

TITLE 105 INDIANA DEPARTMENT OF TRANSPORTATION

CURRENT CODE EMERGENCY RULES

DISCLAIMER:

As an aid to legal research, this document provides a list of currently effective emergency rules adopted by state agencies in the manner set forth in [IC 4-22-2-37.1](#). Emergency rules adopted by Indiana Department of Transportation expire as set forth in [IC 8-1-30.5-4](#) and [IC 8-23-5-10](#).

While every effort has been made to ensure the accuracy of the list, this list may not provide an exhaustive enumeration of currently effective emergency rules. This list is not intended to be a substitute for traditional legal research.

Exclusion of an emergency rule from this list does not affect the validity of the emergency rule. This list does not, itself, establish authority for the adoption of rules.

Digest	DIN
Adds 105 IAC 16 regarding broadband requirements and criteria for installation of conduit, fiber optic cable and facilities and the permitting process. Effective January 1, 2022.	20211222-IR-105210537ERA.
