**TITLE 410 INDIANA DEPARTMENT OF HEALTH**

Emergency Rule  
LSA Document #22-140(E)

**DIGEST**

Temporarily adds provisions concerning reporting of abortion complications. Statutory authority: [IC 4-22-2-37.1](#); [IC 16-19-3-5](#); [IC 16-34-2-4.7](#). *NOTE: The original emergency document, LSA Document #22-8(E), posted at [20220119-IR-410220008ERA](#), effective January 12, 2022, expires April 11, 2022. Effective April 12, 2022.*

**SECTION 1. The definitions in this document apply throughout this document.**

**SECTION 2. "Abortion complication" means a condition listed in [IC 16-34-2-4.7](#) that, in the reasonable medical judgment of the treating provider, arises from the induction or performance of an abortion.**

**SECTION 3. "Department" means the Indiana department of health.**

**SECTION 4. "Facility" means the following:**

- (1) A hospital licensed under [IC 16-21](#).**
- (2) An abortion clinic licensed under [IC 16-21-2-2.5](#).**

**SECTION 5. (a) The following persons shall report to the department each case in which the person treated a patient suffering from an abortion complication:**

- (1) A physician licensed under [IC 25-22.5](#).**
- (2) A facility.**

**(b) In the case of a physician treating a patient at a facility, the physician and the facility are not required to separately report the same abortion complication. The physician and the facility must have a process in place to assure that the required report is made in compliance with this document and [IC 16-34-2-4.7](#).**

**SECTION 6. (a) A report of an abortion complication shall be submitted to the department within thirty (30) calendar days of the date of onset of treatment for the reported complication.**

**(b) The report shall:**

- (1) include the information required by [IC 16-34-2-4.7](#); and**
- (2) be made on the form prescribed by the department.**

**(c) A new report shall be made for any follow-up visits in which a new abortion complication is diagnosed and treated. The new report shall be submitted within thirty (30) days of the follow-up visit.**
