Rule 2. Accreditation

848 IAC 1-2-1 Opening a program

Authority: IC 25-23-1-7

Affected: IC 25-23-1

Sec. 1. (a) A controlling organization wishing to open a state accredited nursing program shall submit a letter of intent to the board six (6) months prior to the anticipated admission of its first group of students, which shall include the following:

(1) Expansion plans of the existing programs within a fifty (50) mile radius.

(2) Nursing manpower studies documenting the need for the program.

(b) The controlling organization shall submit a completed application on forms provided by the board and shall request a personal appearance before the board. The application shall include documented evidence of resources and needs necessary to start a program. This documentation shall include the following:

(1) Availability of qualified faculty.

(2) Budgeted faculty positions.

(3) Availability of adequate clinical facilities for the program.

(4) Availability of adequate academic facilities for the program.

(5) Evidence of financial resources adequate for the planning, implementation, and continuation of the program.

(c) The board shall meet with representatives of the controlling organization for review of documented evidence of need.

(d) The board requires that a program in nursing in a state assisted college or university be authorized by the Indiana commission for higher education.

(e) Prior to the board meeting, the proposed program site shall be visited by a representative of the board or a survey visitor appointed by the board, or both. The visitors shall meet with administrative personnel of the controlling institution and shall examine the academic and clinical facilities in terms of appropriateness for the implementation of the proposed program in nursing.

(f) After the meeting with the controlling organization, the board shall approve or disapprove the application for initial accreditation upon evidence:

(1) submitted in the application;

(2) presented at the meeting; and

(3) collected on the survey visit.

(g) If the program is approved for initial accreditation, the board shall stipulate the following:

(1) The maximum class size for the first year.

(2) The maximum number of classes to be admitted during the first year.

(3) Approved clinical facilities for the first year.

(4) The number and qualifications of nursing faculty.

(h) A second site visit shall be made by a representative of the board or a survey visitor appointed by the board, or both, at the

end of the first year of the operation of the new program and again prior to granting full accreditation. 848 IAC 1-2-2 Closing a program

Authority: IC 25-23-1-7

Affected: IC 25-23-1

Sec. 2. (a) Within thirty (30) days of a decision to close a state accredited nursing program, the controlling organization shall send a written notice to the board.

(b) The minimum legal standards for accreditation shall be maintained until the last student completes or leaves the program.

(c) The controlling organization shall be responsible for assisting students to transfer to accredited programs.

(d) The controlling organization shall provide for the safekeeping and accessibility of the program records of former students and graduates of the program. Plans for future custody of the records shall be documented in writing to the board. (*Indiana State Board of Nursing; 848 IAC 1-2-2; filed Jul 30, 1998, 4:59 p.m.: 21 IR 4527; readopted filed Nov 6, 2001, 4:18 p.m.: 25 IR 939; readopted filed Jul 19, 2007, 12:54 p.m.: 20070808-IR-848070058RFA*)

848 IAC 1-2-3 Purpose for accreditation

Authority: IC 25-23-1-7

Affected: IC 25-23-1-7

Sec. 3. The purpose for accreditation shall be as follows:

(1) To ensure the safe practice of nursing by setting legal standards for the programs preparing the practitioner.

(2) To certify minimal educational standards and practices for the preparation of:

(A) registered nurses; and

(B) licensed practical nurses.

(3) To assist in developing the programs of nursing education in accordance with sound social, educational, and professional principles.

(4) To ensure continuous evaluation and improvement of educational programs in nursing.

(5) To keep the public informed by publishing a list of the institutions that conduct accredited programs of nursing education.

(*Indiana State Board of Nursing; 848 IAC 1-2-3; filed Jul 30, 1998, 4:59 p.m.: 21 IR 4527; readopted filed Nov 6, 2001, 4:18 p.m.: 25 IR 939; readopted filed Jul 19, 2007, 12:54 p.m.: 20070808-IR-848070058RFA*)

848 IAC 1-2-4 Eligible programs

Authority: IC 25-23-1-7

Affected: IC 25-23-1-7

Sec. 4. Eligible programs for purposes of accreditation shall be as follows:

(1) Registered nurse programs that prepare students for registered nurse licensure. The program shall award an associate's degree in nursing or a baccalaureate degree with a major in nursing or a diploma in nursing.

(2) Practical nursing programs that prepare students for practical nurse licensure. The program shall award a diploma or certificate in practical nursing.

848 IAC 1-2-5 Accreditation status

Authority: IC 25-23-1-7

Affected: IC 25-23

Sec. 5. (a) Initial accreditation shall be granted to a new program that meets the regulations for opening a nursing program until the first class graduates.

(b) Full accreditation shall be granted to a program following the initial accreditation, providing it meets the following regulations for Indiana accredited programs in nursing:

(1) Criteria indicating a program's successful attainment of state standards shall include the rate of successful completion of the National Council Licensure Examination (NCLEX). If a program's annual rate of successful completion of the NCLEX is lower than one (1) standard deviation below the average national pass rate for first time U.S. educated and U.S. territory candidates for three (3) consecutive years, the program shall submit a report to the board outlining the following:

(A) Results of the faculty's review of factors that may have contributed to the low pass rate, including, but not limited to, the following:

- (i) Curriculum content.
- (ii) Curriculum design.
- (iii) Outcome evaluation.
- (iv) Admission policies.
- (v) Progression policies.
- (vi) Graduation policies and annual number of graduates for the period in question.
- (vii) Factors of graduate performance documented by faculty to be outside the control of the program.

(B) The faculty's plan for correction with identified implementation dates and expected levels of achievement for any identified problems as result of evaluation.

(2) If the program's next annual rate of successful completion of the NCLEX is lower than one (1) standard deviation below the average national pass rate for first time U.S. educated and U.S. territory candidates, the board shall send a surveyor to review the program's ability to comply with this article. After review of the survey visit report and a meeting with the program representatives, the board shall determine the accreditation status.

(3) The accreditation status shall be communicated to the program in writing.

(c) Conditional accreditation shall be granted to a program that fails to maintain the legal requirements for accreditation. Written notification from the board shall specify requirements to be met in order to comply with accreditation standards and a definite amount of time that will be given for the program to meet this article.

(d) The program shall be revisited by a representative of the board or a survey visitor appointed by board, or both, and be given an opportunity for a hearing before accreditation is withdrawn. Withdrawal of accreditation may occur if the program, which has been placed on conditional accreditation, fails to prove compliance with IC 25-23, this title, and any additional requirements imposed by the board. The program shall assist students in transferring to accredited programs. A program with accreditation that has been withdrawn may apply for reinstatement by following the procedure established in section 1 of this rule. 848 IAC 1-2-6 Survey visits

Authority: IC 25-23-1-7

Affected: IC 25-23-1-21

Sec. 6. (a) All programs with full accreditation status shall be visited at regular intervals as determined by the board. The survey visitor or visitors shall evaluate the program's ability to meet the requirements of this article and prepare a written report for review and action by the board. Visits shall be conducted under impartial and objective conditions.

(b) The written report of the survey visit to the educational program is submitted to the director for review to permit comments for clarification by the director prior to board action.

(c) The final survey report accompanied by a written report of board action shall be sent to the administrative officer of the controlling agency. A copy shall be sent simultaneously to the director of the program.

(d) An institution used as a clinical facility for students may be visited by a representative or representatives of the board as part of the program survey.

(e) In lieu of a regular cycle survey visit, the board may elect to accept the results of an accreditation survey visit by a nationally recognized accrediting organization of nursing education, such as the accrediting organization recognized by the U.S. Department of Education or the Council for Higher Education Accreditation. The program of nursing shall file:

- (1) the response by the program to the survey visitors; and
- (2) the final report including the action taken by the nationally recognized accrediting organization of nursing education

programs.

(b) Information shall include the following:

(1) The official name of the program.

(2) The organizational chart of the contracting agency.

(3) The names of administrative officials.

(c) The new controlling organization shall submit any change in curriculum to the board for approval prior to implementation. *(Indiana State Board of Nursing; 848 IAC 1-2-8; filed Jul 30, 1998, 4:59 p.m.: 21 IR 4528; readopted filed Nov 6, 2001, 4:18 p.m.: 25 IR 939; filed Sep 13, 2004, 9:45 a.m.: 28 IR 596; readopted filed Jul 19, 2007, 12:54 p.m.: 20070808-IR-848070058RFA)*

848 IAC 1-2-8.5 Transfer of program to another controlling organization

Authority: IC 25-23-1-7

Affected: IC 25-23-1-7

Sec. 8.5. (a) A controlling organization transferring a state accredited nursing program from its control to that of another controlling organization shall submit to the board, in writing, within sixty (60) days of the decision to transfer the following:

(1) The terms and conditions or contractual arrangements of the transfer.

(2) The plan identifying the actions being taken to maintain the minimum legal standards for accreditation until completion of the transfer.

(3) The plan for student notification and program completion requirements.

(4) The plan to assist students to transfer to another accredited program if requested by a student.

(5) The provisions for the record retention and accessibility of former students and graduates of the program and the plan for future custody of those records.

(b) The controlling organization accepting the transfer of control shall submit documented evidence of resources necessary to support the program within sixty (60) days of the decision to accept the transferring program. This documentation shall include the following:

(1) Availability of qualified faculty.

(2) Budgeted faculty positions and faculty-student ratio.

(3) Availability of adequate clinical facilities for the program.

(4) Availability of adequate academic facilities for the program.

(5) Evidence of financial resources adequate for the implementation and continuation of the program.

(c) The board shall meet with representatives of both controlling organizations for review of documented evidence of agreements and resources.

(d) The board requires that a program in nursing in a state assisted college or university be authorized by the Indiana commission for higher education to transfer control from one (1) state assisted college or university to another state assisted college or university.

(e) Prior to board hearing and approval, the controlling organization accepting the program may be visited by a representative of the board or a survey visitor appointed by the board. The visitor shall meet with administrative personnel of the controlling organization accepting the program and shall examine the academic and clinical facilities in terms of appropriateness for the implementation of the program in nursing.

(f) After the hearing with the controlling organization accepting the transfer, the board shall approve or disapprove the transfer based upon evidence:

(1) submitted in the notification of transfer;

(2) presented at the hearing; and

(3) collected on the survey.

(g) The new controlling organization shall submit any change in curriculum to the board for approval prior to implementation. *(Indiana State Board of Nursing; 848 IAC 1-2-8.5; filed Sep 13, 2004, 9:45 a.m.: 28 IR 596; readopted filed Jul 19, 2007, 12:54 p.m.: 20070808-IR-848070058RFA)*

Authority: IC 25-23-1-7

Affected: IC 25-23-1-7

Sec. 10. (a) Responsibility for developing and implementing the program in nursing shall be placed in the faculty of the nursing education unit.

(b) The institution shall have an effective plan of organization and administration appropriate to the purpose and implementation of the instructional program in nursing. There shall be an organizational chart of the:

(1) institution indicating the place of the nursing program; and

(2) nursing program.

(c) There shall be a controlling body that recognizes the program in nursing as an educational program and delegates authority to the chief administrative officer of the institution who, in turn, delegates authority to the program director.

(d) When a program director resigns, it is the responsibility of the administration of the controlling organization to inform the board in writing within thirty (30) days of notification of the following:

(1) Intended resignation.

(2) Effective date.

(3) Plans for filling the position.

(e) The program in nursing shall be assured of stable, financial resources adequate for and effectively allocated to support its educational activities. There shall be a budget prepared in accordance with sound educational and financial practices. The financial statement shall give a clear picture of the status of the program. The program director, with documentation of faculty input, shall have the following responsibilities relating to the financial operation of the program in nursing:

- (1) Preparing the budget for one (1) year in advance of the fiscal period and recommending it to the proper authorities.
- (2) Controlling the use of the approved budget through an accurate system of records.
- (3) Reviewing financial reports routinely and making necessary revisions.
- (4) Consulting with proper authorities within the institution in regard to interpretation, preparation, and implementation of the budget.

Sec. 12. (a) The program in nursing shall provide and maintain a qualified faculty. The general qualifications for all nurse faculty members shall include the following:

- (1) Graduation from an approved program of nursing accepted by the board.
 - (2) Current, unencumbered registered nurse licensed in Indiana.
- (b) The personnel policies for faculty members shall be defined in writing.
- (c) Faculty, other than registered nurses, who teach nonclinical nursing courses, including, but not limited to:
- (1) issues and trends;
 - (2) nutrition;

- (3) research;
- (4) management; and
- (5) statistics;

shall hold master's degrees in areas appropriate to the responsibilities inherent in the position.

(d) Clinical preceptorships may be used for the clinical experiences of students. When clinical preceptors are used, the following conditions shall be met:

- (1) Written agreements between the cooperating agency and nursing program shall delineate the functions and responsibilities of the parties involved.
- (2) Criteria for selecting clinical preceptors shall be developed and in writing.
- (3) The clinical preceptors shall have the following minimum qualifications:
 - (A) Current licensure as a registered nurse.
 - (B) Three (3) years of experience as a registered nurse.
- (4) Written clinical objectives shall be specific and shared with the clinical preceptor prior to the experience.
- (5) The designated faculty member shall:
 - (A) be responsible for the learning experience of each student; and
 - (B) meet with each clinical preceptor and student for the purpose of monitoring and evaluating the learning experience.
- (6) The designated faculty member shall be available by phone or in person when students are in the clinical area.
- (7) A faculty member shall be responsible for coordinating the clinical preceptorships of no more than ten (10) students.

848 IAC 1-2-16 Curriculum; all programs

Authority: IC 25-23-1-7

Affected: IC 25-23-1-7

Sec. 16. (a) The:

- (1) development;
- (2) implementation;
- (3) evaluation; and
- (4) revision;

of the curriculum shall be the responsibility of the nursing faculty and shall be based on the stated philosophy and objectives of the program.

(b) The program shall provide an opportunity for the student to learn:

- (1) facts;
- (2) principles;
- (3) concepts; and
- (4) skills;

which ensure that each graduate meets the minimal qualifications essential for safety to practice as a licensed nurse.

(c) There shall be concurrent didactic instruction and clinical experiences in the care of patients from all age groups except when students repeat courses for failing or withdrawal. Those students may repeat the failed course by itself without also repeating the concurrent course.

(d) The clinical experiences shall be determined by the philosophy, mission, and objectives of the program.

(e) Classroom and clinical experiences shall be the responsibility of program faculty.

(f) Observational experiences shall be determined by the philosophy, mission, and objectives of the program. As used in this subsection, "observational experiences" means those experiences in which the student is in the role of observer. Observational experiences shall be:

- (1) planned for and guided by the faculty, but may not require direct supervision; and
- (2) included in the program's annual report to the board.

(g) There shall be an outline of the total curriculum showing the placement of courses according to:

- (1) year and semester or term;
- (2) the ratio of credits to hours; or
- (3) the total number of hours.

(h) The school year shall be divided into definite terms with dates set for the beginning and ending of each. The dates shall be communicated to the students at the beginning of the academic year.

(i) Board approval shall be granted prior to the initiation of any major curriculum change. If the change is minor, in that it does not substantially alter the curriculum, it shall be reported to the board in writing in the program's annual report to the board.

(j) A major change, which would require the board's approval prior to implementation, includes the following:

- (1) Major changes in philosophy, mission, or objectives.
- (2) The number of credits required for successful completion of the program or the major in nursing.
- (3) The number and type of general education courses.
- (4) Relocation of the program or any of its components.
- (5) Change in required clinical hours.
- (6) Admission times.
- (7) Progression options.
- (8) Additions of satellite locations.

(k) There shall be a systematic written plan for program evaluation that is ongoing according to the time frame specified by the faculty. The findings from the systematic evaluation shall be used for development, maintenance, and revision of the program components. The written plan shall include, but is not limited to, the following:

- (1) Philosophy, mission, and objectives of the nursing education program.
- (2) Expected knowledge, skills, and abilities of the graduates.
- (3) Teaching and learning experiences.
- (4) Student evaluation of courses.
- (5) Instructor evaluation of students.
- (6) Pass rates on licensure examination.
- (7) Follow-up studies of graduates' evaluation of the program of learning.
- (8) Employment performance of graduates.
