(b) No owner, trainer, or agent for a horse with a declaration in the entry box shall be denied the privilege of being present when the box is open.

(c) The racing secretary responsibilities shall include:

- (1) all entries shall be listed;
- (2) the eligibility verified;
- (3) preference ascertained; and
- (4) starters selected.

(d) If it is necessary to reopen any race, public announcement shall be made at least twice.

(e) The judges shall conduct the draw for post positions along with a representative of the horsemen.

(f) Declarations by mail, telegraph, or telephone actually received and evidence of which is deposited in the box before the time specified to declare in shall be drawn in the same manner as the others. Such drawings shall be final. Mail, telephone, and telegraph declarations must contain all information required by the racing secretary. It shall be the responsibility of the racing secretary to see that such entries are signed by the person receiving such entries.

(g) When a track requires a horse to be declared at a stated time, failure to declare as required shall be considered a withdrawal from the event.

RULES OF THE RACE

(h) After declarations to start have been made, no horse shall be withdrawn from the race except by permission of the judges. A fine or suspension, or both, shall be imposed for drawing a horse without permission, and the penalty shall apply to both the horse and the party who violates this rule.

(i) In all races, drawings shall be final unless there is conclusive evidence that an entry was timely received by the racing office and was omitted from the race through the error of the association, the commission, or its agents or employees in which event the race shall be redrawn, provided the error is discovered prior to scratch time. 71 IAC 7-1-30 Also eligible list

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 30. (a) Not more than two (2) horses may be drawn as also eligibles for a race and their positions shall be drawn along with the starters in the race. In the event one (1) or more horses are excused by the judges, the also eligible horse or horses shall race and take the post position drawn by the horse that it replaces, except in handicap races. In handicap races, the also eligible horse shall take the place of the horse that it replaces in the event that the handicap is the same. In the event the handicap is different, the also eligible horse shall take the position on the outside of horses with a similar handicap. In races with one (1) trailer, the trailing position shall be the fourth best post position. No horse may be added to a race as an also eligible unless the horse was drawn as such at the time declarations closed. No horse may be barred from a race to which it is otherwise eligible by reason of its preference due to the fact that it has been drawn as an also eligible. A horse moved into the race from the also eligible list can only be withdrawn for good cause by permission of the judges, but the owner or trainer of such a horse shall be notified that the horse is to race and it shall be posted at the racing secretary's office. All horses on the also eligible list and not moved in to race by the time prescribed by the judges on the day before the race shall be released.

(b) Preference shall be given in all overnight events according to a horse's last previous purse race during the current year. The preference date on a horse that has drawn to race and had been scratched is the date of the race from which he was scratched. Preference dates shall also be determined as follows:

(1) When a horse is racing for the first time in the current year, the date of the first declaration shall be considered its last race date, and preference applied accordingly; provided, however, that where an overnight race has been reopened because it did not fill, all eligible horses declared in to the race prior to the re-opening shall receive preference over horses subsequently declared, irrespective of the actual preference dates.

(2) All horses granted stalls and eligible must be given the opportunity to compete at the meeting.

In such event, the permit holder shall make a refund of all wagers on the horse or horses withdrawn (except in the case of a horse which represents part of an entry or mutuel field of two (2) or more horses).

(b) In case of unfavorable weather or other unavoidable cause, the permit holder with the consent of the judges shall postpone races in the following manner:

- (1) Early closing races, stakes, and futurities shall be postponed to a definite hour the next race day.
- (2) Any late closing race, early closing, and stake or futurity, except as provided in subdivisions (4) and (5), that cannot be raced during the scheduled meeting shall be declared off and the entrance money and forfeits shall be divided equally among the nominators who have horses declared in and eligible to start.
- (3) Any late closing race or early closing race that has been started and remains unfinished on the last day of the scheduled meeting shall be declared ended and the full purse divided according to summary. In overnight events only, that portion of the purse as has been contested will be paid.
- (4) Any stake or futurity that has been started and remains unfinished on the last day of the scheduled meeting shall be declared ended and the full purse divided according to the summary.
- (5) Unless otherwise provided in the conditions for racing, in order to transfer stakes and futurities to another meeting, unanimous consent must be obtained from the track and from all those having eligibles in the event.
- (6) Overnight events may be postponed and carried over not to exceed three (3) racing days.

71 IAC 7-1-35 Eligibility for racing and ownership status

Authority: IC 4-31-3-9; IC 4-31-11

Affected: IC 4-31

Sec. 35. (a) The commission, its executive secretary, the stewards, judges, and the commission's director of security (collectively, the "commission or the commission's designee"), shall have the right to require an entrant of a horse to verify

RULES OF THE RACE

information contained within the entry blank forms and declarations as well as other eligibility requirements for a particular race. In addition, the commission, or the commission's designee, shall have the right to make a determination of whether a certain horse is or was eligible to participate in a race. The burden of proving eligibility, by clear and convincing evidence, in such a situation, will be on the entrant.

(b) The commission, or the commission's designee, may require sufficient evidence from an entrant of ownership status, residency, or other information required for eligibility prior to allowing a horse to compete in a restricted race or in any race at the meet.

(c) After a race, the commission, or the commission's designee, may, upon reasonable suspicion, conduct an inquiry and make a determination as to ownership status, residency, or other information required for eligibility of an entrant.

(d) In considering the matter of ownership status, the commission, or the commission's designee, may review any information which it deems relevant, including, but not limited to, the following:

(1) a bill of sale;

(2) a proof of funds transfer, including, but not limited to, a canceled check, a wire transfer, or other similar form of proof; and

(3) a completed ownership transfer on the USTA or Jockey Club registration certificate, whichever is applicable.

(e) An entry must be one hundred percent (100%) owned by an Indiana resident and/or residents to be entered in any Indiana owned race. Corporate or partnership ownership requires all shareholders or partners, respectively, to be residents to be entered in any Indiana owned race. If a lease is involved for a standardbred horse, all lessors and lessees must be Indiana residents.

(f) All Indiana owned thoroughbreds shall be registered with the commission and be wholly owned at time of registration as Indiana owned but no later than June 1 of each year (claimed and public sale horses excepted) and remained wholly owned by an Indiana resident(s) through its participation in any Indiana owned race in said year. In 1998, an Indiana owned standardbred must be wholly owned by an Indiana resident(s) by April 1, 1998, (claimed and public sale horses excepted) and remained wholly owned by an Indiana resident(s) through its participation in any Indiana owned race in said year. In 1999 and thereafter, an Indiana owned standardbred must be wholly owned by an Indiana resident(s) by January 1 (claimed and public sale horses excepted) and remain so through its participation in any Indiana owned race in any given year. The association or a breed development advisory committee may establish a date for a special race or series of races other than that established by the commission provided that such date is no later than that established by the commission and such date must be published on the nomination blank.

(g) All Indiana owned horses must be fully paid for by the Indiana owner(s) no later than the date established by the commission in subsection (f). The payment of the purchase price over time or through earnings beyond the date established in subsection (f) is prohibited and such horses shall be deemed ineligible to be nominated, entered, or raced as Indiana owned.

(h) In considering the matter of residency:

(1) "Residence", as the term is used in the context of this statement, means the place where an individual has their permanent home, at which that person remains when not called elsewhere for labor or other special or temporary purposes, and to which that person returns in seasons of repose. It is a place a person has voluntarily fixed as a permanent habitation with an intent to remain in such place for an indefinite period. A person at any one (1) time has but one (1) residence and a residence cannot be lost until another is gained.

(2) The commission, or the commission's designee, may review the information which is deemed relevant, including, but not limited to, the following:

(A) where the person lives and has been living;

(B) the location of the person's source(s) of income;

(C) the address used by the person for the payment of taxes, including federal, state, and property taxes;

(D) the state in which the person's personal automobiles are registered;

(E) the state issuing the person a driver's license;

(F) the state in which the person is registered to vote;

(G) ownership of property in Indiana and outside Indiana;

(H) the residence used for USTA membership and USTA or Jockey Club registration of a horse, whichever is applicable;

(I) the residence claimed by a person on a loan application or other similar document; or

(J) membership in civic, community, and other organizations in Indiana and elsewhere.

(3) None of these factors, when considered alone, shall be dispositive. Consideration of all of the factors together, as well as a person's expressed intention, shall be considered in arriving at a determination.

RULES OF THE RACE

(4) Beginning with the 1998 racing season, owners will be required to meet the residence requirements as of January 1 for that year's racing season.

(i) Each owner and trainer, or the authorized agent of an owner or trainer, or the nominator (collectively, the "entrant"), is required to disclose the true and entire ownership of each horse with the racing secretary, and to disclose any changes in the owners of each registered horse to both the racing secretary, the stewards, or judges. A licensee or racing official, including the racing secretary, shall immediately report any questions concerning the ownership status of a horse to the stewards or judges, and the stewards or judges may place such a horse on the steward's or judge's list. A horse placed on the steward's or judge's list shall be ineligible to start in a race until questions concerning the ownership status of the horse are answered to the satisfaction of the commission, or the commission's designee, and the horse is removed from the steward's or judge's list.

(j) If the commission, or the commission's designee, finds a lack of sufficient evidence of ownership status, residency, or other information required for eligibility, prior to a race, the commission, or the commission's designee, may order the entrant's horse scratched from the race or ineligible to participate.

(k) After a race, the commission, or the commission's designee, may, upon reasonable suspicion, withhold purse money pending an inquiry of ownership status, residency, or other information required for eligibility. If the purse money is ultimately forfeited, because of a determination of the commission, or the commission's designee, the purse money shall be redistributed per order of the commission or the commission's designee.

(l) If the purse money has been paid prior to reasonable suspicion, the commission, or the commission's designee, may conduct an inquiry and make a determination. If the commission, or the commission's designee, determines there has been a violation of ownership status, residency, or other information required for eligibility, it shall order the purse money returned and redistributed per order of the commission or the commission's designee.

(m) Any entrant, which is found to have violated the qualification for a race, including knowingly providing false information or refusing to provide or concealing information, is also subject to sanctions by the commission. (c) Scratch time is established by the association.

71 IAC 7-2-5 Starting

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 5. (a) The starter shall have control of the horses from the formation of the parade until he or she gives the word "go". In starting the race, the starter shall take the following steps:

(1) After one (1) or two (2) preliminary warming-up scores, the starter shall notify the drivers to come to the starting gate. During or before the parade, the drivers must be informed as to the number of scores permitted.

(2) The horses shall be brought to the starting gate as near one-fourth (¼) of a mile before the start as the track will permit.

(3) Allowing sufficient time so that the speed of the gate can be increased gradually to facilitate a fair start.

(b) The starting point will be a point marked on the inside rail a distance of not less than two hundred (200) feet from the first turn. The starter shall give the word "go" at the starting point. When a speed has been reached in the course of a start, there shall be no decrease except in the case of a recall. *(Indiana Horse Racing Commission; 71 IAC 7-2-5; emergency rule filed Feb 10, 1994, 9:20 a.m.: 17 IR 1158; emergency rule filed Feb 20, 2001, 10:08 a.m.: 24 IR 2107; errata filed Jun 21, 2001, 3:21 p.m.: 24 IR 3652;*

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 6. (a) In the case of a recall, a light which is plainly visible to the drivers shall be flashed and a recall sounded, but the starting gate shall proceed out of the path of the horses. At pari-mutuel tracks, in the case of a recall, wherever possible, the starter shall leave the wings of the gate extended and gradually slow the speed of the gate to assist in stopping the field of horses. In an emergency, however, the starter shall use his or her discretion to close the wings of the gate. There shall be no recall after the word "go" has been given unless there is a mechanical failure of the starting gate. Any horse, regardless of its position or an accident, shall be deemed a starter from the time it entered into to starter's control unless dismissed by the starter.

(b) In the event a horse causes two (2) recalls, it shall be an automatic ruling of the judges that the offending horse be scratched and a mutuel refund ordered.

(c) The starter may sound a recall only for the following reasons:

- (1) A horse scores ahead of the gate.
- (2) There is interference.
- (3) A horse has broken equipment.
- (4) A horse falls before the word "go" is given.
- (5) A mechanical failure of the starting gate.
- (6) The starter determines, in his or her discretion, that there cannot be a fair start.

71 IAC 7-2-8 Riding in gate; equipment; two tiers

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 8. (a) No persons shall be allowed to ride in the starting gate except the starter and his or her driver or operator and a patrol judge unless permission has been granted by the commission.

(b) Use of a mechanical loudspeaker for any purpose other than to give instructions to drivers is prohibited. The volume shall be no higher than necessary to carry the voice of the starter to the drivers.

(c) In the event there are two (2) tiers of horses, the withdrawing of a horse that has drawn or earned a position in the front tier shall not affect the position of the horses that have drawn or earned positions in the second tier. Whenever a horse is drawn from any tier, horses on the outside move in to fill the vacancy. Where a horse has drawn a post position in the second tier, the driver of such horse may elect to score out behind any horse in the first tier so long as he or she does not thereby interfere with another trailing horse or deprive another trailing horse of a drawn position. 71 IAC 7-2-9 Starting without gate

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 9. (a) When horses are started without a gate, the starter shall have control of the horses from the formation of the parade until he gives the word "go". He shall be located at the wire or other point of start of the race at which point as nearly as possible the word "go" shall be given. No driver shall cause unnecessary delay after the horses are called. After two (2) preliminary warming-up scores, the starter shall notify the drivers to form in parade.

(b) The driver of any horse refusing or failing to follow the instructions of the starter as to the parade or scoring ahead of the pole horse may be:

- (1) set down for the heat in which the offense occurs, or for such other periods the starter shall determine; and
- (2) fined.

Whenever a driver is taken down, the substitute shall be permitted to score the horse once. A horse delaying the race may be started regardless of its position or gait and there shall not be a recall because of a bad actor. If the word "go" is not given, all the horses in the race shall immediately turn on signal and jog back to their parade positions for a fresh start. There shall be no recall after the starting word has been given. 71 IAC 7-2-10 Starters; unmanageable and bad acting horses; post positions by heats

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 10. (a) The horses shall be deemed to have started when the word "go" is given by the starter and all the horses must go the course except in case of an accident in which it is the opinion of the judges that it is impossible to go the course.

(b) If, in the opinion of the judges or starter, a horse is unmanageable or liable to cause accidents or injury to any other horse or to any driver, it may be sent to the barn. When this action is taken, the starter will notify the judges who will in turn notify the public and refund all wagers on the horse.

(c) The arms of all starting gates shall be provided with a screen or shield in front of the position for each horse, and such arms shall be perpendicular to the rail.

(d) Every licensed starter is required to check his or her starting gate for malfunctions before commencing any meeting and to practice the procedure to be followed in the event of malfunction. Both the starter and the driver of the gate must know and practice emergency procedures, and the starter is responsible for the training of drivers in such procedures. Sec. 11. 71 IAC 7-3-7 Driving rules

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 7. (a) Although a leading horse is entitled to any part of the track, neither the driver of the first horse or any other driver in the race shall do any of the following, which shall be considered a violation of driving rules:

- (1) Change either to the right or left during any part of the race when another horse is so near that in altering the position the horse behind is compelled to shorten its stride or the driver of the horse behind is forced to pull the horse out of its stride.

RULES OF THE RACE

- (2) Jostle, strike, hook wheels, or interfere with another horse or driver.
- (3) Cross sharply in front of a horse or cross over in front of a field of horses in a reckless manner, endangering other drivers.
- (4) Swerve in and out or pull up quickly.
- (5) Crowd a horse or driver by putting a wheel under the horse or driver.
- (6) Carry a horse out.
- (7) Sit down in front of a horse or take up abruptly in front of other horses so as to cause confusion or interference among trailing horses.
- (8) Let a horse pass inside needlessly or otherwise help another horse to improve its position in the race.
- (9) Commit any act which shall impede the progress of another horse or cause it to break.
- (10) Change course after selecting a position in the homestretch, swerve in and out, or bear in and out in such a manner as to interfere with another horse or cause it to break.
- (11) Drive in a careless or reckless manner.
- (12) Whip under the arch of the sulky.
- (13) Kick the horse or brush hindquarters or legs with the foot.
- (14) Lay off a normal place and leave a hole when it is well within a horse's capacity to keep the hole closed.
- (15) Cross the inside limits of the course.
- (16) If any of the violations in this subsection is committed by a person driving a horse coupled as an entry in the betting, the judges shall set both horses back if, in their opinion, the violation helped improve the entry's finishing position. Otherwise, penalties may be applied individually to the drivers of any entry.

(b) All complaints by drivers of any foul driving or other misconduct during the heat must be made at the termination of the heat, unless the driver is prevented from doing so by an accident or injury. Any driver desiring to enter a claim of foul or other complaint of violation of this section must, before dismounting, indicate to the judges or patrol judge his or her desire to enter such claim or complaint and forthwith upon dismounting shall proceed to the telephone or judges' stand where and when such claim, objection, or complaint shall be immediately entered. The judges shall not cause the official sign to be displayed until such claim, objection, or complaint has been entered and considered.

(c) In case of interference, collision, or violation of any of the restrictions in subsections (a) and (b), the offending horse may be placed back one (1) or more positions in that heat or dash. In the event such collision or interference prevents any horse from finishing the heat or dash, the offending horse may be disqualified from receiving any winnings and the driver shall be fined, suspended, or both. In the event a horse is set back under this subsection, it must be placed behind the horse with whom it interfered.

(d) If there be any purse money for which horses have started but were unable to finish due to interference and/or an accident, all unoffending horses who did not finish will share equally in such purse money.

(e) Every heat in a race must be contested by every horse in the race, and every horse must be driven to the finish. If the judges believe that a horse:

- (1) is being driven or has been driven with intent to prevent winning a heat or dash which the horse was evidently able to win; or
- (2) is being raced in an inconsistent manner or to perpetrate or to aid a fraud;

the judges shall consider it a violation and the driver, and anyone acting in concert with the driver to so affect the outcome of the race or races, may be suspended or referred to the commission. The judges may substitute a competent and reliable driver at any time. The substituted driver shall be paid at the discretion of the judges and the fee retained from the purse money due the horse, if any.

(f) The judges may impose a penalty not to exceed a suspension of sixty (60) days or a fine of one thousand dollars (\$1,000), or both, or refer the matter to the commission if a driver commits any of the following violations:

- (1) In the event a drive is unsatisfactory due to lack of effort or carelessness despite the judges' belief that there is no fraud, gross carelessness, or a deliberate inconsistent drive.
- (2) In the event the driver shall rein in before crossing the finish line or shall fail to use his or her utmost exertion to obtain a winning performance from the horse driven by him or her.
- (3) In the event a driver shall fail to set or maintain a pace or trot comparable to the class in which he or she is racing. In the event a penalty is placed on a driver under this subsection, the horse may be placed on the judges' list and may not be removed therefrom until it goes in a qualifying race and qualifies in a time comparable to the class of the horse.
- (4) Drive a horse in such a manner as to have it remain classified or eligible to the same or easier condition.
