LSA Document #21-268

Notice of Public Hearing

Under [IC 4-22-2-24](#), notice is hereby given that on Tuesday, October 5, 2021, at 9:30 a.m., at the Indiana State Board of Animal Health (BOAH), 1202 East 38th Street, Discovery Hall Suite 100, Indianapolis, Indiana, the BOAH will hold a public hearing on a proposed rule that amends BOAH rules governing the movement of animals. The proposed rule amends [345 IAC 1-1.5](#) to include factors that may be considered when the state veterinarian is approving forms that qualify as an official certificate of veterinary inspection (CVI). It amends [345 IAC 1-3](#) to remove the requirement for a pre-entry permit for bison, cattle, and swine moving into Indiana if an electronic CVI has been filed with the board prior to the date of movement. It repeals a reporting requirement for swine moving within a production system. The proposed rule clarifies pre-entry permit requirements for fish moving into Indiana and revise the entities that may issue documentation that certifies the fish have tested negative for the viral hemorrhagic septicemia (VHS) virus.

The proposed rule does not impose costs beyond what is expressly required by state and federal law. Therefore, the proposed rule does not impose costs on a regulated entity that would require a justification statement under [IC 4-22-2-24\(d\)\(3\)](#).

Copies of these rules are now on file at the Indiana State Board of Animal Health, 1202 East 38th Street, Discovery Hall Suite 100, Indianapolis, Indiana and are open for public inspection and copying.
