**844 IAC 4-3-1 Diagnose; diagnosis**

Authority: [IC 25-22.5-2-7](#)

Affected: [IC 25-22.5-1](#)

Sec. 1. It is not necessary that the examination and diagnosis of biopsies, x-rays, or materials produced by a patient's body or substances obtained or removed from a patient's body be made in the presence of the patient. Information supplied either directly or indirectly by the patient may be utilized by the physician in arriving at such a diagnosis. The physician who makes such an examination or diagnosis is required to have a license to practice medicine or osteopathic medicine, although the physician does not see the patient. Sec. 7. (a) A person seeking licensure to practice medicine or osteopathic medicine shall file an application on a form supplied by the board and submit the fees required by 844 IAC 4-2-2.

(b) The applicant for a license shall provide the following:

(1) Where the name on any document differs from the applicant's name, a notarized or certified copy of a marriage certificate or legal proof of name change must be submitted with the application.

(2) One (1) recent passport-type photograph of the applicant, taken within eight (8) weeks prior to filing of the application.

(3) A certified copy of the original medical school or osteopathic medical school diploma. The following are requirements in the event that such diploma has been lost or destroyed:

(A) The applicant shall submit, in lieu thereof, a statement under the signature and seal of the dean of the medical school or osteopathic medical school or college from which the applicant graduated, stating that the applicant has satisfactorily completed the prescribed course of study, the actual degree conferred, and the date of graduation.

(B) The applicant shall submit an affidavit fully and clearly stating the circumstances under which his or her diploma was lost or destroyed.

(C) In exceptional circumstances, the board may accept, in lieu of a diploma or certified copy thereof, other types of evidence, which establish that the applicant received a medical school or osteopathic medical school or college diploma and completed all academic requirements relating thereto.

(4) If the applicant is the graduate of a school of medicine or osteopathic medicine in the United States, its possessions, or Canada, an original transcript of the applicant's medical education, including the degree conferred and the date the degree was conferred must be submitted. If the original transcript is in a language other than English, the applicant must include a certified translation of the transcript.

(5) If the applicant is a graduate of a school of medicine or osteopathic medicine outside the United States, its possessions, or Canada, the applicant must submit an original transcript of the applicant's medical education, including the degree conferred and the date the degree was conferred. If the original transcript is in a language other than English, the applicant must include a certified translation of the transcript. If an original transcript is not available, the applicant must submit the following:

(A) A notarized or certified copy of the original medical school or osteopathic medical school transcript, which must include the degree conferred and the date the degree was conferred.

(B) An affidavit fully and clearly stating the reasons that an original transcript is not available.

(6) If the applicant has been convicted of a criminal offense (excluding minor traffic violations), the applicant shall submit a notarized statement detailing all criminal offenses (excluding minor traffic violations) for which the applicant has been convicted. This notarized statement must include the following:

(A) The offense of which the applicant was convicted.

(B) The court in which the applicant was convicted.

(C) The cause number under which the applicant was convicted.

(D) The penalty imposed by the court.

(7) If the applicant is a graduate of a school of medicine or osteopathic medicine outside the United States, its possessions, or Canada, the applicant must submit a notarized copy of a certificate issued to the applicant by the Educational Commission on Foreign Medical Graduates.

(8) All applicants who are now, or have been, licensed to practice any health profession in another state must submit verification of license status. This information must be sent by the state that issued the license directly to the Indiana board.

(9) The applicant shall submit a self-query form completed by the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

(10) All information on the application shall be submitted under oath or affirmation, subject to the penalties for perjury.

Sec. 15. (a) A temporary medical permit issued for postgraduate medical education or training shall include internships, transitional programs, residency training, or other postgraduate medical education in a medical institution or hospital located in

Indiana that meets the requirements of section 4 of this rule. A temporary medical permit for postgraduate training may be issued to a person who has:

- (1) completed the academic requirements for the degree of doctor of medicine or doctor of osteopathic medicine from a medical school or osteopathic medical school approved by the board;
- (2) submitted an application for a temporary medical permit;
- (3) submitted one (1) recent passport-type photograph of the applicant, taken within eight (8) weeks prior to filing the application;
- (4) paid the nonrefundable fee specified in 844 IAC 4-2-2; and
- (5) provided documented evidence of acceptance into a postgraduate medical education or training program located in Indiana which meets the requirements of section 4 of this rule.

(b) Graduates of a school outside of the United States, its possessions, or Canada must submit proof of certification by the Educational Commission on Foreign Medical Graduates.

(c) All information on the application shall be submitted under oath or affirmation, subject to the penalties for perjury.

(d) A temporary medical permit issued under this section shall remain in force and effect for a period of one (1) year. A temporary medical permit issued under this section may be renewed for an additional one (1) year period, provided that the applicant submits an application and pays the nonrefundable fee. Temporary medical permits issued under this section to persons having passed Steps I and II of the United States Medical Licensing Examination (USMLE) or Comprehensive Osteopathic Medical Licensing Examination United States Medical Licensing Examination (COMLEX-USA), and who have failed Step III of the USMLE or the COMLEX-USA may be renewed and reissued to the applicant, at the discretion of the board.

(e) After seven (7) years expires from the date when the applicant first took a step of the USMLE or the COMLEX-USA, the temporary permit becomes invalid without further action of the board and cannot be renewed.

(f) A temporary medical permit issued under this section shall limit the applicant's practice of medicine or osteopathic medicine to the postgraduate medical education or training program in a medical education institution or hospital in Indiana approved by the board in which the applicant is employed, assigned, or enrolled, which limitation shall be stated on the face of the temporary medical permit.

(g) If training will occur in more than one (1) facility, the applicant must submit with the application for a temporary medical permit identifying information for each facility in which training will occur.

(h) A person issued a temporary medical permit under this section shall not accept, receive, or otherwise be employed or engaged in any employment as a physician unless approved by, or otherwise made a part or adjunct of, the applicant's postgraduate medical education or training program. Sec. 16. (a) A medical educational institution located in Indiana may apply for a temporary medical permit for teaching for a practitioner in the active practice of medicine outside of Indiana or the United States, but who is not licensed in Indiana, to teach medicine in the institution. The institution and the practitioner shall file an application, which shall include the following:

- (1) Documentation certifying the person's professional qualifications.
- (2) The term of the teaching appointment.
- (3) The medical subjects to be taught.
- (4) One (1) recent passport-type photograph of the person, taken within eight (8) weeks prior to filing the application.
- (5) The nonrefundable fee specified in 844 IAC 4-2-2.

(b) All information on the application shall be submitted under oath or affirmation, subject to the penalties for perjury.

(c) A temporary medical teaching permit issued under this section shall authorize the practitioner to teach medicine in the institution for a stated period not to exceed one (1) year.

(d) The temporary medical teaching permit must be kept in the possession of the institution and surrendered by it to the board for cancellation within thirty (30) days after the practitioner has ceased teaching in the institution.

(e) The permit authorizes the practitioner to practice in the institution only and, in the course of teaching, to practice those medical or osteopathic medical acts as are usually and customarily performed by a physician teaching in a medical educational institution, but does not authorize the practitioner to practice medicine or osteopathic medicine otherwise. Sec. 17. (a) A person not currently licensed to practice medicine in Indiana, yet licensed to practice medicine or osteopathic medicine by any board or licensing agency of any state or jurisdiction may make application for a limited scope temporary medical permit that, if issued under this section, shall remain valid for a nonrenewable period not to exceed thirty (30) days.

(b) A person seeking a limited scope temporary medical permit under this section shall do the following:

(1) Complete an application form supplied by the board, specifying the following:

(A) The reasons for seeking a temporary medical permit.

(B) The location or locations where the applicant will provide medical services.

(C) The type, extent, and specialization of medical services that the applicant intends to, or may, provide.

(D) The activity, organization, function, or event with regard to which the applicant may provide medical services.

(2) The applicant's residence and office addresses and phone numbers.

(3) Pay to the board the nonrefundable fee specified by 844 IAC 4-2-2, at the time the application for temporary medical permit is filed.

(4) Submit one (1) recent passport-type photograph of the applicant, taken within eight (8) weeks prior to filing the application, simultaneously with filing the application for a temporary medical permit.

(5) Submit proof of holding a current and valid unrestricted license to practice medicine or osteopathic medicine in another state or jurisdiction.

(6) Submit a certified copy of the original medical school or osteopathic medical school diploma. The following requirements apply in the event that such diploma has been lost or destroyed:

(A) The applicant shall submit, in lieu thereof, a statement under the signature and seal of the dean of the medical school or osteopathic medical school or college from which the applicant graduated, stating that the applicant has satisfactorily completed the prescribed course of study, the actual degree conferred, and the date of graduation.

(B) The applicant shall submit an affidavit fully and clearly stating the circumstances under which his or her diploma was lost or destroyed.

(C) In exceptional circumstances, the board may accept, in lieu of a diploma or certified copy thereof, other types of evidence, which establish that the applicant received a medical school or osteopathic medical school or college diploma and completed all academic requirements relating thereto.

(c) All information on the application shall be submitted under oath or affirmation, subject to the penalties for perjury.

(d) Temporary medical permits issued under this section shall be limited to a specific activity, function, series of events, or purpose, and to a specific geographical area within the state, which limitations shall be stated on the temporary medical permit.
