DISCLAIMER:

As an aid to legal research, this document provides a list of currently effective emergency rules adopted by state agencies in the manner set forth in [IC 4-22-2-37.1](#).

While every effort has been made to ensure the accuracy of the list, this list may not provide an exhaustive enumeration of currently effective emergency rules. This list is not intended to be a substitute for traditional legal research.

Exclusion of an emergency rule from this list does not affect the validity of the emergency rule. This list does not, itself, establish authority for the adoption of rules.
