312 IAC 3-1-5 Pleadings for and disposing of a show cause order issued under the Indiana Surface Mining Control and Reclamation Act

Authority: IC 14-10-2-4

Affected: IC 4-21.5-3; IC 14-34-15-7; IC 15

Sec. 5. (a) This section governs the suspension or revocation of a permit under IC 14-34-15-7.

(b) When the director determines that a permit issued pursuant to IC 13-4.1 before its repeal, IC 14-34, or 312 IAC 25 should be suspended or revoked, the director (or a delegate of the director) shall issue to the permittee an order of permit suspension or revocation pursuant to IC 14-34-15-7. An order of permit suspension or revocation shall allege the following:

- (1) A pattern of violations of:
 - (A) IC 13-4.1 before its repeal, IC 14-34, or 312 IAC 25; or
 - (B) any permit condition required by IC 13-4.1 before its repeal, IC 14-34, or 312 IAC 25.
- (2) The violations alleged in the order of permit suspension or revocation are either:
 - (A) willfully caused by the permittee; or
 - (B) caused by the permittee's unwarranted failure to comply with:
 - (i) IC 13-4.1 before its repeal, IC 14-34, 312 IAC 25; or
 - (ii) any permit condition required by IC 13-4.1 before its repeal, IC 14-34, or 312 IAC 25.

For the purposes of this subsection, the unwarranted failure of the permittee to pay any fee required under IC 13-4.1 before its repeal, IC 14-34, or 312 IAC 25 constitutes a pattern of violations and requires the issuance of an order of permit suspension or revocation.

(c) An order of permit suspension or revocation issued under subsection (b) shall be served by certified mail or by personal delivery. An order of permit suspension or revocation is governed by IC 4-21.5-3-6.

(d) A permittee who desires to contest an order of permit suspension or revocation must, within thirty (30) days of permittee's receipt of the order of permit suspension or revocation, file a petition for review pursuant to IC 4-21.5-3-7. A petition for review under this subsection shall set forth the following:

- (1) The reasons in detail why a pattern of violations of IC 13-4.1 before its repeal, IC 14-34, 312 IAC 25, or any permit condition required by IC 13-4.1 before its repeal, IC 14-34, or 312 IAC 25 does not exist or has not existed, including all reasons for contesting:
 - (A) that the facts alleged in the order of permit suspension or revocation constitute a pattern of violations;
 - (B) the willfulness of the violations; or
 - (C) whether the violations were caused by the unwarranted failure of the permittee to comply with IC 13-4.1 before its repeal, IC 14-34, 312 IAC 25, or any permit condition required by IC 13-4.1 before its repeal, IC 14-34, or 312 IAC 25.
- (2) All mitigating factors the permittee believes exist in determining the terms of the revocation or the length and terms of the suspension.
- (3) Any other alleged relevant facts.
- (4) Whether a hearing on the order of permit suspension or revocation is desired.

(e) If a petition for review is not filed by the permittee under subsection (d), the order of permit suspension or revocation shall become an effective and final order of the commission without a proceeding pursuant to IC 14-34-15-7(c).

(f) If a petition for review is filed by the permittee under subsection (d) and a hearing on the order is sought by the permittee, the matter shall be assigned to an administrative law judge for a proceeding under IC 4-21.5-3. The proceeding is commenced when the permittee files a petition for review under subsection (d). In a hearing conducted under this section, the director has the burden of going forward with evidence demonstrating that the permit in question should be suspended or revoked. The director satisfies the burden under this subsection upon establishing a prima facie case that:

- (1) a pattern of violations of:
 - (A) any requirements of IC 13-4.1 before its repeal, IC 14-34, 312 IAC 25; or
 - (B) any permit conditions required under IC 13-4.1 before its repeal, IC 14-34, or 312 IAC 25;
 exists or has existed; and
- (2) the violations were:
 - (A) willfully caused by the permittee; or
 - (B) caused by the unwarranted failure of the permittee to comply with:
 - (i) any requirements of IC 13-4.1 before its repeal, IC 14-34, 312 IAC 25; or
 - (ii) any permit conditions required under IC 13-4.1 before its repeal, IC 14-34, or 312 IAC 25.

If the director demonstrates that the permit in question should be suspended or revoked, the permittee has the ultimate burden of persuasion to show cause why the permit should not be suspended or revoked. A permittee may not challenge the fact of any violation that is the subject of a final order of the director.

(g) Upon a determination by the administrative law judge that a pattern of violations exists or has existed, the administrative law judge shall issue a nonfinal order that does the following:

- (1) Considers the factors set forth in 312 IAC 25-7-7.
- (2) Need not find that all of the violations listed in the order of permit suspension or revocation occurred, but only that sufficient violations occurred to establish a pattern.
- (3) Complies with the requirements of IC 4-21.5-3-27(a) through IC 4-21.5-3-27(d) and IC 4-21.5-3-27(g). The provisions of IC 4-21.5-3-27(e) and IC 4-21.5-3-27(f) shall not apply to permit suspension or revocation procedures.
- (4) May, at any time prior to the conclusion of the hearing of record, allow the parties to submit briefs and proposed findings.
- (h) The nonfinal order of the administrative law judge shall be submitted to the commission:
 - (1) Within ten (10) days following the date that the hearing of record is closed by the administrative law judge.
 - (2) Within ten (10) days of the receipt of the permittee's petition for review submitted under subsection (d) if no hearing is requested by any party and the administrative law judge determines that no hearing is necessary.
- (i) To preserve for judicial review an objection to the nonfinal order of an administrative law judge, a party must object to the findings and nonfinal order in writing that:

- (1) identifies the bases of the objection with reasonable particularity; and
- (2) is filed with the commission within fifteen (15) days after the findings and nonfinal order are served on the party.

(j) After an administrative law judge issues a nonfinal order under subsection (g), the commission shall enter a final order affirming, modifying, or vacating the order of permit suspension or revocation. The final order of the commission shall be entered within forty-five (45) days following the issuance of the nonfinal order. The final order of the commission shall be issued within:

- (1) sixty (60) days following the date that the hearing of record is closed by the administrative law judge; or
- (2) sixty (60) days following the administrative law judge's receipt of the permittee's petition for review filed under subsection (d) if no hearing was requested by any party and the administrative law judge determined that no hearing was necessary.

(k) If the permit is suspended, the minimum suspension period shall be three (3) working days unless the commission finds that imposition of the minimum suspension period would result in manifest injustice and would not further the purposes of:

- (1) IC 13-4.1 before its repeal, IC 14-34, 312 IAC 25; or
- (2) any permit condition required by IC 13-4.1 before its repeal, IC 14-34, or 312 IAC 25.

The commission may impose preconditions to be satisfied prior to the suspension being lifted.

(l) The commission shall serve the parties with a copy of the final order of the commission as provided in IC 4-21.5-3-28. Following notification under this subsection, a party may apply for judicial review under IC 4-21.5 of any matter determined under this section. *(Natural Resources Commission; 312 IAC 3-1-5; filed Feb 5, 1996, 4:00 p.m.: 19 IR 1317; filed Feb 7, 2000, 3:31 p.m.: 23 IR 1363; readopted filed Oct 2, 2002, 9:10 a.m.: 26 IR 546; errata filed May 7, 2008, 10:49 a.m.: 20080521-IR-312080333ACA; readopted filed Jul 21, 2008, 12:16 p.m.: 20080813-IR-312080052RFA)*

Leave shall be granted where justice requires.

(b) If the claim or defense asserted in the amended pleading arose out of the conduct, transaction, or occurrence set forth or attempted to be set forth in the original pleading, the amendment relates back to the date of the original pleading. *(Natural Resources Commission; 312 IAC 3-1-6; filed Feb 5, 1996, 4:00 p.m.: 19 IR 1319; readopted filed Oct 2, 2002, 9:10 a.m.: 26 IR 546; readopted filed Jul 21, 2008, 12:16 p.m.: 20080813-IR-312080052RFA)*

312 IAC 3-1-12 Relief under IC 4-21.5-3-28 through IC 4-21.5-3-31, including disposition of objections to nonfinal orders of administrative law judge; commission objections committee

Authority: IC 14-10-2-4; IC 4-21.5-3-28
 Affected: IC 4-21.5-1-6; IC 4-21.5-3; IC 14-10-1-1; IC 25

Sec. 12. (a) This section governs relief under IC 4-21.5-3-28 through IC 4-21.5-3-31, including the disposition of objections under IC 4-21.5-3-29.

(b) A party who wishes to contest whether objections provide reasonable particularity shall move, in writing, for a more definite statement. The administrative law judge may rule upon a motion filed under this subsection, and any other motion filed subsequent to the entry of the nonfinal order by the administrative law judge, and enter an appropriate order (including removal of an item from the commission agenda).

(c) If objections are timely filed, the objections shall be scheduled for argument before the commission committee established by subsection (d), simultaneously with the presentation by the administrative law judge of findings, conclusions, and a nonfinal order. Unless otherwise ordered by the commission committee, argument shall not exceed ten (10) minutes for each party and twenty (20) minutes for each side.

(d) For the review of objections, and to consider any other appropriate relief under IC 4-21.5-3-28 through IC 4-21.5-3-31, the chair of the commission shall appoint a committee consisting of at least three (3) members of the commission. To the extent practicable, the chair shall include persons on the committee who are licensed to practice law in Indiana. The chair shall announce the members of the committee during the first meeting of the commission held in a calendar year. The chair may supplement or modify the membership of the committee, as needed for the efficient conduct of the proceedings, during the course of the year. A member of the committee may serve through a designate where a designate is authorized under IC 14-10-1-1. A final determination by the committee is a final agency action of the commission under IC 4-21.5-1-6.

(e) At least ten (10) days before oral argument is scheduled on objections filed under subsection (c), a nonparty may file a brief with the commission committee. A copy of the brief must be served upon each party. The brief must not be more than five (5) pages long and cannot include evidentiary matters outside the record. Unless otherwise ordered by the commission committee, a nonparty may also present oral argument for not more than five (5) minutes in support of the brief. If more than one (1) nonparty files a brief, the administrative law judge shall order the consolidation of briefs if reasonably necessary to avoid injustice to a party. A nonparty who has not filed a brief at least ten (10) days before oral argument is first scheduled on objections may participate in the argument upon the stipulation of the parties.

(f) Upon the written request of a party filed at least forty-eight (48) hours before an oral argument to consider objections, the commission committee shall provide the services of a stenographer or court reporter to record the argument.

(g) If objections are not filed, the secretary of the commission may affirm the findings and nonfinal order. The secretary has exclusive jurisdiction to affirm, remand, or submit to the commission for final action, any findings and nonfinal order subject to this subsection. No oral argument will be conducted under this subsection unless ordered by the secretary.

(h) A party may move to strike all or any part of objections, a brief by a nonparty, or another pleading under this section that the party believes does not comply with this section. The administrative law judge shall act upon a motion filed under this subsection by providing relief that is consistent with IC 4-21.5 and this rule. *(Natural Resources Commission; 312 IAC 3-1-12; filed Feb 5, 1996; 4:00 p.m.: 19 IR 1320; filed Oct 19, 1998, 10:12 a.m.: 22 IR 749; readopted filed Oct 2, 2002, 9:10 a.m.: 26 IR 546; filed May 27, 2003, 12:30 p.m.: 26 IR 3323; readopted filed Jul 21, 2008, 12:16 p.m.: 20080813-IR-312080052RFA)*

312 IAC 3-1-13 Awards of litigation expenses for specified proceedings

Authority: IC 14-10-2-4

Affected: IC 4-21.5; IC 14-22-26-5; IC 14-24-11-5; IC 14-34-15-10; IC 14-37-13-7

Sec. 13. (a) This section governs an award of costs and expenses reasonably incurred, including attorney fees, under IC 14-22-26-5, IC 14-24-11-5, IC 14-34-15-10, or IC 14-37-13-7.

(b) Except as otherwise provided in this subsection, no award for costs and expenses, including attorney fees, shall be entered under IC 14-22-26-5, IC 14-24-11-5, or IC 14-37-13-7 unless there is a finding that the person against whom the award is made acted for the purpose of harassing or embarrassing an opposing party. The department may obtain an award for reasonable expenses incurred to seize and hold an animal, without a showing of harassment or embarrassment, if the department prevails under IC 14-22-26.

(c) Costs and expenses may be awarded from the department to any person, other than a permittee or the permittee's authorized representative, who initiates or participates in a proceeding under IC 14-37-13-7, and who prevails in whole or part, achieving at least some degree of success on the merits, upon a finding that the person made a substantial contribution to a full and fair determination of the issues.

(d) Appropriate costs and expenses, including attorney fees, may be awarded under IC 14-34-15-10 only as follows:

(1) To any person from the permittee if the person initiates or participates in an administrative proceeding reviewing enforcement and a finding is made by the administrative law judge or commission that:

(A) a violation of IC 14-34, a rule adopted under IC 14-34, or a permit issued under IC 14-34 has occurred or that an imminent hazard existed; and

(B) the person made a substantial contribution to the full and fair determination of the issues.

However, a contribution of a person who did not initiate a proceeding must be separate and distinct from the contribution made by a person initiating the proceeding.

(2) To a person from the department, other than to a permittee or the permittee's authorized representative, who initiates or participates in a proceeding and who prevails in whole or in part, achieving at least some degree of success on the merits, upon a finding that the person made a substantial contribution to a full and fair determination of the issues.

(3) To a permittee from the department if the permittee demonstrates that the department issued a cessation order, a notice of violation, or an order to show cause why a permit should not be suspended or revoked in bad faith and for the purpose of harassing or embarrassing the permittee.

(4) To a permittee from a person where the permittee demonstrates that the person initiated a proceeding under IC 14-34-15 or participated in the proceeding in bad faith for the purpose of harassing or embarrassing the permittee.

(5) To the department where it demonstrates that a person sought administrative review or participated in a proceeding in bad faith and for the purpose of harassing or embarrassing the department.

(e) The commission may order a person requesting a hearing to pay the cost of the court reporter if the person requesting the hearing fails, after proper notice, to appear at the hearing.

(f) In determining what is a reasonable amount of attorney fees under subsection (b), consideration shall be given to the following factors:

(1) The nature and difficulty of the proceeding.

(2) The time, skill, and effort involved.

(3) The fee customarily charged for similar legal services.

(4) The amount involved in the proceeding.

(5) The time limitations imposed by the circumstances.

(6) For a party represented by an attorney who is a full-time, salaried employee of the party, consideration also shall be given to the prorated cost of:

(A) the salary of the attorney and clerical or paralegal employees of the party who assisted the attorney; and

(B) their employee benefits attributable to the time devoted to representation.

(g) A party who wishes to seek litigation expenses must petition the director within thirty (30) days after the party receives notice of the final agency action. A party wishing to challenge the petition for an award must deliver a written response to the director within fifteen (15) days of service of the petition. If a petition and challenge are delivered to the director under this subsection, the director shall refer the matter to the division of hearings of the commission for the conduct of a proceeding under IC 4-21.5.  Affected: IC 14; IC 25-17.6; IC 25-31.5

Sec. 14. (a) The commission (or, for administrative review of orders under IC 25-17.6, the Indiana board of licensure for professional geologists or under IC 25-31.5, the Indiana board of registration for soil scientists) shall employ and engage the services of a stenographer or court reporter, either on a full-time or a part-time basis, to record evidence taken during a hearing.

- (b) A party may obtain a transcript of the evidence upon a written request to the administrative law judge.
- (c) The party who requests a transcript under subsection (b) shall pay the cost of the transcript:
 - (1) as billed by the court reporting service; or
 - (2) if the transcript is prepared by an employee of the commission, as determined from time to time by the commission on a per page basis after consideration of all expenses incurred in the preparation of the transcript.

(d) For a proceeding in which the commission or its administrative law judge is the ultimate authority, a court reporter who is not an employee of the commission will be engaged to record a hearing upon a written request by a party filed at least forty-eight (48) hours before a hearing. Authority: IC 14-10-2-4
 Affected: IC 4-21.5-3-5; IC 14-21-1; IC 25

Sec. 15. (a) A person may, in writing, request the department to interpret a statute or rule administered by the department as applicable to a specific factual circumstance. The request must:

- (1) describe with reasonable particularity all relevant facts;
- (2) cite with specificity the statutory or rule sections in issue;
- (3) identify any other person who may be affected by a determination of the request; and
- (4) describe the relief sought.

(b) The director, the director's delegate, or the state historic preservation review board (for an action controlled by IC 14-21-1) may, within forty-five (45) days, provide a written response to the request. The response may set forth an interpretation based upon the information provided in the request or may specify additional information needed to respond to the request. If additional information is specified, an additional forty-five (45) days is provided to the department in which to respond.

(c) If the department does not respond within the periods described in subsection (b), a general denial of the request is deemed to have resulted.

(d) If the person seeking the request under subsection (a) is aggrieved by the response of the department under subsection (b) or a general denial under subsection (c), that person may file a petition for administrative review under IC 4-21.5-3. The response constitutes a determination of status under IC 4-21.5-3-5(a)(5).

(e) This section does not excuse a person from a requirement to exhaust another administrative remedy provided by statute or rule. A person may not under this section void or modify a final order entered by the department in another proceeding. A request under this section does not toll or extend any time limitation imposed on the availability of another administrative remedy. A final order of the department under this section, which follows a contested proceeding under IC 4-21.5-3, provides the same precedent as a final order following any other contested proceeding under IC 4-21.5-3. (b) A motion to continue a hearing because of the absence of evidence must be made upon affidavit and must show:

- (1) the materiality of the evidence expected to be obtained;
- (2) that due diligence has been used to obtain the evidence;
- (3) where the evidence may be; and

 - (A) the name and residence of the witness, if known;
