Rule 2. Representation

560 IAC 2-2-1 Bargaining unit

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1-10

Sec. 1. (a) Appropriate unit. The parties may agree on the appropriate unit within the guidelines as provided in IC 20-7.5-1-10(a)(1). For this purpose the parties shall consist of the school employer and a school employee organization representing twenty percent (20%) or more of the school employees in any proposed unit.

(b) Unit determination. If no such agreement is reached or if any school employee in the proposed unit files a complaint (as in 560 IAC 2-2-3(a) and 560 IAC 2-2-4(b) [*sections 3(a) and 4(b) of this rule*]) to the composition of such unit with the board, the board shall determine the proper unit in accordance with IC 20-7.5-1-10(a)(2) or IC 20-7.5-1-10(c)(4). The board or its agent may make a determination based upon briefs and papers filed unless a hearing is requested.

(c) Unit amendment or unit clarification. A school employer and a school employee organization may agree to amend or clarify a unit at any time. A unit amendment is appropriate when a position has been newly created and is to be added to or excluded from the existing unit. A unit clarification is appropriate when an existing position is to be added to or excluded from the existing unit. If such an amendment or clarification is mutually made, the school employer and exclusive representative shall post notice of the amendment or clarification in each school building for no less than thirty (30) days; provided, however, that if the amendment or clarification is made in a period when school employees are not in attendance, notice shall be made to each by mail to his last known

place of residence. Said notice shall clearly show the description of the existing bargaining unit and the proposed amendment or clarification. The notice shall state the current address and telephone number of the board and state that objections to the amendment or clarification by any affected school employee may be made to the board within thirty (30) days of the first date of posting or of the mailing of the notice. If a school employee affected by the amendment or clarification objects to the amendment or clarification, the board shall determine the unit by the same procedures used in original determinations of the unit. At the end of the posting period or thirty (30) days after the mailing of notice, and if no objections have been filed, a copy of the notice of amendment or clarification shall be furnished to the board. An incorrect posting as to whether the position is an amendment to or clarification of a unit shall not operate to void the notice or results thereof, regardless of objections. (*Indiana Education Employment Relations Board; 560 IAC 2-2-1; filed Oct 6, 1988, 11:15 a.m.: 12 IR 301; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

The recognition statement should include the name of the school corporation, the name of the school employee organization designated as the exclusive representative, the agreed-upon unit, the number of employees in the unit, the exclusions from the unit, and the first date of posting. 560 IAC 2-2-3 Petitions

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1

Sec. 3. (a) Petition and complaint. A petition to determine the exclusive representative of a unit of school employees or a petition to determine the appropriate unit by unit clarification or amendment may be filed by a school employee organization, a school employer, or, in the case of a representation petition, a group of school employees constituting twenty percent (20%) of a unit under the conditions provided for in IC 20-7.5-1-10(c). The appropriate unit shall be determined under each such petition. A school employee may file a complaint as provided in IC 20-7.5-1-10(a)(2) to contest the composition of the unit.

(b) Number of copies to be filed. All petitions shall be in writing, and the original and one (1) copy shall be filed with the board. Copies shall be served simultaneously on all known, interested parties, and proof of such service shall be furnished to the board.

(c) Contents of petition for representation. In petitions for determining the exclusive representative, the petition shall contain:

- (1) name, address, phone number, and name of superintendent of the school employer, and the name, title, address, and phone number of the school employer representative to contact;
- (2) name, address, and phone number of the petitioner; the petitioner's school employee organization; name and address of the president of the school employee organization; and the name, address, and phone number of petitioner's representative;
- (3) description of the bargaining unit claimed to be appropriate, the specific positions or classifications to be excluded from the unit, and section(s) of IC 20-7.5-1 providing for such exclusion;
- (4) number of employees in the alleged appropriate unit;
- (5) date of request for recognition as majority representative and date such request was declined by the school employer or a statement that no reply has been received or no request made;
- (6) name, address, and phone number of any other school employee organizations claiming to represent twenty percent (20%) or more of the employees in the existing, appropriate unit; the name and address of the president of any such school employee organization; and the effective date(s) and the expiration date(s) of any existing collective bargaining agreement(s) covering school employees;
- (7) where a school employee organization or a group of school employees files the petition, an assertion that twenty percent (20%) of the school employees in the unit wish to be represented by the organization or that twenty percent (20%) believe that the designated exclusive representative is no longer the representative of a majority of those in the unit;
- (8) where appropriate, a concise statement of the disputes concerning the conduct of the election;

GENERAL PROVISIONS

(9) any other relevant facts; and

(10) signature of petitioner or petitioner's duly authorized agent.

(11) If a school employer files a representation petition, the petition should include:

(A) the names of the one (1) or more school employee organizations having presented a claim to be recognized as the exclusive representative in an appropriate unit; or

(B) a statement that it has a good faith doubt that the certified school employee organization represents the majority of the school employees and a statement setting forth the basis of the good faith doubt.

(d) Contents of petition for unit clarification or amendment. A petition for unit clarification, which seeks to modify an existing job position or classification, or a petition for unit amendment, which seeks to add to or exclude from the existing bargaining unit a new position, shall contain:

(1) name, address, phone number, and name of superintendent of school employer and the name, title, address, and phone number of the school employer representative to contact;

(2) where the petitioner is not the school employer, the name, address, and phone number of the petitioner or the petitioner's school employee organization; the name and address of the president of the certified school employee organization; and the name, title, address, and phone number of petitioner's representative;

(3) a description of the present bargaining unit and date of certification or recognition;

(4) proposed clarification or amendment of the unit and the reasons why proposed clarification or amendment is requested;

(5) any other relevant facts; and

(6) signature of petitioner or petitioner's duly authorized agent.

An improperly marked type of request for filing a petition for clarification or amendment shall not operate to void the petition.

The improper type of request shall be treated as proper, and the petition shall be considered amended.

(e) Showing of interest. Evidence that twenty percent (20%) of the school employees in an appropriate unit wish to be represented for collective bargaining or wish to assert that the designated exclusive representative no longer represents a majority of school employees shall accompany the representation petition at the time of the filing or at any other time as may be set by the board or its agent.

This evidence must be in writing and signed and dated by school employees in an appropriate unit. The evidence must indicate the school employees' wish to be represented by such school employee organization for the purpose of collective bargaining or must indicate the school employees' request to decertify the designated exclusive representative by asserting it is no longer the representative of the majority of school employees in the unit. Other evidence of probative value indicating that the requisite percentage of school employees desire representation or decertification may be considered.

Evidence of the showing of interest shall be furnished only to the board or its agent, and determination of the adequacy of the showing of interest shall be made by the board or its agent.

(f) Investigation of petitions. The board or its agent shall investigate the petition to determine if a valid question concerning the representation of school employees exists and if a determination of the appropriate unit is necessary.

After ascertaining the positions of all parties involved, the board or its agent shall take appropriate measures to resolve the question concerning representation. Such disposition may consist of withdrawal or dismissal as set forth in subsection (g) of this section, the conduct of an election in an appropriate unit pursuant to the agreement of all interested parties, the conduct of a hearing and the direction of an election in an appropriate unit, or the dismissal of the petition after a hearing.

The board or its agent shall notify the school employer if a question of representation is found to exist. For purposes of ascertaining a showing of interest, the school employer shall furnish the board or its agent within ten (10) days with the names and addresses of all certificated employees on its payroll or on approved leave of absence on the date of the filing of the petition. The date for submission of the eligibility list shall be at the discretion of the board or its agent.

(g) Withdrawal or dismissal of petition. If the board determines after an investigation that the petition has not been timely filed or that no valid question concerning the representation of employees exists, the board may request the party filing such a petition to withdraw the petition without prejudice; or in the absence of a withdrawal within a reasonable time, the board or its agent may dismiss the petition.

(h) Posting notice of pending petition. After the filing of a petition or receipt of a petition filed by another party, the school employer shall, at the request of the board, post a notice in places where notices are normally posted affecting the school employees in the unit involved in the proceeding.

Such notice shall be on a form to be furnished by the board and shall contain the following:

GENERAL PROVISIONS

- (1) name of the party or parties filing the petition;
- (2) a description of the unit involved and the action requested; and
- (3) a statement that any interested parties may, up to three (3) days prior to the hearing, advise the board of their intention to intervene.

The hearing officer may allow intervention at the hearing if good cause is shown as to why the party could not notify the board within the time prescribed.

The notice shall remain posted for a period of ten (10) days from the date of receipt by the school employer.

(i) Public docket. The board shall maintain a public docket of all petitions filed under 560 IAC 2 [this article]. (*Indiana Education Employment Relations Board; 560 IAC 2-2-3; filed Oct 6, 1988, 11:15 a.m.: 12 IR 302; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

560 IAC 2-2-4 Intervenor

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1

Sec. 4. (a) Limitation on intervenors. No school employee organization shall be permitted to intervene in any certification or decertification proceeding unless it has submitted a showing of interest of not less than twenty percent (20%) in an appropriate unit. Such showing of interest need not accompany the petition to intervene but must be made at the representation and determination of unit hearing or within such extension of time as the hearing officer may allow, but in no case may it be made after the board directs the conduct of an election.

(b) School employee complaint procedure. Any school employee may file a complaint with regard to the composition of a proposed unit. Such complaint shall be filed within the 30-day posting of notice of amendment or clarification under 560 IAC 2-2-1(c) [section 1(c) of this rule] or intent to recognize under 560 IAC 2-2-2 [section 2 of this rule] or within the time limitation of posting notice of pending petition in 560 IAC 2-2-3(h) [section 3(h) of this rule].

(c) Filing procedure for intervenor. A school employee or school employee organization intervening in any representation proceeding shall file a petition to intervene within the period of posting of notice of a pending representation petition as provided in 560 IAC 2-2-3(h) [section 3(h) of this rule], unless good cause is shown for extending the period. (*Indiana Education Employment Relations Board; 560 IAC 2-2-4; filed Oct 6, 1988, 11:15 a.m.: 12 IR 304; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

560 IAC 2-2-5 Consent elections

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1

Sec. 5. The board or its agent shall investigate the petition. If there is reasonable cause to believe that a question of representation exists, the petitioner and the other parties may, with the approval of the board or its agent, enter into a consent election agreement on the following subjects:

- (1) description of the appropriate unit;
- (2) the date to be used in determining the list of eligible employees; and
- (3) the date, place(s), and time of balloting.

(*Indiana Education Employment Relations Board; 560 IAC 2-2-5; filed Oct 6, 1988, 11:15 a.m.: 12 IR 304; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

560 IAC 2-2-6 Hearings

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1-10

Sec. 6. (a) Submission of briefs. If the parties are unable to reach agreement as to the appropriate unit after the filing and investigation of a valid petition, they shall each submit briefs to the board or its agent outlining their position with regard to the disputed issues. Determinations by the board or its agent may be made based upon the briefs unless a hearing is requested. If a request for a hearing is made, the board or its agent shall schedule a hearing and shall serve notice of such hearing to all interested parties.

GENERAL PROVISIONS

The briefs shall be filed with the board or its agent at least ten (10) days prior to the date of such hearing and shall set forth each issue to be presented at the hearing and specifically state the position(s) or classification(s) to be excluded from the unit. Failure to address the issue(s) may result in exclusion of evidence.

(b) Nature of hearing. Hearings under IC 20-7.5-1-10 shall be considered investigatory and not adversary. The purpose of the hearing is to develop a full and complete factual record upon which the case may be determined. Parties may argue orally, or before the close of the hearing the parties may request permission to file a brief within ten (10) days of the close of the hearing or by a time to be set by the board or its agent. Parties may request transcription of such proceedings at their expense. The representation and unit determination case files shall be available to the parties at the board's office.

(c) Board determination. After the hearing is closed, the board or its agent shall determine the matters in dispute and direct an election, dismiss the petition, or make such other disposition of the matter as deemed appropriate. (*Indiana Education Employment Relations Board; 560 IAC 2-2-6; filed Oct 6, 1988, 11:15 a.m.: 12 IR 304; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

560 IAC 2-2-7 Consolidation of cases

Authority: IC 20-7.5-1-9

(*Indiana Education Employment Relations Board; 560 IAC 2-2-7; filed Oct 6, 1988, 11:15 a.m.: 12 IR 304; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

Sec. 8. The board or its agent shall furnish the school employer with a notice of election for suitable posting. Such notices shall set forth the details and procedures for the election; the appropriate unit; the eligibility period; the date(s), hours, and place(s) of the election; and shall contain a sample ballot. Such notices shall be posted in prominent places at least five (5) days prior to the date of the election. (*Indiana Education Employment Relations Board; 560 IAC 2-2-8; filed Oct 6, 1988, 11:15 a.m.: 12 IR 304; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

560 IAC 2-2-9 Election procedures

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1-10; IC 20-7.5-1-11

Sec. 9. (a) Secret and absentee ballots. All elections shall be conducted and supervised by one (1) or more board agents. All elections shall be by secret ballot. Absentee ballots may be permitted under terms agreed to by the school employer and school employee organizations on the ballot and accepted by the board's agent or under such terms as the board or its agent may direct.

(b) Choices on ballot. A school employee organization shall not be entitled to a place on the ballot unless it submits written evidence satisfactory to the board or its agent of at least twenty percent (20%) representation of the school employees in the unit. In addition to the school employee organizations included as choices on the ballot in the election, the ballot shall contain a choice of "no representation by a school employee organization," except where the board or its agent orders a runoff ballot in an election pursuant to IC 20-7.5-1-10 or a rerun ballot in an election pursuant to IC 20-7.5-1-11.

(c) Removal of name from ballot. Whenever two (2) or more school employee organizations are included as choices on a ballot, any such organization may, upon prompt request to and approval thereof by the board or its agent, have its name removed from the ballot; provided, however, that in a proceeding involving a petition filed by a school employer or a petition for decertification, neither the school employee organization certified and currently recognized nor a school employee organization found to be seeking recognition may have its name removed from the ballot without giving notice in writing to all parties and the board or its agent that it disclaims any representation interest among the school employees in the unit.

(d) Observers. Any party may be represented at the polling place(s) by observers of its own choosing, subject to such limitations as the board or its agent may prescribe.

GENERAL PROVISIONS

(e) Challenges. Voting shall be by secret ballot. The board or its agent shall give each eligible voter a ballot which shall be marked in secrecy. The board or its agent(s) or authorized observers may challenge the eligibility of any person to participate in the election.

(f) Voter eligibility. Eligible voters shall be those school employees included within the unit described in the collective bargaining agreement for consent election or as determined by the board or its agent those who were employed during the payroll period immediately prior to the election, including employees who did not work during that period because they were ill, on vacation, or on other legitimate leave, as determined by the board or its agent. Ineligible to vote are those school employees who quit or were discharged for cause since the designated payroll period and who have not been rehired or reinstated before the election date.

In all representation elections conducted pursuant to this section, the school employer is required to file with the board and with the school employee organization(s) an election eligibility list, unless otherwise directed differently by the board or its agent. The list shall consist of an alphabetical listing of the names of all eligible voters, together with their last known mailing address, and building in which the voter is primarily assigned, unless otherwise directed by the board or its agent. The eligibility list must be received by the board or its agent no later than ten (10) days prior to the date of the election. A school employee whose name does not appear on the eligibility list shall not be precluded from voting but should be challenged on the day of election.

(g) Tabulation of ballots. Immediately after the closing of the polls, the board or its agent(s) in the presence of the authorized observers shall count and tabulate the ballots. Upon request, a complete tally of the ballots will be furnished to the parties at the conclusion of the count. Challenges may be waived before the count, and the challenged ballots should be removed from the envelopes and counted with other ballots. If there is no waiver, challenged ballots shall not be opened or counted at this time but shall remain sealed.

(h) Ruling on challenges. If challenged ballots are sufficient in number to affect the results of the election, the board or its agent(s) shall conduct an investigation, which may include a hearing, and make a ruling upon the challenges. All documents, evidence, and briefs of the parties in support of or in opposition to the challenge shall be filed within five (5) days of the initial tally of the votes. After a ruling is made on the challenges, those ballots in which the challenge was not upheld shall be counted and added to the tally; and a new tally will be furnished to the parties upon request.

(i) Objections to conduct of elections. If objections to the conduct of the election are filed, they shall be filed within five (5) days of the initial tally of the ballots. Documents, evidence, and briefs in support of the objections shall be filed with the board and served on all other parties within the 5-day time limit. All other parties shall have an additional five (5) days from receipt of the objections to file answering briefs. The board or its agent shall conduct an investigation, which may include hearing the objections and ruling upon them, except where the board agent's conduct is the subject of an objection to an election. If the agent's conduct is the subject of an objection, the agent shall not conduct the investigation of or hearing on the objection. Prior to the next board meeting, the board or its appropriate designee will appoint another agent who will investigate and hear the objections.

After the investigation has been completed or, where appropriate, the hearing process has been completed, the board will render a determination with regard to the objections either setting aside the election and directing a new election or dismissing the objections and issuing the appropriate certification. (*Indiana Education Employment Relations Board; 560 IAC 2-2-9; filed Oct 6, 1988, 11:15 a.m.: 12 IR 305; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

560 IAC 2-2-10 Election requiring a runoff ballot

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1

Sec. 10. (a) When a runoff is appropriate. The board shall order a runoff when the original ballot provided for not less than three (3) choices (for example, at least two (2) choices and "no representation") results in no choice receiving a majority of the votes of the total number of school employees who were eligible to vote and when any objections or challenges filed have been disposed of, as provided herein. Only one (1) runoff shall be held pursuant to this section.

(b) Voter eligibility. School employees who were eligible to cast the original ballot and who are in an eligible category on the date of the runoff shall be eligible to vote in the runoff.

(c) Choices on ballot. The runoff ballot shall provide for a selection between the two (2) choices receiving the largest and second largest number of votes.

(d) When a runoff is inappropriate. There can be no runoff ballot where:

(1) there are but two (2) choices on the ballot;

GENERAL PROVISIONS

(2) all choices, including “no representation,” receive an equal number of votes, there are challenged ballots or objections that would affect the results of the election, or less than all eligible voters cast valid ballots; or

(3) where two (2) choices receive an equal number of votes and a third choice receives a higher but less-than majority of eligible votes, there are challenged ballots or objections that would affect the results of the election, or less than all eligible voters cast valid ballots.

(e) Certification of results. In the event two (2) or more choices receive the same number of votes and there are no challenged ballots that would affect the results of the election and all eligible voters have cast valid ballots, there shall be no runoff; a certification of results of election shall be issued, and the representation petition(s) dismissed. (*Indiana Education Employment Relations Board; 560 IAC 2-2-10; filed Oct 6, 1988, 11:15 a.m.: 12 IR 306; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

560 IAC 2-2-11 Elections requiring a rerun ballot

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1

Sec. 11. In the event no certification of representation can be issued because of an inconclusive or null election and there are challenged ballots which would affect the results or less than all eligible voters cast valid ballots, the board or its agent shall declare the initial election a nullity and shall conduct a rerun, providing for a selection from among or between the choices afforded in the original or runoff ballot where:

(1) the board or its agent orders a new election following the disposition of objections;

(2) the ballot provided for a choice among two (2) or more choices one (1) of which could be “no representation,” and the number of ballots cast are equally divided among the several choices;

(3) the number of ballots cast for one (1) choice is equal to the number of ballots cast for another choice and less than the number of eligible voters cast ballots; or

(4) two (2) choices receive an equal number of votes and a third choice receives a higher but less than a majority of eligible votes.

The scheduling of any further reruns pursuant to this section shall be at the discretion of the board.

School employees who were eligible to vote in the original election and who are in an eligible category on the date of the rerun shall be eligible to vote in the rerun.

In the event two (2) or more choices receive the same number of votes and another choice receives no votes and there are no challenged ballots that would affect the results of the election and all eligible voters have cast valid ballots, there shall be no rerun; a certification of results of election shall be issued, and the representation petition(s) shall be dismissed.

In the event there are two (2) choices on the ballot, one (1) being “no representation,” and both receive an equal number of votes and all eligible voters have cast valid ballots, there shall be no rerun; a certification of results of election shall be issued, and the representation petition(s) shall be dismissed. (*Indiana Education Employment Relations Board; 560 IAC 2-2-11; filed Oct 6, 1988, 11:15 a.m.: 12 IR 306; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

560 IAC 2-2-12 Certification and closing of case

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1

Sec. 12. (a) Certification. A school employee organization shall be certified as the exclusive representative if the number of valid ballots cast for it equals a majority of all school employees who were eligible to vote in the election.

(b) Issuance of certification and closing. If no objections are filed within the time set forth in 560 IAC 2-2-9(i) [*section 9(i) of this rule*], if the challenged ballots are insufficient in number to affect the result of the election, if no runoff is to be held pursuant to 560 IAC 2-2-10 [*section 10 of this rule*], or if no rerun resulted as provided in 560 IAC 2-2-11 [*section 11 of this rule*], the chairman shall forthwith issue to the parties a certification of results of the election or a certification of the exclusive representative with the same force and effect as if issued by the board; and the proceeding will thereupon be closed.

(c) Challenged ballots and certification results. In cases where the number of challenged ballots is sufficient to affect the result of the election and the hearing officer rules that all challenges be sustained, he shall serve the ruling upon all parties and confirm the initial tally. If the ruling of the hearing officer does not sustain all challenges, then a new count and revised tally shall be made as

GENERAL PROVISIONS

provided in 560 IAC 2-2-9(h) [section 9(h) of this rule]. If no objection to the confirmed initial tally or revised tally or exceptions to the rulings on challenged ballots is filed within five (5) days, the chairman shall forthwith issue to the parties certification of the results of the election or a certification of the exclusive representative with the same force and effect as if issued by the board.

(d) Objections and board certification. In cases where objections have been filed, the board shall rule on all objections. If the board finds no grounds sufficient to call for an inconclusive or null election and no grounds to order a runoff, the board shall forthwith issue to the parties a certification of the results of the election or a certification of the exclusive representative, where appropriate. 560 IAC 2-2-13 Period of unchallengeable representation

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1-7; IC 20-7.5-1-10

Sec. 13. (a) Where a valid election has been held in a bargaining unit in the preceding twenty-four (24) months, no petition for a subsequent election may be filed until sixty (60) days before the second anniversary of the first ballot in the election; and no election shall be conducted until at least twenty-four (24) months after the first ballot in the previous election.

(b) If board investigation under section 3(f) of this rule shows that a school employee organization has been duly recognized under procedures conforming to IC 20-7.5-1-10(b) within the preceding twelve (12) months, any petition filed under section 3 of this rule shall be dismissed.

(c) A representation petition shall be held in abeyance where an unfair practice complaint is filed alleging that the school employer violated IC 20-7.5-1-7(a)(2) by dominating, interfering, or assisting in the formation or administration of the school employee organization. The complaint for unfair practice must specifically request that the election be stayed. If an IC 20-7.5-1-7(a)(2) violation is alleged in the complaint and the complaint requests a stay of the election, proceedings on the representation petition shall be stayed until a determination of the unfair practice complaint is made under proceedings provided for unfair practices. The IC 20-7.5-1-7(a)(2) complaint shall be given priority over other unfair practice complaints. The board or its agent may proceed with the representation petition where:

- (1) the complaining party in the unfair practice complaint requests that the election proceed;
- (2) the unfair practice complaint does not request the election be stayed and the board or its agent determines that school employees would be able to freely exercise their choice; or
- (3) the unfair practice complaint is filed too late to permit an investigation of the complaint before the scheduled election.

The board or its agent may consolidate representation proceedings with the unfair practice proceedings. All hearings provided for in sections 6 and 7 of this rule shall be conducted by a hearing examiner as provided for in 560 IAC 2-3-1 through 560 IAC 2-3-5.

(d) If an investigation under section 3(f) of this rule reveals that a written collective bargaining agreement with substantive terms exists between the school employer and a school employee organization which is certified or has been duly recognized under procedures conforming to IC 20-7.5-1-10(b), a representation petition filed under section 3(c) of this rule shall be dismissed; provided, however, the representation petition shall not be dismissed if the petition is filed between January 15 and February 14, inclusive of the calendar year of the expiration date of the collective bargaining agreement. A collective bargaining agreement having a term in excess of two (2) years shall be treated as an agreement for a term of two (2) years from its date of execution. A collective bargaining agreement for an indefinite term shall be treated as a one (1) year agreement measured from the date of execution. Extensions of any collective bargaining agreement shall not extend the period of unchallengeable representation status. In addition, any such collective bargaining agreement entered into after the effective date of this amendment to this section, and executed within the twenty-four (24) month period immediately subsequent to a previous valid election, shall not operate as a bar to a representation petition.

(e) The election bar in subsection (a), the recognition bar in subsection (b), a pending unfair practice complaint in subsection (c), and a contract bar in subsection (d) shall not operate to bar proceedings initiated by a petition for unit clarification or a petition for unit amendment. No petition may be filed for a unit clarification where the board has made a unit clarification decision within the previous twelve (12) months. A petition for unit amendment may be filed at any time, and the twelve (12) month rule shall not apply. (*Indiana Education Employment Relations Board; 560 IAC 2-2-13; filed Oct 6, 1988, 11:15 a.m.: 12 IR 307; filed May 8, 1996, 3:00 p.m.: 19 IR 2877; readopted filed Sep 12, 2001, 10:55 a.m.: 25 IR 529*)

560 IAC 2-2-14 Review by the full board

Authority: IC 20-7.5-1-9

Affected: IC 20-7.5-1

Sec. 14. (a) Notice of intent to file objections. Any party may file a notice of intent to file objections within fifteen (15) days of:

- (1) the dismissal or withdrawal of a representation petition;
- (2) a unit amendment or clarification decision where no election is ordered;
- (3) other representation issue decided;
- (4) certification of election results or representation when an election is conducted; or
- (5) certification of election results or representation where there are objections to the conduct of an election.

The notice of intent shall identify the basis of the objection with reasonable particularity.

(b) Contents of objections. When a notice of intent is timely filed, the chairman shall set a date by which the petition for review with supporting briefs shall be filed. Each objection shall:

- (1) set forth specifically any matters of procedure, fact, law, or policy to which the petitioner objects;
- (2) identify that part of the hearing officer's report, if any, to which objection is made;
- (3) designate by precise citation of page the portions of the record, if any, relied upon; and
- (4) state the grounds for the objections and include the citation of authorities, where applicable, unless set forth in a supporting brief.

If the party desires to argue orally to the board, the request to do so must accompany the objections. Any objection to a hearing officer's report or ruling or the chairman's certification of election results or representation which is not specifically argued shall be deemed to have been waived. Any objection which fails to comply with the foregoing requirements may not be argued, orally or in briefs, before the board or in any further proceedings before a hearing officer on remand.

(c) Contents of answering briefs. After the petitioner has filed objections and a brief in support thereof and within such time as the chairman may allow, any party opposing the objections may file an answering brief to the objections. The answering brief to the objections shall be limited to the questions raised in the objections and in the brief in support thereof.

(d) Motion to dismiss. If any motion in the nature of a motion to dismiss the petition in its entirety is granted by the hearing officer, the hearing officer shall make findings and conclusions in support of the ruling and forward the case to the board. The hearing officer shall file the original of these findings and conclusions with the board and cause a copy thereof to be served upon each of the parties. The filing of the findings and conclusions shall operate to transfer the case to the board.

(e) Automatic decision and final order of board. In the event no timely and proper objections to unit clarification and unit amendment decisions, tally results, and certification of election results or representation are filed as provided for in 560 IAC 2-2 [*this rule*], the order(s), ruling(s), or report of the hearing officer shall become the decision and final order of the board. All objections to the hearing officer's ruling(s), order(s), or report shall be deemed to have been waived for all purposes.

(f) Unit determination review. There shall be no review of a unit determination while there is a pending election until after the election. A unit determination challenge by the school employer, the school employee organization(s) on the ballot, or the board or its agent may be preserved at the time of the election.

(g) Board decision. Upon the filing of timely and proper objections and answering briefs, the board may decide the matter upon the record, with or without oral arguments. If the record is insufficient, the board may remand the case for further proceeding before a board member or a hearing officer. Regardless of whether the board decides the matter upon the original record or after remand, the board shall issue a final order affirming, modifying, or dissolving the hearing officer's ruling(s), order(s), or report.

(h) Board final order. The final order of the board shall:

- (1) direct an election in an appropriate unit;
- (2) dismiss the petition, in whole or in part;
- (3) affirm or reverse the chairman's or hearing officer's order and/or actions, in whole or in part; or
- (4) make such other disposition of the matter as it deems appropriate.

In a unit clarification or unit amendment decision, the final order of the board must identify any differences between the final order and the report issued by the hearing officer and include findings of fact or incorporate the findings of fact in the hearing officer's report by express reference to the report.

(i) Record of representation proceedings. The record of the representation proceedings shall consist of: the petition, any

complaints filed by individual school employees, papers filed by other parties in response to the petition, notice of the hearing, motions, rulings, orders, the transcript of the hearing, stipulations, exhibits, documentary evidence, affidavits of service, depositions, and any briefs or other documents submitted by the parties to the hearing officer.
