4)~~ **(7) "RAM" or "random access memory" means the electronic component used for computer work storage and storage of volatile information in an electronic gaming device.**

~~(5)~~ **(8) "Randomness" means the unpredictability and absence of pattern in the outcome of an event or sequence of events.**

~~(6)~~ **(9) "Random number generator" means hardware, software, or combination of hardware and software devices for generating number values that exhibit characteristics of randomness.**

~~(7)~~ **(10) "ROM" or "read only memory" means the electronic component used for storage of nonvolatile information in an electronic gaming device, including programmable ROM and erasable programmable ROM.**

~~(8)~~ **(11) "Runs test" means a mathematical statistic that determines the existence of recurring patterns within a set of data.**

~~(9)~~ **(12) "Sensitive keys" means keys that:**

(A) either management or the commission considers sensitive to the ~~riverboat~~ casino licensee's operation; and

(B) therefore require strict control over custody and issuance in accordance with [68 IAC 11-4](#).

~~(10)~~ **(13) "Standard chi-squared analysis" means the sum of the squares of the difference between the expected result and the observed result.**

~~(11)~~ **(14) "Tilt condition" means a programmed error state for an electronic gaming device that occurs when the electronic gaming device detects an internal error, malfunction, or attempted cheating. The electronic gaming device ceases processing further input, output, or display information other than that indicating the tilt condition itself.**

~~(12)~~ **"Authorized independent gaming laboratory" means an independent gaming laboratory that:**

(A) meets the qualifications established by the commission; and

(B) maintains a valid contract with the commission to conduct testing on behalf of the agency.

~~(13)~~ **"Certification testing" means an authorized independent gaming laboratory testing an item or technology:**

(A) by arrangement with a manufacturer or distributor;

(B) pursuant to an authorized independent gaming laboratory's contract with the commission; and

(C) for purposes of issuing or denying certification as described under section 3 of this rule.

~~(14)~~ **"Noncertification testing" means an independent gaming laboratory testing or otherwise analyzing an item or technology:**

(A) by arrangement with a manufacturer or distributor; and

(B) for purposes other than issuing or denying certification as described under section 3 of this rule.

(d) Before an individual may enter an electronic gaming device for any reason, the individual must insert a card into the electronic gaming device that will record, at a minimum, the following information on the central computer system:

(1) The identity of the individual entering the electronic gaming device.

(2) The date and time that the electronic gaming device is:

(A) is entered; and

(B) is exited.

(3) The identity of the electronic gaming device that is entered.

(e) After an individual has entered an electronic gaming device for any reason, the individual must complete a log that is maintained inside the electronic gaming device. The log shall contain, at a minimum, the following information:

(1) The name and occupational license number of the individual entering the electronic gaming device.

(2) The date and time that the electronic gaming device is:

(A) is entered; and

(B) is exited.

(3) The identity of the electronic gaming device.

(4) The reason for the entry.

(f) A ~~riverboat~~ **casino** licensee may not offer a prize to a patron who achieves a certain winning combination on an electronic gaming device unless the value of the prize is computed into the payout percentage of the EPROM installed in the electronic gaming device.

Sec. 5. Electronic gaming devices must meet the following security and audit specifications:

(1) Be controlled by a microprocessor.

(2) Be connected and communicating to the central computer system.

(3) Have an internal enclosure for the circuit board ~~which that~~ is locked ~~or~~ **and** sealed ~~or both~~, prior to game play.

(4) Be able to continue a game with no loss of data after a power failure.

(5) Have game data recall for the current game and the previous ~~four (4)~~ **ten (10)** games.

(6) Have a random selection process that satisfies the ninety-nine percent (99%) confidence level using the following tests:

(A) Standard chi-squared.

(B) Runs.

(C) Serial correlation.

These tests must not be predictable by players.

(7) Clearly display applicable rules of play and the payout schedule.

(8) Display an accurate representation of each game outcome ~~utilizing~~: **using**:

(A) rotating reels;

(B) video monitors; or

(C) any other type of display mechanism that accurately depicts the outcome of the game.

(9) Display an external registration tag and number issued by the commission.

(10) The par sheet for the program ~~utilized~~ **used** in an electronic gaming device must be stored in the electronic gaming device.

SECTION 85. [68 IAC 2-6-6](#) IS AMENDED TO READ AS FOLLOWS:

[68 IAC 2-6-6](#) Inventory requirements; conversion notification

Sec. 6. (a) The ~~riverboat~~ **casino** licensee must maintain an inventory of electronic gaming devices and equipment. The inventory must include the following:

- (1) The serial number assigned to the electronic gaming device by the manufacturer.
- (2) The registration number issued by the commission.
- (3) The type of game for which the electronic gaming device is designed and used.
- (4) The denomination of tokens accepted by each ~~the~~ **the** electronic gaming device, **if it is a token accepting device.**
- (5) The location of electronic gaming devices equipped with bill validators and any bill validators that stand alone.
- (6) The manufacturer of the electronic gaming device.
- (7) The location of the electronic gaming device.

(b) This inventory report must be submitted, on a form prescribed by the commission, to the executive director on the anniversary date of the issuance of the ~~riverboat~~ **casino** owner's license.

(c) If a ~~riverboat~~ **casino** licensee converts an electronic gaming device, the ~~riverboat~~ **casino** licensee must take the following steps:

- (1) Request permission for the conversion from the commission and supply the commission with the following information:
 - (A) The:
 - (i) serial number;
 - (ii) commission registration number;
 - (iii) machine number; and
 - (iv) model number;of the electronic gaming device that is being converted.
 - (B) The type of electronic gaming device that is being converted and the new type of machine if the type of machine is changed.
 - (C) The location of the electronic gaming device on the ~~riverboat~~ **casino.**
 - (D) If the electronic gaming device is:
 - (i) a stand alone progressive; or
 - (ii) linked to a progressive controller;the old rate of progression and the new rate of progression must be submitted.
 - (E) The current and future denomination of the electronic gaming device if the denomination is to be converted.
 - (F) The current and future **EPROM control program medium** number that is installed or that is to be installed in the electronic gaming device. If a new **EPROM control program medium** is installed in an electronic gaming device, the **EPROM control program medium** must be ~~one that is~~ approved for use in Indiana.
 - (G) Regular fill amount, **for a token accepting device.**
 - (H) Initial fill amount, **for a token accepting device.**
 - (I) Probe level measured from the top of the hopper, **for a token accepting device.**
 - (J) Any other information deemed necessary by the executive director or the commission to ensure compliance with ~~the Act~~ [IC 4-33](#), [IC 4-35](#), and this title.

This information must be submitted to the commission at least fourteen (14) days before the ~~riverboat~~ **casino** licensee plans to make the conversion. The request for conversion shall have a space for the commission to sign indicating approval of the conversion request and a space for the signature of the enforcement agent to indicate the conversion was completed.

(2) The commission must approve the request for conversions before a conversion may be made by the ~~riverboat~~ **casino** licensee.

(3) An enforcement agent must do the following:

- (A) **KOBETRON Perform digital signature verification on the EPROMS control program media** to ensure that the **EPROMS control program media** being installed match those on the request for conversion.
 - (B) Seal the **EPROM control program medium** with tape in accordance with section 19 of this rule.
- (4) In the presence of an enforcement agent, a slot technician or the equivalent shall ensure that the payglass installed on the electronic gaming device accurately reflects the payouts for the **EPROM control program**

medium that has been installed in the electronic gaming device. The payglass test may be performed by either:

- (A) running the payout table test; or
 - (B) ensuring the payglass matches the approved diagram set forth in the payglass manual maintained by the commission.
- (5) The ~~riverboat~~ **casino** licensee shall do the following:
- (A) Ensure that a copy of the par sheet **for each game theme** is placed in the electronic gaming device in accordance with section 5 of this rule.
 - (B) Perform a coin test to ensure that the electronic gaming device is communicating with the central computer system. If the electronic gaming device is not communicating with the central computer system, the electronic gaming device must be disabled.
- (6) The ~~riverboat~~ **casino** licensee must do the following:
- (A) Update the master list of electronic gaming devices after the conversion is complete.
 - (B) Provide the chief counsel for the commission and the ~~sergeant of the Indiana state police department~~ **enforcement agent supervisor** assigned to the ~~riverboat~~ **casino** with a copy of the updated master list within fourteen (14) days of the conversion.

[68 IAC 4-1-1](#) Definitions

Authority: [IC 4-33-4](#); [IC 4-35-4](#)

Affected: [IC 4-33](#); [IC 4-35](#); [IC 23-19-1-2](#)

Sec. 1. The following definitions apply throughout this rule:

(1) "Current market price" means the average of the daily closing prices for the twenty (20) consecutive trading days immediately preceding the date of ~~such the~~ transaction or the closing price on the day immediately preceding the date of the transaction, whichever is higher. For the purpose of this definition, the closing price shall be determined as follows:

(A) If the security is admitted to trading or listed on the principal national securities and exchange, the closing price for ~~each the~~ day shall be:

(i) the last reported sale price, regular way; or

(ii) in case no ~~such~~ reported sale takes place on ~~such that~~ day, the average of the last reported bid and asked prices, regular way.

In either case, the closing price on the principal national securities and exchange registered under the Securities and Exchange Act of 1934 (15 U.S.C. 78a et seq.) on which ~~such the~~ security is admitted to trading or listed.

(B) If the security is not listed or admitted to trading on ~~any a~~ national securities exchange, the closing price for ~~each the~~ day shall be:

(i) the closing price of ~~such the~~ security; or

(ii) in case no reported sale takes place, the average of the closing bid and asked prices on NASDAQ or ~~any a~~ comparable system.

(C) If the security is not listed or quoted on NASDAQ or on ~~any a~~ comparable system, the closing price for ~~each the~~ day shall be:

(i) the closing sale price; or

(ii) in case no reported sale takes place, the average of the closing bid and asked prices, as furnished by ~~any a~~ member of the National Association of Securities Dealers, Inc., selected from time to time by the issuer for that purpose.

(2) "Holding company" means ~~any a~~ corporation, firm, partnership, trust, limited liability company, or other form of business entity that meets the following criteria:

(A) Directly or indirectly:

(i) owns;

(ii) has the power or right to vote or control; or

(iii) holds with the power to vote;

all or any part of the stock, interest, or other voting security of a business entity that holds or has applied for an Indiana ~~riverboat~~ **casino** owner's license or a supplier's license.

(B) Indirectly holds, holds, or owns any power, right, or security if it does so through ~~any an~~ interest in a subsidiary or successive subsidiary; however, many such subsidiaries may intervene between the holding company and the holder or applicant for a ~~riverboat~~ **casino** owner's license or a supplier's license.

(3) "Intermediary company" means ~~any a~~ corporation, firm, partnership, trust, limited liability company, or other form of business entity that meets the following criteria:

(A) Is a holding company of a holder or an applicant for a ~~riverboat~~ **casino** owner's license or a supplier's license.

(B) Is a subsidiary with respect to ~~any a~~ holding company.

(4) "Public offering" means a sale of voting securities that is subject to the registration requirements of Section 5 of the Securities Act of 1933 (15 U.S.C. 78a et seq.), or that is exempt from such requirements solely by reason of an exemption contained in either:

(A) Section 3(a)(10), 3(a)(11), or 3(c) of the Securities Act of 1933 (15 U.S.C. 78a et seq.); or

(B) Regulation A or Regulation D adopted under Section 3(b) of the Securities Act of 1933 (15 U.S.C. 78a et seq.);

(5) (4) "Publicly traded corporation" means the following:

(A) ~~Any A~~ person, other than an individual, that:

- (i) has one (1) or more classes of voting securities registered under Section 12 of the Securities and Exchange Act of 1934 (15 U.S.C. 78a et seq.);
- (ii) issues securities and is subject to Section 15(d) of the Securities Act of 1934 (15 U.S.C. 78a et seq.); or
- (iii) has one (1) or more classes of voting securities exempted from the registration requirements of Section 5 of the Securities Act of 1933 (15 U.S.C. 78a et seq.) due to an exemption contained in Section 3(a)(10), 3(a)(11), or 3(c) of the Securities Act of 1933 (15 U.S.C. 78a et seq.);

or any other company required to file under the Securities and Exchange Act of 1934.

(B) ~~Any~~ **A** person, other than an individual, created under the laws of a foreign country that:

- (i) has one (1) or more classes of voting securities registered on that country's securities exchange or over-the-counter market; and
- (ii) the commission has determined that the business entity's activities are regulated in a manner that protects the investors and Indiana.

The term includes any person, other than an individual, that has securities registered or is an issuer under this definition solely because it guaranteed a security issued by an affiliate under a public offering and is considered by the Securities and Exchange Commission to be a co-issuer of a public offering of securities under Rule 140 of the Securities and Exchange Act of 1934 (15 U.S.C. 78a et seq.).

(5) "Public offering" means a sale of voting securities that is subject to the registration requirements of Section 5 of the Securities Act of 1933 (15 U.S.C. 78a et seq.), or that is exempt from the requirements solely by reason of an exemption contained in either:

(A) Section 3(a)(10), 3(a)(11), or 3(c) of the Securities Act of 1933 (15 U.S.C. 78a et seq.); or

(B) Regulation A or Regulation D adopted under Section 3(b) of the Securities Act of 1933 (15 U.S.C. 78a et seq.).

(6) "Security" has the meaning set forth in ~~IC 23-2-1-1(k)~~. **IC 23-19-1-2(28)**.

(7) "Subsidiary" means ~~any~~ **a** firm, partnership, trust, limited liability company, or other form of business organization, all or any interest of which is:

- (A) owned;
- (B) subject to a power or right of control; or
- (C) held with power to vote;

directly, indirectly, or in conjunction with a holding company or intermediary company.

(8) "Voting security" means a security the holder of which is entitled to vote generally for the election of a member or members of the board of directors or board of trustees of a corporation or a comparable person or persons in the case of a partnership, trust, or other form of business organization other than a corporation.

Authority: [IC 4-33-4](#); [IC 4-35-4](#)

Affected: [IC 4-33](#); [IC 4-35](#)

Sec. 6. (a) The soft count process shall be neither commenced nor continued unless at least three (3) members of the soft count team are present in the soft count room.

(b) The soft count process shall proceed in the following manner:

(1) The soft count team shall notify surveillance prior to the initiation of the soft count. Surveillance shall visually record the entire soft count process.

(2) A security officer shall give the soft count team access to the soft count room. The soft count room door shall be locked after the soft count team has entered the soft count room.

(3) After the soft count team has entered the soft count room and the door has been locked, no one except:

- (A) authorized commission personnel;
- (B) individuals specifically authorized by the commission;
- (C) main bank employees; and
- (D) drop box collection team members who are dropping off drop boxes;

are allowed access to the soft count room.

(4) Prior to the initiation of the count, the currency counter shall be tested for accuracy by using a precounted amount of currency from the first live gaming device drop box or bill validator drop box that is to be counted. ~~Any~~ **A** discrepancy of two percent (2%) or more must be resolved to the satisfaction of the soft count supervisor, or his or her designee, prior to the use of the currency counter. The results of the test shall be documented and retained for a period of one (1) year. The currency counter test results shall be signed and dated by the individual who conducted the test.

(5) Prior to the commencement of the soft count, the recorder shall generate a drop box verification report.

(c) The soft count team shall handle drop boxes in the following manner:

(1) An individual drop box shall be selected and the identification label displayed to the surveillance camera.

(2) The drop box shall be opened by the appropriate soft count team member, and the entire contents of the drop box shall be emptied onto the soft count table.

(3) The inside of the empty drop box shall be held up for full view by the surveillance camera, and at least one (1) member of the soft count team shall verify that the drop box is empty.

(4) The slide on the drop box shall be reset, and the door to the drop box shall be relocked.

(5) If the drop box is from a live gaming device, documents shall be separated from the currency, coins, chips, and tokens.

(6) The soft count team shall separate the currency, cash, chips, and tokens into individual denominations and count the currency, cash, chips, and tokens. The soft count team may, at its discretion, separate and count manually or by the use of a currency counter. Currency counters ~~utilized~~ **used** by the casino licensee must be capable of displaying the result of the count.

(7) Once the currency, tokens, and chips have been separated and counted, one (1) member of the soft count team shall:

- (A) complete the count slip on a form prescribed or approved by the commission; and
- (B) sign and date the report.

(8) A casino licensee shall conduct an additional, independent count of the separated currency, tokens, and chips. The casino licensee shall submit internal controls in accordance with [68 IAC 11](#) regarding the conduct of the independent count, including how the casino licensee shall guarantee independence of the independent count.

(9) The recorder shall compare the two (2) count slips. If there is a discrepancy between the count slips, the difference shall be isolated to particular denomination of currency, coins, tokens, or chips, and that denomination shall be recounted.

(10) The recorder shall sign the count slip that is correct. If corrections need to be made to a count slip to ensure one (1) of the slips accurately reflects the count, the incorrect figures shall be struck through and initialed by the soft team count members that conducted the original count. The correct information shall then be entered on the count slip.

(11) The recorder shall compare the documents removed from each drop box to those appearing on the drop

box verification report. Appropriate adjustments may be made to the drop box verification report. ~~Any~~ Discrepancies between the documents removed from the live gaming devices drop boxes and the drop box verification report shall be noted for the internal auditor or the equivalent.

(12) Once ~~all~~ ~~the~~ drop boxes have been counted, the soft count team shall complete the master gaming report or the bill validator report.

(13) Upon completion of the master gaming report, the soft count team members not performing the job of recorder shall run totals of the table count slips and compare that information to the totals recorded on the master gaming report. The casino licensee shall investigate variances of two percent (2%) or more. The reason for the variance, if known, shall be entered on the master gaming report. If the reason is not known, this shall be noted. The casino licensee may require investigations for variances of less than the threshold amount.

(14) Variances of two percent (2%) or more that are not reconciled through subdivision (13) shall be investigated by the accounting director or designee. The results of the investigation shall be recorded on the master gaming report. The accounting director or designee shall sign and date the master gaming report. The casino licensee may require investigations for variances of less than the threshold amount.

(15) After the results of the count process have been reconciled, ~~all~~ ~~the~~ members of the soft count team shall sign and date the appropriate section of the master gaming report or the bill validator report.

(16) After reconciliation has been completed by the soft count team, the main bank cashier shall be contacted. The main bank cashier shall complete an independent physical inventory of all of the currency, coins, chips, and tokens in the presence of at least one (1) soft count team member. The main bank cashier shall not have access to the master gaming report or the bill validator report until after the completion of the independent physical inventory.

(17) ~~Any~~ Discrepancies between the independent physical inventory and the totals entered on the master gaming report or the bill validator report shall be investigated by independent recounts conducted by the casino licensee. If the master gaming report or the bill validator report was erroneous, it shall be voided and a new master gaming report or the bill validator report generated with the appropriate signatures. ~~Any~~ ~~A~~ voided copy of the master gaming report or the bill validator report shall be retained and attached to the completed and signed copy of the new master gaming report or bill validator report.

(18) After reconciliation of the master gaming report, the bill validator report, and the physical inventory conducted by the main bank cashier, the main bank cashier shall verify the accuracy of and sign and date the master gaming report and the bill validator report in the appropriate section. When the main bank cashier signs the master gaming report and the bill validator report, the main bank assumes responsibility for the currency, coins, chips, and tokens.

(19) All currency, chips, and tokens shall be transported to the main bank for use during the gaming day. Transportation from the soft count room to the main bank shall be:

(A) made by occupational licensees designated in section 2 of this rule; and

(B) observed by at least one (1) security officer.

The amount transferred shall be added to the main bank's accountability sheet. One (1) copy of the master gaming report and the bill validator report shall be forwarded to the main bank.

(20) The remaining amount of currency and coin may be deposited with the casino licensee's external bank.

(21) The original table count slips, drop verification report, bill validator verification report, master gaming report, and bill validator report, with the appropriate tapes attached, shall be forwarded to the accounting department upon completion of the soft count process and after the currency, coin, chips, and tokens have been appropriately transferred or deposited.

(22) The currency counter in the soft count room shall be monitored by the central computer system for purposes of recording the amounts collected from each live gaming device and bill validator drop box. ~~All~~ The information sent to the central computer system shall be printed out in the accounting department as a backup. The backup printouts shall be maintained by the accounting department for at least one (1) month. Electronic archival data shall be maintained for a period of one (1) year.

(23) In accordance with [68 IAC 15-7-3](#), the revenue auditor or the equivalent shall trace the total of the bill-in meter readings as recorded by the bill acceptor flash report to the actual count performed by the soft count team to determine variances. The casino licensee shall require the investigation of all variances. The results of the investigation shall be recorded and reported to the head of the accounting department and the commission audit staff.

(24) Every three (3) months, the internal auditor, or equivalent, shall verify the accuracy of the currency counter. The internal auditor, or equivalent, shall notify the commission immediately of ~~any~~ ~~a~~ difference of plus or minus two percent (2%). The results of the currency counter testing shall be:

(A) documented and retained for a period of one (1) year; and

(B) signed and dated by the internal auditor.

(25) If foreign tokens are discovered during the count process, the foreign tokens shall be:

(A) separated and listed in the appropriate section of the master gaming report; ~~be~~ and

(B) reported in accordance with [68 IAC 15-3](#).

(26) ~~Any~~ Difficulties in the soft count process shall be documented by the soft count supervisor or his or her designee as an appendix to the master gaming report and the bill validator report. The appendix shall be on a form prescribed or approved by the commission. Difficulties that shall be recorded include, but are not limited to, the following:

- (A) Mechanical or technical difficulties with ~~any of~~ the equipment.
- (B) ~~Any~~ Personnel problems that could affect the currency collection process or the soft count.
- (C) ~~Any~~ Unusual situations, such as large number of drop boxes devoid of currency, coins, chips, or tokens.
- (D) Reconciliation differences between the value that resulted from ~~any of the an~~ independent ~~counts~~ **count**.

(d) A casino licensee shall not transfer currency, coins, chips, or tokens from the soft count room during the soft count process or before the appropriate amounts are added to the main bank's accountability.

[68 IAC 12-1-3](#) Equipment specifications

Authority: [IC 4-33-4](#); [IC 4-35-4](#)

Sec. 3. (a) ~~All riverboat~~ **Casino** licensees ~~or operating agents~~ must install a surveillance system in accordance with this rule.

(b) Surveillance systems may ~~utilize~~ **use** digital video recording to comply with the requirements of this rule.

(c) The equipment ~~utilized~~ **used** in the surveillance system must meet or exceed the following standards:

(1) ~~All~~ Black and white cameras must be as follows:

(A) Solid state.

(B) Two-thirds (2/3) or one-half (1/2) format.

(C) Minimum four hundred (400) plus line resolution installed in fixed positions with matrix control or pan, tilt, and zoom capabilities.

(D) Secreted from the public and nonsecurity personnel view to effectively and clandestinely monitor, in detail, from various points, the coverage described in this rule.

(2) ~~All~~ Color cameras must be as follows:

(A) Two-thirds (2/3) or one-half (1/2) format.

(B) Minimum three hundred twenty (320) plus line resolution with matrix control or pan, tilt, and zoom capabilities.

(C) Secreted from the public and nonsecurity personnel view to effectively and clandestinely monitor, in detail, from various points, the coverage described in this rule.

(3) ~~All~~ Cameras must be equipped with lenses of sufficient magnification capabilities to allow the operator to clearly distinguish the value of the following:

(A) Chips.

(B) Dice.

(C) Tokens.

(D) Playing cards.

(E) Keno balls.

(F) Positions on the roulette wheel.

(G) Cash and cash equivalents.

(4) ~~All~~ Surveillance system display screens must be as follows:

(A) Meet or exceed the highest resolution capabilities of video cameras ~~utilized~~ **used** in a ~~riverboat~~ **casino** licensee's ~~or operating agent's~~ surveillance system.

(B) Be equipped with a date and time generator synchronized to a central clock **and the central computer system** capable of being:

(i) displayed on any of the surveillance system display screens; and

(ii) recorded on video tape, video pictures, or digital images.

(C) ~~Each~~ **A** surveillance system display screen must be as follows:

(i) Measure diagonally at least twelve (12) inches.

(ii) Have all controls located on the front of the surveillance system display screen.

(iii) Possess solid state circuitry.

(5) ~~All~~ Analog videotape recorders must be as follows:

(A) Produce high quality, first generation pictures that meet or exceed the highest resolution capabilities of video cameras ~~utilized~~ **used** in a ~~riverboat~~ **casino** licensee's ~~or operating agent's~~ surveillance system.

(B) Be nonconsumer, industrial grade, capable of recording on a standard one-half (1/2) inch VHS tape with the following:

(i) High speed scanning.

(ii) Flickerless playback capability in real-time.

(C) Be capable of taping what is viewed by any camera in the system.

(D) Be of a sufficient number to allow the following:

(i) Simultaneous taping of coverage required by this rule.

(ii) Off-line playback.

(iii) Duplication capabilities.

(iv) Single channel recorders in the following areas, unless otherwise approved by the executive director or designee:

(AA) Entry and exit turnstiles.

(BB) All areas of the main bank and casino cages.

(CC) Table games.

(DD) Count rooms.

(EE) Ticket redemption kiosks.

(FF) Automated teller machines.

(GG) Bill breakers.

(v) No more than four (4) channels per single unit in all other areas where surveillance is required, unless otherwise approved by the executive director or designee.

(6) All Video printers must be capable of the following:

(A) Adjustment.

(B) Generating instantaneous, upon command clear, color, or black and white copies of images depicted on the surveillance system display screen or video recording.

(7) All Printers ~~utilized~~ **used** in conjunction with a digital video recording system must be capable of printing a clear, still copy using a minimum of four (4) colors at six hundred (600) by six hundred (600) dots per inch on photo quality paper.

(8) All Date and time generators must be as follows:

(A) Be based on a synchronized central or master clock.

(B) Be capable of being recorded along with an image, so that the date and time are visible on any surveillance system display screen when recorded.

(C) Have a backup power supply so that it remains accurate despite power interruptions.

(9) Equipment must allow audio capabilities in the soft count room.

(10) All Wiring systems must be designed to prevent tampering and must possess the following requirements or capabilities:

(A) Be supplemented with a backup gas generator power source or diesel generator power source, or both, that automatically engages in case of a power failure.

(B) Be capable of returning full power within seven (7) to ten (10) seconds after a power failure.

(11) Video switchers must be capable of both manual and automatic sequential switching for the appropriate cameras.

(12) The following must be in reserve in the event of equipment malfunctions:

(A) A minimum of the following four (4) backup cameras:

(i) Two (2) fixed position cameras with matrix control.

(ii) Two (2) with pan, tilt, and zoom capabilities.

(B) Two (2) recording devices.

(13) Digital video systems, which are ~~utilized~~ **used** to comply with the requirements of this rule for surveillance required by section 4 of this rule, must meet the following additional standards:

(A) Digital video systems shall be enterprise systems capable of the following:

(i) Instant replay.

(ii) Recording what is viewed by any camera in the system.

(iii) Allowing simultaneous recording and playback.

(iv) Providing uninterrupted recording while using the playback or copy functions.

(B) Image quality of digital video systems must be as follows:

(i) Function utilizing image by image compression.

(ii) Be capable of recording and viewing at a minimum of thirty (30) frames per second, full screen on every channel in the system.

(C) Digital video systems must record and view at a minimum rate of the following:

(i) Thirty (30) frames per second in the following areas:

(AA) Table games areas.

(BB) All images of cash or cash equivalents being transported.

(CC) Areas of the main bank and casino cages.

(DD) Count rooms.

(EE) All images viewed on a surveillance system display screen.

(FF) Entry and exit turnstiles.

(ii) Seven and one-half (7.5) frames per second in parking areas and nonsensitive areas of the pavilion.

(iii) Fifteen (15) frames per second in the following areas:

(AA) Electronic gaming device areas.

(BB) Where gaming equipment is transported or stored on the property of the ~~riverboat~~ **casino** licensee.
~~or operating agent.~~

(CC) All images that constitute redundant coverage of areas already covered at thirty (30) frames per second.

(DD) Any area not specified in item (i) or (ii).

(iv) Two (2) frames per second in any area, including those specified in items (i), (ii), and (iii), if:

(AA) motion activated recording is ~~utilized~~; **used**; and

(BB) no activity is taking place in the area.

(D) Digital video systems shall have the following:

- (i) Live and recorded visual resolution with clarity the equivalent of four (4) common intermediate format (4CIF) or better.
- (ii) The following reliability guarantees:
 - (AA) Redundant system drives.
 - (BB) Redundant power supplies.
 - (CC) Storage the equivalent of redundant array of independent disks five (5) (RAID 5) or better.
 - (DD) Be equipped with hot swappable backup storage components, which will automatically resume recording in the event of failure of any single component of the storage system, such that the failure of any single component will not result in the loss of any data from the storage system.
 - (EE) Failure of the digital video recording system must be repaired within twenty-four (24) hours of the failure.
 - (FF) Fault tolerant storage.
 - (GG) Automatic restart in the event of failure.

(E) Digital video systems must meet the following security standards to guarantee the integrity of the system and all recordings:

- (i) Function as a closed network with access limited to those persons identified in written policies governing the administration of the network, specifying the access levels of all the individuals who will have the ability to access the network.
- (ii) Be equipped to ensure that any transmissions are encrypted, fire-walled on both ends, and password protected.
- (iii) Be equipped with a failure notification system that provides an audible and a visual notification of any a failure in the surveillance system or the digital video recording storage system.
- (iv) Record all images and audit trail records on a hard drive.
- (v) Be locked by the manufacturer to do the following:
 - (AA) Disable the erase and reformat functions.
 - (BB) Prevent access to the system data files.
- (vi) Be equipped with data encryption or watermarking so that surveillance personnel will be capable of demonstrating in a court of law that the video was not altered or manipulated in any way.

(d) Telephone capabilities must be connected to the casino general telephone system. Radio communications must be connected with the security department.

Sec. 5. (a) Surveillance employees shall:

- (1) monitor regularly; and
- (2) visually record, either by:
 - (A) continuous recording; or
 - (B) motion activation;

whichever is appropriate;

the surveillance system coverage of the areas described in this section.

(b) The surveillance system shall provide coverage of each of the following areas as specified in this rule:

- (1) Areas of the main bank, including the following:
 - (A) A general overview of the entire area of each cage and vault area with sufficient clarity to identify patrons and employees.
 - (B) Dedicated coverage with sufficient clarity to identify the following:
 - (i) Currency.
 - (ii) Coin.
 - (iii) Tokens.

- (iv) Cash.
- (v) Cash equivalents.
- (vi) Chip values.
- (vii) Amounts on credit slips in ~~any~~ **an** area where fills and credits are transacted.

(2) Hard and soft count rooms including a general overview of each room and additional dedicated coverage capable of clearly identifying the following:

- (A) Employees.
- (B) The value of cash and cash equivalents.

(3) The route, both ~~on~~ **inside** and ~~off~~ **outside** the ~~vessel~~, **casino**, through which monies are transported.

(4) The location in which cards and dice are stored and canceled.

(5) Ticket redemption kiosks, **automated teller machines**, and bill breakers with dedicated coverage sufficient to identify the following:

- (A) Individuals ~~utilizing~~ **using** or servicing the machine.
- (B) Whether or not cash was received by the individual as a result of the transaction.

(c) The surveillance system must provide an overall view of pit areas and gaming tables capable of clearly identifying the following:

- (1) Dealers.
- (2) Patrons.
- (3) Hands of ~~all~~ **the** participants.
- (4) Facial views of ~~all~~ **the** participants.
- (5) ~~All~~ Pit personnel.
- (6) Activities of ~~all~~ **the** pit personnel.
- (7) The amount and incrementation of a progressive jackpot contained on a progressive jackpot display of a live gaming device.

(d) The playing surface of ~~all~~ **the live** gaming ~~tables~~ **devices** must be viewed by the surveillance system with sufficient clarity to do the following:

- (1) Determine the following:
 - (A) ~~All~~ Wagers.
 - (B) Card values.
 - (C) Game results.
- (2) Clearly observe, in detail, the following:
 - (A) Chip trays.
 - (B) Token holders.
 - (C) Cash receptacles.
 - (D) Tip boxes.
 - (E) Dice.
 - (F) Shuffle machines.
 - (G) Card shoes.

(e) Roulette tables must be viewed by the surveillance system with color cameras.

(f) Electronic gaming device surveillance must be capable of providing the following:

- (1) A view of all patrons.
- (2) A facial view of ~~all~~ **the** patrons with sufficient clarity to allow identification of ~~the~~ **a** patron.
- (3) A view of the electronic gaming device with sufficient clarity to observe the result of the game.
- (4) An overall view of the areas around the electronic gaming device.
- (5) A view of bill validators with sufficient clarity to determine bill value and the amount of credit obtained.
- (6) Progressive games, including dedicated coverage of the following:
 - (A) ~~Any~~ **An** electronic gaming device or group of electronic gaming devices with a possible jackpot payout in excess of fifty thousand dollars (\$50,000).
 - (B) The progressive display showing the incrementation of the progressive jackpot for an electronic gaming device or a bank of electronic gaming devices.

(g) The surveillance system must include cameras dedicated to monitoring areas where the following items are transported or stored:

- (1) Cash.
- (2) Cash equivalents.

- (3) Tokens.
- (4) Chips.
- (5) Cards.
- (6) Dice.
- (7) Drop buckets containing tokens or any monetary equivalent.

(h) The surveillance system must include cameras dedicated to monitoring the following:

- (1) All activities in any area of the security office where a person may be detained and questioned by the security department. All Areas where a person may be detained and questioned must display a notice clearly stating that the area is or may be under surveillance.
- (2) The entrances and exits of the ~~riverboat~~ **casino** and the entrances and exits of the following rooms in the ~~riverboat~~ **casino** with sufficient clarity to identify ~~any~~ a person using the entrances and exits:
 - (A) Count rooms.
 - (B) Vaults.
 - (C) Surveillance rooms.
 - (D) Security rooms.
 - (E) Cage areas.

Affected: [IC 4-33](#); [IC 4-35](#)

Sec. 3. (a) The riverboat casino licensee shall be required to maintain a log for the purpose of recording aggregated cash transactions in excess of three thousand dollars (\$3,000). The riverboat casino licensee shall require coordination between the pits, slots, cashiers, cages, redemption centers, and other appropriate areas to ensure all transactions in excess of three thousand dollars (\$3,000) are recorded.

(b) The employee witnessing the transaction is responsible for completing the log.

(c) The log shall include, but is not limited to, the following information:

- (1) Date of the transaction.
- (2) Time of the transaction.
- (3) Description of the patron and name of the patron, if known.
- (4) Type of transaction and related information, including, but not limited to, the following types of transaction:
 - (A) Marker payment.
 - (B) Deposit.
 - (C) Check.
 - (D) Chip redemption.
- (5) Amount of the transaction.
- (6) Signature and occupational licensee number of the individual recording the transaction.
- (7) Location of transaction.
- (8) Photograph of the patron **to be taken during the first transaction of the day involving that patron.**
- (9) Any other information deemed necessary by the executive director or the commission to ensure compliance with the Act [IC 4-33](#), [IC 4-35](#), and this title.

(d) The reports shall be submitted to the accounting department on a daily basis and maintained by the riverboat casino licensee for five (5) years.

(e) Cage and pit personnel are responsible for communicating with other personnel to ensure all the transactions are properly logged and any necessary currency transaction reports are completed.

Sec. 4. (a) The ~~riverboat~~ **casino** licensee shall establish policies and procedures for the processing of cash transactions in excess of ten thousand dollars (\$10,000). Prior to the processing of a cash transaction in excess of ten thousand dollars (\$10,000), the ~~riverboat~~ **casino** licensee shall obtain, at a minimum, the information that is required by 31 U.S.C. 5313 and 31 CFR 103.

(b) If an individual or agent is conducting a transaction on behalf of another individual, the same information as described in subsection (a) must be obtained for the individual serving as the agent. This is in addition to the information required for the individual for whom the transaction is being conducted.

(c) ~~All~~ Identification information must be verified by examining the identification presented by the patron. Acceptable identification for a United States resident includes the following:

- (1) Driver's license.
- (2) United States passport.
- (3) Other government issued photo identification cards.

(d) For aliens or nonresidents of the United States, acceptable identification includes the following:

- (1) Passport.
- (2) Alien identification card.
- (3) Other official documents evidencing nationality or residence.

(e) If the patron is unable to provide any of the above information or the identification provided is not acceptable, the **casino licensee shall refuse the transaction** ~~must be refused until the casino licensee has obtained~~ the necessary information. ~~has been obtained.~~

(f) If the denied transaction involves chip redemptions or payment of winnings, and the patron is unable to provide adequate identification in order to verify the patron's identity and address, the patron has the option of placing the winnings on deposit or converting the winnings to chips and retaining possession of the chips. The ~~riverboat~~ **casino** licensee does, however, have the right to demand redemption of the chips and tokens. If the ~~riverboat~~ **casino** licensee chooses to exercise this right, the customer's winnings will be placed on deposit. ~~When~~ **If** the customer chooses to place the winnings on deposit, this ~~would be~~ **is** the only instance in which a cashier will be allowed to accept a customer deposit without verifying the patron's identification. ~~However,~~ Identification information ~~should~~ **shall still** be obtained verbally from the patron. A surveillance photograph must be obtained and attached to the casino's copy of the customer deposit voucher. ~~These~~ **Deposits held under this subsection** will not be refunded until **the patron provides** proper identification ~~is provided~~ and will only be refunded to the individual identified by the surveillance photograph. The table games manager or the equivalent must approve both the deposit and refund by initialing the customer deposit voucher before the transaction is complete. Identification provided for verification ~~should~~ **shall** be recorded on the customer deposit withdrawal voucher and the currency transaction report.

(g) If a patron refuses to provide proper identification, ~~all~~ **the casino licensee shall stop the patron from making further** cash transactions ~~will be stopped~~ and **prevent** the patron ~~will be barred~~ from any further gaming activity until **the patron has provided the casino licensee with** satisfactory identification. ~~is provided.~~

Sec. 3. (a) ~~Riverboat~~ **Casino** licensees shall maintain, in cash or cash equivalents, an amount sufficient to protect patrons against defaults in gaming debts owed by the ~~riverboat~~ **casino** licensee. The cash reserve requirement may be maintained in any **combination** of the following: ~~combinations:~~

(1) Cash on hand in the ~~riverboat~~ **casino** licensee's cage that comprises the cage accountability.

(2) Cash in a bank account maintained in the state of Indiana.

(3) Cash equivalents that are not otherwise committed or obligated.

(b) **Riverboat Casino** licensees shall maintain cash or cash equivalents in one (1) of the following amounts to ensure payment of a winning patron wager:

(1) For the first full or partial quarter of operation, based on a calendar year, one hundred percent (100%) of the **riverboat casino** licensee's or **riverboat casino** license applicant's projected payout for a three (3) day period.

(2) For the next quarter, based on a calendar year, one hundred percent (100%) of the **riverboat casino** licensee's actual payout for a three (3) day period. The actual payout shall be computed by calculating the daily average payout for the previous quarter of operation and multiplying the daily average payout by three (3).

(c) The cash reserve requirement that a **riverboat casino** licensee must maintain shall be rounded off to the nearest one thousand dollars (\$1,000). The **riverboat casino** licensee shall not increase or decrease the cash reserve requirement each quarter unless the adjustment would increase or decrease the cash reserve requirement by at least fifty thousand dollars (\$50,000). The **riverboat casino** licensee shall increase or decrease the cash reserve requirement by the twentieth day of the month following the end of the quarter.

(d) The cash or cash equivalents must be held in the name of the **riverboat casino** licensee.

(e) If the **riverboat casino** licensee's cash and cash equivalents fall below the amount outlined in subsection (b), the **riverboat casino** licensee shall immediately notify the executive director. If the cash reserve requirement does not comply with this rule, the executive director shall order the **riverboat casino** licensee to establish a cash reserve requirement that is in compliance within a period not to exceed twenty (20) days.

(f) The **riverboat casino** licensee shall provide the executive director with a statement of the cash reserve account by the twentieth day of each a month or within ten (10) days of the receipt of the statement by the **riverboat casino** licensee.

Authority: [IC 4-33-4](#); [IC 4-35-4](#)

Affected: [IC 4-33](#); [IC 4-35](#)

Sec. 4. (a) The casino licensee shall compute the total receipts from electronic gaming devices in the following manner:

(1) Add the following applicable figures for electronic gaming device drop buckets:

- (A) For electronic gaming devices that were not part of the drop bucket collection process under [68 IAC 11-2](#) for that gaming day, add the dollar value of the drop per the central computer system.
- (B) For electronic gaming devices that were part of the drop bucket collection process under [68 IAC 11-2](#) for that gaming day, add the dollar value of the contents of the drop buckets, including foreign tokens, per the hard count.

(2) Add the following applicable figures for electronic gaming device bill validator drop boxes:

- (A) For electronic gaming device bill validator drop boxes that were not part of the currency collection process under [68 IAC 11-3](#) for that gaming day, add the dollar value of the drop per the central computer system.
- (B) For electronic gaming device bill validator drop boxes that were part of the currency collection process under [68 IAC 11-3](#) for that gaming day, add the dollar value of the contents of the bill validator drop boxes per the soft count.

(3) Deduct the dollar values of the following figures:

- (A) The amount previously reported per the central computer system on a previous gaming day that is

included in the drop bucket collection process or the bill validator collection process for the current gaming day.

(B) Manually paid jackpots.

(C) Hopper fills. The casino licensee shall not take a deduction for hopper fills that are made before the:

- (i) commencement of gaming operations; or
- (ii) ~~utilization use of any an~~ electronic gaming device.

The total of subdivisions (1) and (2) shall be added to the daily token float adjustment to arrive at the total ~~number of~~ receipts from electronic gaming devices.

(b) The casino licensee shall compute the daily token float in the following manner:

(1) Begin with the dollar value of tokens on hand per the token inventory ledger.

(2) Subtract the dollar value of the ending token inventory held by the casino licensee. The ending token inventory shall include the dollar values of the following:

(A) Tokens in the hard count room.

(B) Tokens in the vault.

(C) Tokens in the cage drawers.

(D) Tokens in the change lockers.

(E) Tokens in the hoppers. If this deduction is not based on an actual number of tokens in the hoppers, the figure ~~utilized used~~ must be approved by the executive director or the executive director's designee.

(3) The daily token float must be calculated and recorded separately for each denomination of tokens.

(c) The daily token float adjustment shall be arrived at by subtracting the previous gaming day's token float from the current gaming day's token float.

(d) If any denomination of token float becomes negative, the casino licensee must take the following steps:

(1) Immediately investigate the reason for the negative token float.

(2) Immediately notify the enforcement agent.

(3) Notify the commission, in writing, on the next business day.

Sec. 2. (a) In accordance with [68 IAC 15-1-3](#), the ~~riverboat~~ **casino** licensee or ~~riverboat~~ **casino** license applicant shall submit policies and procedures covering manually paid jackpots.

(b) The policies and procedures for manually paid jackpots shall include, but not be limited to, the following areas:

- (1) The manner in which the slot attendant will verify the validity of the jackpot.
- (2) The ~~3-part~~ **three-part** form that will be used to document a manually paid jackpot.
- (3) The manner in which the process for manually paid jackpots will differ if the form is handwritten rather than generated by computer.
- (4) ~~Any~~ Deviation in the level of occupational licensee or job title of those individuals who can participate in the processing of a manually paid jackpot for specified dollar amounts.
- (5) ~~Any~~ Instances when surveillance will photograph the patron other than in accordance with [68 IAC 15-2-3](#) or [68 IAC 15-2-6](#).

(c) A ~~3-part~~ **three-part** jackpot paid slip must be generated before a jackpot can be manually paid. Manually paid jackpot slips must be prenumbered forms that are sequentially numbered. The manually paid jackpot slip must contain, at a minimum, the following information:

- (1) The name of the ~~riverboat~~ **casino** licensee.
- (2) The date and time the manually paid jackpot form was generated.
- (3) The electronic gaming device number and denomination.
- (4) The location of the electronic gaming device.
- (5) The amount of the jackpot in alphabetical and numerical form.
- (6) The name, occupational license number, and signature of the slot attendant and casino cashier who complete the manually paid jackpot.
- (7) An indication of whether the manually paid jackpot is to pay a jackpot that exceeds the payout capability of the electronic gaming device or a short pay.

(d) Manually paid jackpots shall proceed in the following manner:

- (1) The jackpot shall be verified in accordance with the policies and procedures submitted under subsection (b)(1).
- (2) Based on the information contained on the manually paid jackpot slip, the casino cashier shall present the proper amount of cash to the slot attendant.
- (3) The slot attendant shall ensure that the amount of cash presented by the casino cashier matches the information contained on the manually paid jackpot slip.
- (4) After the slot attendant and the casino cashier ensure the cash presented matches the information contained on the manually paid jackpot slip, both the slot attendant and the casino cashier shall sign the manually paid jackpot slip.
- (5) The casino cashier shall retain the original copy of the manually paid jackpot slip and issue remaining copies to the slot attendant.
- (6) A security officer **or slot department employee** shall escort the slot attendant from the cage to the appropriate electronic gaming device. The security officer **or slot department employee** who begins completing the manually paid jackpot must complete the process of witnessing, escorting, and signing the appropriate documentation to verify the manually paid jackpot was completed. If there is a discrepancy with the manually paid jackpot, the same security officer **or slot department employee** who began the manually paid jackpot must accompany the manually paid jackpot back to the cage to resolve the discrepancy.
- (7) After arriving at the appropriate electronic gaming device, the security officer **or slot department employee** shall **do the following**:
 - (A) Verify the jackpot.
 - (B) Witness the jackpot payout to the patron. ~~and~~
 - (C) Complete the appropriate sections of the manually paid jackpot slip.
- (8) The slot attendant shall reset the electronic gaming device so that play on the electronic gaming device may continue. The electronic gaming device shall be relocked after it is cleared. The security officer **or slot department employee** shall remain present throughout this procedure.
- (9) One (1) copy of the completed manually paid jackpot slip shall be deposited into a locked accounting box so that it will not be available to slot attendants or other persons who participate in manually paid jackpots.
- (10) The remaining copy of the completed manually paid jackpot slip shall be returned to the casino cage.

(e) The **casino cashier or appropriate department shall use** copies of the completed manually paid jackpot slips ~~shall be utilized by the casino cashier or appropriate department~~ to balance the cage. All completed manually paid jackpot slips shall be ~~utilized~~ **used** to complete the hard count and shall be verified by the accounting department.

(f) If a manually paid jackpot slip is erroneous, it shall be voided and a new manually paid jackpot slip generated. The person voiding the manually paid jackpot slip shall indicate the reason the manually paid jackpot slip was voided and sign the slip. ~~Any~~ **A** voided manually paid jackpot slip shall be retained and deposited into the locked accounting box.

(g) If a manually paid jackpot exceeds three thousand dollars (\$3,000), the appropriate multiple transaction log must be completed in accordance with [68 IAC 15-2-3](#).

(h) If a manually paid jackpot exceeds ten thousand dollars (\$10,000), the appropriate currency transaction report must be completed in accordance with [68 IAC 15-2-6](#).
