- (1) In those cases where the respondent has surrendered his or her current motor vehicle operator's license to the court at the time of his or her conviction of a violation of any motor vehicle traffic law, and where such convicting court has forwarded such license to the bureau of motor vehicles, such period of suspension shall begin as of the date such license was first surrendered to such court following conviction.
- (2) In those cases where the respondent has voluntarily surrendered his or her motor vehicle operator's license to the hearing officer following such hearing officer's findings of fact and determination of a period of suspension made known to the respondent at the conclusion of such administrative hearing, such suspension shall begin as of the date such license was first surrendered to the hearing officer.
- (3) In those cases where the respondent has not surrendered his or her motor vehicle operator's license to either the convicting court following conviction of a traffic offense, or to the hearing officer following a finding of facts and determination of suspension, such period of suspension shall begin on the date indicated in the court order, hearing officer's finding of fact and determination, or final order issued by the commissioner.
- (4) In those cases where the respondent is required by the Indiana motor vehicles safety responsibility and driver improvement act to file proof of financial responsibility, the period of suspension shall be deemed to be extended to cover any period during which such proof:

(c) A suspension, where so ordered by the commissioner's final order of determination for an indefinite period of time shall be terminated, and the respondent's current motor vehicle operator's license reinstated, upon the fulfillment of the requirements set forth in such order. Such a determination by the hearing officer and such a final order of determination shall be applicable only to a findings of fact that indicates the respondent is:

(2) because of a repetitive and continuing record of motor vehicle accidents and/or traffic violation convictions, a person whose continued operating of a motor vehicle on the public streets and highways would be inimical to the public safety or welfare.

(d) Where a final order of determination has been issued by the commissioner in the nature of an indefinite period of suspension, the termination of which is conditioned upon the fulfillment of certain requirements, such requirements shall be specifically stated on the face of the order, and may include, but need not necessarily be limited to, the following:

(1) The respondent's taking and passing a written driving examination.

(2) The respondent's taking and passing an actual driving ability test.

(3) The respondent's taking, passing, and producing a report of medical examination or judicial determination sufficient to assure the commissioner of the bureau of motor vehicles that he or she is possessed of the requisite physical and/or mental faculties to operate a motor vehicle over the public streets and highways safely and sanely.

(e) In those cases where an indefinite period of suspension has been ordered under subsections (c) and (d), and where such respondent shall have been only partially successful in fulfilling the requirements set forth in such indefinite order of suspension, the hearing officer may, after due notice and hearing as prescribed in this rule, issue an order that the respondent be permitted to drive a motor vehicle but only under restrictions suitable to the respondent's driving ability with respect to the type of or special mechanical control devices required on a motor vehicle that the respondent may operate, or the commissioner may order that the respondent operate a motor vehicle under such other restrictions as the commissioner may to be appropriate to assure the safe operation of such motor vehicle by the respondent on the public streets and highways.

(f) Upon the issuance of the final order as contemplated under subsection (e), a motor vehicle operator's license shall be issued to the respondent, which shall contain the specific restrictions of the respondent's operating privileges set out on the face thereof. (*Bureau of Motor Vehicles; Hearing Procedure Reg I, Rule XI; filed Dec 11, 1959, 3:00 p.m.: Rules and Regs. 1960, p. 101; filed Nov 26, 1996, 4:35 p.m.: 20 IR 936; readopted filed Oct 17, 2001, 4:46 p.m.: 25 IR 901*)

The suspension of driving privileges shall remain in effect pending final determination by the Commissioner of any appeal brought under subsection (1) and this subsection.

(3) "Timely", as used in this rule shall be understood to mean fifteen (15) days from the date of the final order of suspension mailed to the respondent.

(4) The filing or pendency of a petition for judicial review shall not remove the right of any party, including the Commissioner,

(5) The time for filing for judicial review of the final order of determination arising from the Reconsideration or Administrative Re-hearing shall be the same as the time for filing for such judicial review of the original order of determination in the original hearing and in accordance with the applicable statutes.
