SECTION 13. [872 IAC 1-1-18.5](#) IS ADDED TO READ AS FOLLOWS:

Sec. 18.5. (a) A candidate must attain the uniform passing grade of at least seventy-five (75), scaled through a psychometrically acceptable standard setting procedure and approved by the board.

(b) A candidate may take the required examination sections individually and in any order, and in the form and manner as described by the board or its designee. Credit for any examination section passed shall be valid for a period of eighteen (18) months, which shall be calculated from the actual date the candidate took the examination section, without having to attain a minimum score on any failed examination section, and without regard to whether the candidate has taken other examination sections, provided the following:

(1) Candidates must pass all required exam sections of the examination within a rolling eighteen (18) month period, which shall begin on the date that the first passed examination section is taken.

(2) If a candidate does not pass all sections of the examination within the eighteen (18) month period, credit for any examination section passed outside of that examination must be retaken.

(c) A candidate shall retain credit for any and all sections of the examination passed as a candidate of another state if such credit would have been given under then applicable requirements in Indiana.

(d) A candidate shall be considered to have passed the examination once the candidate simultaneously holds valid credit for passing each section of the examination. For purposes of this section, credit for passing a section of the examination is valid from the actual date of the testing event for that section, regardless of the date the candidate actually receives notice of the passing grade.

(e) Notwithstanding subsection (d), the board may, in particular cases, extend the term of credit validity upon a showing that credit was lost by reason of circumstances beyond a candidate's control.

(f) The board shall notify eligible candidates of the time, place, and procedures for the examination, or a candidate shall independently contact the board, the board's designee, or a test center operator to schedule the time, place, and procedures for the examination at an approved test site.
