
FIRE PREVENTION AND BUILDING SAFETY COMMISSION

**Interpretation by
the Fire Prevention and Building Safety Commission**

Title: Interpretation of [675 IAC 13-2.5-28](#) - Table 29

Date: April 2, 2014

Purpose: The purpose of this nonrule policy document is to clarify the application of Table 29 to S occupancies.

Interpretation:

The requirements of Table 29 do not apply to an S occupancy that meets the following conditions:

- (1) The building is normally unoccupied;
- (2) The building does not have any plumbing system inside;
- (3) Plumbing fixtures are not otherwise required by other rules of the Commission; and
- (4) The building is unheated.
