

ARTICLE 3. COUNTY JAIL STANDARDS

Rule 1. Maintenance of County Jails

210 IAC 3-1-1 Definitions

Authority: IC 11-8-2-5; IC 11-12-4-1

Affected: IC 11-8-2-1; IC 11-12-4-2

Sec. 1. (a) "Administrative segregation" means the physical separation of inmates who are:

- (1) determined to be mentally ill;
- (2) escape prone;
- (3) assaultive or violent;
- (4) undergoing a disciplinary investigation; or
- (5) likely to need protection from other inmates;

where separation is determined to be necessary in order to protect the welfare of prisoners and staff.

(b) "Arrestee" means a newly detained inmate awaiting arraignment.

(c) "Bed" means a permanently installed fixture used for sleeping that is elevated at least twelve (12) inches off the floor.

(d) "Chronic care" means medical service rendered to an inmate over a long period of time, for example, but not limited to, the treatment of:

- (1) diabetes;
- (2) asthma; or
- (3) epilepsy.

(e) "Commissioner" means the chief executive of the department.

(f) "Contraband" means property that, if in possession of an arrestee or inmate, is a violation of Indiana or federal law.

(g) "Convalescent care" means medical service rendered to an inmate to assist in the treatment of illness or injury.

(h) "Department" means the department of correction established under IC 11-8-2-1.

(i) "Director, detention services" means the staff member appointed as the commissioner's designee and agent who shall do the following:

- (1) Supervise the jail inspectors.
- (2) Oversee the inspection of all jails.
- (3) Ensure reports are properly prepared and distributed.
- (4) Provide technical assistance to counties upon request.

(j) "Disciplinary segregation" means the assigned status of an inmate, as a consequence or means of control for violation of jail rules, following due process protections, including a hearing and the right to present a defense or a guilty plea by the inmate, which consists of confinement in a cell, room, or other housing unit separate from inmates who are not on disciplinary segregation status.

(k) "Disturbance" means any unauthorized inmate activity that disrupts the normal operation of a jail.

(l) "Emergency care" means care for an acute illness or unexpected health care need that cannot be deferred until the next scheduled sick call or physician's visit.

(m) "Indigent" means any inmate with a balance below the amount established by the sheriff in the inmate's trust account.

(n) "Inmate" means a person who is confined in a jail.

(o) "Inspection" means an on-site visit to a jail by an inspector serving as an agent of the commissioner.

(p) "Jail" means any secure county operated or privately contracted detention facility used to confine arrestees and inmates.

(q) "Jail administrator", unless expressly stated otherwise, means a sheriff or another individual who has been assigned, designated, or delegated full-time responsibility and authority for the administration and operation of the jail by the sheriff.

(r) "Jail officer" means a sheriff's employee whose primary duties are the daily or ongoing supervision of inmates.

(s) "Major disturbance" means a disruption in the normal operation of the jail that threatens:

- (1) staff control of the inmates; or
- (2) the safety or security of the jail.

(t) "Medically trained personnel" means those jail staff that have been trained by the appropriate health care provider, to perform a specific medical function that does not require an independent medical judgment.

COUNTY JAIL STANDARDS

(u) "Medical preventive maintenance" means health education, medical services, and instruction in self-care for chronic conditions.

(v) "Notice of noncompliance" means the report prepared and distributed by the jail inspector, which shall be deemed as statutory notice of noncompliance in accordance with IC 11-12-4-2.

(w) "Obscene materials" means material that, to the average person when applying contemporary standards, appeals to the prurient interest, which depicts or describes sexual conduct that, when taken as a whole, lacks serious literary, artistic, political, or scientific value.

(x) "Operational capacity" means the total number of beds, including those located in temporary holding areas such as the following:

(1) Booking.

(2) Segregation.

(3) Medical.

(y) "Crowding" means the total number of inmates exceeds the capacity of a jail.

(z) "Policy" means a statement declaring the following:

(1) Mission.

(2) Purpose.

(3) Ideological position.

(aa) "Procedure" means a statement establishing the action plan to accomplish the policy.

(bb) "Prohibited property" means property, other than contraband:

(1) the sheriff does not permit an inmate to possess;

(2) that exceeds the quantity of authorized property; or

(3) that is the personal or authorized property of another inmate.

Property that an inmate is otherwise permitted to possess may become prohibited property if it has been altered or due to the means by which it is possessed or used.

(cc) "Physician" means an individual holding a license to practice medicine in Indiana.

(dd) "Publishers only rule" means the material mailed to an inmate directly from the publisher, distributor, or an accredited institution of higher learning.

(ee) "Qualified medical personnel" means individuals engaged in the delivery of a medical or health care service who have been licensed, certified, or otherwise properly qualified under the laws of Indiana applicable to that particular service.

(ff) "Rated bed capacity" means the total number of permanently installed beds.

(gg) "Secured perimeter" means that portion of a jail in which inmates are secured and inmate movement is controlled by staff.

(hh) "Strip search" means the purposeful observation of the unclothed body, based on reasonable suspicion, for the purpose of:

(1) detecting contraband; or

(2) deterring the introduction of contraband into the jail.

(ii) "Temporary holding" means the status assigned to the following:

(1) Newly admitted inmates.

(2) Inmates in padded cells and detoxification cells.

(jj) "Unusual occurrence" means any significant incident or disruption of normal jail procedures, policies, routines, or activities, such as the following:

(1) A fire.

(2) A riot.

(3) A natural disaster.

(4) A suicide.

(5) An escape.

(6) An assault.

(7) A medical emergency.

(8) A hostage taking.

210 IAC 3-1-2 Administration and organization

Authority: IC 11-8-2-5; IC 11-12-4-1

Affected: IC 11-12-4-1

Sec. 2. (a) Each jail shall be managed by a jail administrator, supervised by the sheriff, to whom all employees or units of management are responsible.

(b) Each sheriff shall prepare and submit, not later than March 31 after the conclusion of each calendar year, a written report setting forth the annual statistical data and the extent and availability of services and programs to inmates identifying major events that have occurred in the jail and unfunded operational needs. The report shall be directed to the circuit court judge, and copies shall be provided to the state jail inspector, president of the county council or city-county council, prosecutor, and president of the board of commissioners. The report shall also be provided to the county auditor and be maintained as a public record. At a minimum, the report shall include the following:

- (1) The total number of beds.
- (2) The total number of bookings with at least the top ten (10) identified by offense.
- (3) The average daily inmate population.
- (4) The total number of jail and in-custody deaths by type (suicide, natural causes, homicide) with a summary of each occurrence.
- (5) The number of escapes.
- (6) The total number of juveniles booked into the jail via waiver or direct file.
- (7) The availability of services provided at the jail.
- (8) A statement on the adequacy of jail staffing levels.
- (9) A statement on the maintenance and upkeep of the jail.
- (10) Unfunded needs and projects essential to jail operation and maintenance.
- (11) The average length of stay, for all inmates housed in the jail as of December 31, of the preceding year.

(c) Each sheriff shall develop and maintain a manual of policies and procedures that shall guide the operation of the jail. This manual shall be sheriff's office property. All policies and procedures must be in writing and bear the signature approval of the sheriff. The sheriff shall encourage the participation of other community agencies in the development of policy for the jail through coordinated planning and interagency consultation. The advice and consultation of the sheriff's staff should also be included in the development of policies and procedures for each jail. The manual shall be updated as needed, reviewed annually, and documented with the sheriff's signature page in the manual. The manual shall be made available to all jail staff. It shall include, but not be limited to, the following:

- (1) A statement of the:
 - (A) mission;
 - (B) philosophy;
 - (C) goals; and
 - (D) purposes;of the jail.
- (2) Operations and maintenance of the jail.
- (3) Organizational staff and program structure of the jail.
- (4) A procedure for the monitoring of operations and programs through required inspections and reviews.
- (5) A system of written reports to the sheriff or jail administrator, at the sheriff's request, regarding the normal operation of the jail, including, at a minimum, the following:
 - (A) Information on major development.
 - (B) Serious incidents.

- (C) Population data.
- (D) Staff and inmate morale.
- (E) Major problems and proposed plans to resolve them.

(6) Staff training and professional development.

Authority: IC 11-8-2-5; IC 11-12-4-1
Affected: IC 11-12-4-1

Sec. 5. (a) Each sheriff shall establish a written training and staff development plan for all jail employees. This plan shall be:

- (1) based on the jail's manual of policies and procedures; and
- (2) evaluated and revised as needed annually.
- (b) Each new jail officer, including part-time staff, shall receive the following:
 - (1) A minimum of eighty (80) hours of orientation and training at the jail prior to job assignment.
 - (2) An additional forty (40) hours certified training during the first year of employment. This training must include annual training in suicide prevention, intervention, and mental health issues.

The forty (40) hours of certified training in the first year of employment shall be received through the Indiana law enforcement training board. Each jail officer shall receive sixteen (16) hours of training each subsequent year to ensure compliance with these standards.

(c) In addition to the training required in subsection (b), each jail commander shall receive a minimum of twenty-four (24) hours of documented training each calendar year.

(d) All personnel authorized to use firearms shall be trained on a continuing in-service and documented firearms training course. Failure to qualify for firearm use shall be deemed just cause for administrative reevaluation to include dismissal. Other compliance factors are as follows:

- (1) No employee shall be authorized by the sheriff to use firearms until that employee has been given training in the legal requirements of firearm use and the legal aspects of the use of deadly force.
- (2) Detailed training records are required and shall be maintained on all firearms training.

COUNTY JAIL STANDARDS

(e) Each sheriff shall include training as a budget item in the annual budget request to pay for this required training.

(f) A training file shall be maintained for each jail employee. 210 IAC 3-1-7 Physical plant

Authority: IC 11-8-2-5; IC 11-12-4-1

Affected: IC 11-12-4-1

Sec. 7. (a) All inmate living and activity areas in each jail shall provide for the following minimum requirements:

- (1) Illumination shall be sufficient for reading and writing throughout the living area. Readings of at least twenty (20) foot-candles are required at desk level and in grooming areas.
- (2) Circulation of fresh air sufficient to remove stale air and odors from the living area. This requirement shall be satisfied if the jail inspector documents, per American Correctional Association (ACA) standards, that the air in the living area provides sufficient cubic feet of air per minute per inmate. Performance-Based Standards for Adult Local Detention Facilities, Fourth Edition (2004, Ref. No. 1-56991-215-7). These standards are available at the American Correctional Association, 206 N. Washington St., Suite 200, Alexandria, VA 22314 or www.aca.org/store/bookstore/view.
- (3) A heating system sufficient to ensure healthy and comfortable living and working conditions for all inmates and staff. Temperatures shall be maintained at an acceptable comfortable level consistent with exterior conditions, clothing and bedding issued.
- (4) Each cell shall have direct access to the following:
 - (A) A toilet.
 - (B) A washbasin with hot and cold running water.
 - (C) A bed.
- (5) There shall be at least one (1) toilet and one (1) shower per twelve (12) inmates. This requirement shall be satisfied as to toilet access if cells are accessible to inmates all the time.
- (b) The inmate receiving area shall be located inside the security perimeter and have the following minimum components:
 - (1) Weapon lockers, located outside the security area.

COUNTY JAIL STANDARDS

- (2) A temporary holding space that has the following:
 - (A) Sufficient seating capacity for all inmates assigned.
 - (B) Audio and visual communication.
 - (C) Available toilets and washbasins with hot and cold running water.
- (3) A booking area, with close circuit television (CCTV) camera recording. Retention of video recordings shall be based upon local retention schedules for video recordings.
- (4) A medical examination area.
- (5) Shower facilities.
- (6) Secure storage of inmate's personal property.
- (7) Telephone facilities.
- (c) Supply areas shall be separate from inmate living and activity areas and kept secured when not in use. There shall be adequate space for the following:
 - (1) Storage and security of keys.
 - (2) Weapons.
 - (3) Medications.
 - (4) Tools.
 - (5) Evidence.
 - (6) Recovered stolen property.
 - (7) Bedding.
 - (8) Housekeeping equipment and supplies.
 - (9) Clothing.
 - (10) Prisoner's property.
 - (11) Commissary and hygiene items.
 - (12) Records.
- (d) Weapons storage shall be located outside the security perimeter of the inmate living and activity areas. Provisions shall be made for the secure storage, care, and issuance of weapons and related security equipment.
- (e) Each new jail constructed after November 15, 2012, shall have the following:
 - (1) At least one (1) area suitable for inmates who must be under special medical supervision, which shall include a negative airflow system for the control of communicable diseases.
 - (2) A space available for the supervision of inmates and arrestees who represent special behavioral problems including intoxication and self-destructive behavior. This area shall:
 - (A) be equipped with audio-video communication; and
 - (B) have access to toilet facilities and running water.
 - (3) One (1) bed for each inmate.
- (f) The capacity of a jail shall be determined with the sheriff taking into consideration the following factors:
 - (1) A bed for each inmate.
 - (2) The size of the cell or sleeping area.
 - (3) The size of the day room or range to which the prisoner has free access during nonsleeping hours.
 - (4) Time spent in activities out of the cell.
- (g) The state jail inspector may adjust the operational capacity of any jail if there is a change in the physical plant structure, or the use of the facility indicates a change is appropriate. The state jail inspector will review the proposed adjustment with the sheriff prior to any adjustment in the facility's rated capacity.
- (h) All new jail construction, renovations, or additions beginning after November 15, 2012 shall comply with the most current jail construction standards established by the ACA Performance-Based Standards for Adult Local Detention Facilities, 4th Edition, with the exception of those standards listed in subsection (h). New or revised ACA standards shall not be adopted without amending this article. Counties shall not be held to physical plant standards not in effect prior to the construction of their jail except as may be ordered by the courts or statute. However, renovation or addition(s) of an existing jail must bring the jail into compliance with applicable building and fire codes.
- (i) The following physical plant standards are applicable to all additions or renovations after November 15, 2012:

COUNTY JAIL STANDARDS

- (1) Cells may be multiple occupancy, providing there is at least thirty-five (35) square feet of space per inmate. In dormitories, there shall be at least fifty (50) square feet of total space per inmate.
- (2) Detoxification cells shall have fixed seating elevated not less than twelve (12) inches from the floor. There shall be a water hose connection adjacent to this area accessible by staff only.
- (3) There shall be no unsecured opening greater than five (5) inches in the secured perimeter of the jail.
- (4) Sight separation of male and female inmates is required except for incidental contact.
- (5) Video visitation is authorized.
- (6) Collapsible devices shall be used in cells to suspend clothing. Clothing hooks may not be used.
- (7) CCTV cameras shall be placed in:
 - (A) all inmate day rooms;
 - (B) all temporary holding cells;
 - (C) all booking areas;
 - (D) the intoxilizer room; and
 - (E) all isolation cells;

to assist staff in the supervision and control of inmates. The privacy rights of inmates shall be observed in toilet and shower areas. CCTV equipment shall serve as a supplement to, not a substitute for, staff supervision.

(j) Each sheriff shall have a written plan for preventive maintenance. The plan shall be reviewed annually and updated as needed. (*Department of Correction; 210 IAC 3-1-7; filed Jul 27, 1981, 10:30 a.m.: 4 IR 1811; readopted filed Nov 15, 2001, 10:42 a.m.: 25 IR 1269; readopted filed Jul 6, 2007, 2:54 p.m.: 20070725-IR-210070277RFA; filed Sep 11, 2012, 2:30 p.m.: 20121010-IR-210110741FRA*)

210 IAC 3-1-8 Commissary

Authority: IC 11-8-2-5; IC 11-12-4-1
Affected: IC 11-12-4-1

210 IAC 3-1-9 Safety and sanitation

Authority: IC 11-8-2-5; IC 11-12-4-1
Affected: IC 11-12-4-1

Sec. 9. (a) Each jail shall be maintained in a safe and sanitary condition in compliance with state and local health, sanitation, safety, and fire laws.

(b) Inmates shall have the responsibility for maintaining their own cells and living areas in a safe and sanitary condition. Necessary cleaning equipment and materials shall be provided to inmates daily and as needed.

(c) All areas of a jail shall be inspected by a designated jail official at least once per week. Each living area shall be inspected by designated jail officials daily. Written inspection reports shall be maintained, and steps shall be taken promptly to remedy unsafe or unsanitary conditions.

(d) Each jail shall be inspected weekly for evidence of insects and rodents. Licensed extermination services shall be obtained to spray or treat facilities as often as necessary to eliminate insects and rodents. Inmates shall be removed from an area if spraying or fogging is necessary and cannot properly be accomplished if inmates are present.

(e) Faulty plumbing fixtures shall be promptly repaired or replaced as necessary.

(f) Exits shall be:

- (1) clearly marked;
- (2) continuously illuminated;
- (3) kept clear of obstructions; and

(4) in usable condition.

(g) The sheriff shall do the following:

(1) Establish a written evacuation plan for use in the event of fire or major emergency. Appropriate evacuation instructions shall be maintained in the main control room and all satellite control rooms. Fire drills shall be conducted as required by the state fire marshal and the results of each drill documented.

(2) Request the local board of health inspect the jail at least annually.

(3) Establish written policies and procedures concerning safety, sanitation, and control of supplies. Material safety data sheets for all caustic, toxic, or flammable materials shall be maintained in the control room or an area accessible to staff twenty-four

(24) hours per day.

(Department of Correction; 210 IAC 3-1-9; filed Jul 27, 1981, 10:30 a.m.: 4 IR 1811; readopted filed Nov 15, 2001, 10:42 a.m.: 25 IR 1269; readopted filed Jul 6, 2007, 2:54 p.m.: 20070725-IR-210070277RFA; filed Sep 11, 2012, 2:30 p.m.: 20121010-IR-210110741FRA)

210 IAC 3-1-10 Clothing, bedding, and personal hygiene

Authority: IC 11-8-2-5; IC 11-12-4-1

Affected: IC 11-12-4-1

Sec. 10. (a) Each jail shall provide for the issue of clean, suitable clothing, linen, a towel, and a sleeping mat to each new inmate. Each inmate shall be provided adequate material and disinfectant to cleanse their sleeping mat prior to transfer or release. Jail clothing and authorized personal undergarments shall be laundered or exchanged at least weekly. Bed linen shall be laundered weekly, and blankets shall be laundered at least monthly. All clothing and bedding shall be maintained in serviceable condition and in sufficient quantity to supply each jail's inmate population.

(b) Each inmate shall be provided with items necessary to maintain personal hygiene. Shaving materials shall be available at least three (3) times per week unless the inmate poses a security, safety, or suicide risk. Female inmates shall be provided personal sanitary items.

(c) Inmates shall:

(1) shower and shampoo their hair upon admission to the jail's general population; and

(2) be afforded the opportunity to shower at least three (3) times per week thereafter unless an emergency or a threat to jail security exists.

(d) Each inmate shall be:

(1) allowed, upon request, to have their hair cut at least once every six (6) weeks at his or her own expense; and

(2) provided the opportunity to wear personal clothing when they appear in court for a jury trial.

(e) The sheriff, or designee, may supervise and control the hygiene, grooming, and attire of inmates to the extent reasonably necessary to maintain a sanitary, safe, and secure environment. The sheriff shall reserve the right, with reasonable cause, to order an inmate's hair be cut by a licensed barber or beautician in order to maintain a sanitary and secure living and work environment.

210 IAC 3-1-11 Medical care and health services

Authority: IC 11-8-2-5; IC 11-12-4-1

Affected: IC 11-12-4-1

Sec. 11. (a) A licensed physician shall be responsible for medical services in each jail.

(b) Procedures necessary to deliver medical services to inmates shall be:

(1) in writing;

(2) approved by the responsible physician; and

(3) reviewed by the sheriff.

(c) State licensing or certification requirements and restrictions shall apply to all health care personnel working with inmates.

COUNTY JAIL STANDARDS

Copies of all licensing certification and credentials shall be on file with the sheriff or designee. Jail security regulations shall apply to all medical personnel.

(d) Whenever medical services are to be delivered routinely in any jail, adequate space, equipment, supplies, and materials as determined by the responsible physician shall be provided.

(e) First aid kits shall be available in each jail. The responsible physician shall approve the contents and the procedure for periodic inspection of all first aid kits.

(f) Each inmate or arrestee shall be medically screened upon admittance to jail and before placement in the general population or living area. Screening data must be recorded on a form approved by the responsible physician and shall include, but not be limited to, the following:

- (1) Current illnesses and health problems, including those specific to women.
- (2) History of drug or alcohol, or both, use.
- (3) Current medications taken.
- (4) Special health requirements.
- (5) Screening of other health problems designated by the responsible physician.
- (6) Behavioral observations, including state of consciousness and observable mental status.
- (7) Notation of the following:
 - (A) Body deformities.
 - (B) Trauma.
 - (C) Bruises.
 - (D) Lesions.
 - (E) Jaundice.
 - (F) Restriction of movement.

(8) Condition of skin and visible body orifices, including rashes and infestation.

(9) Disposition or referral of the inmate to qualified medical personnel on an emergency basis.

(g) Within fourteen (14) days following arrival at the jail, an inmate shall undergo a medical assessment conducted by the responsible physician or a licensed nurse.

(h) An inmate shall be informed upon admission that medical complaints shall be collected daily and responded to by medically trained personnel. Qualified medical personnel shall follow up on all complaints and allocate treatment according to priority of need. A physician shall be available at least weekly to evaluate and respond to inmate medical complaints.

(i) Each jail shall arrange for twenty-four (24) hour emergency medical, dental, and psychological care availability pursuant to a written plan that includes, as a minimum, arrangements for the following:

- (1) Emergency evacuation of the inmate from within the facility.
- (2) Use of an emergency medical vehicle.
- (3) Use of one (1) or more designated hospital emergency rooms or other appropriate health facilities.
- (4) Emergency on call physicians and dentist services when the emergency health facility is not located in a nearby community.
- (5) Security procedures that provide for the immediate transfer of inmates when appropriate.
- (6) Arrangements for emergency psychological services.

(j) Jail personnel shall be trained in the use of emergency care procedures and shall have training in basic first aid equipment that is currently available in the jail. At least one (1) person per shift shall have training in receiving, screening, cardiopulmonary resuscitation (CPR), and recognition of symptoms of common illnesses. All jail officers shall be trained regarding recognition of symptoms of mental illness and retardation and suicide screening and prevention. All jail personnel are to ensure that the following is complied with:

(1) No jail shall accept delivery of an unconscious or critically injured person. In consultation with the responsible physician, the sheriff shall establish a blood alcohol content (BAC) level above which the jail may refuse to accept an inmate without medical screening. All medical screenings prior to booking shall be at the arrestee's expense. A copy of this policy shall be provided to local law enforcement agencies.

(2) Any inmate injured while detained in the jail shall be examined immediately by a competent medical person. A description of the injury shall be recorded and photographs taken when appropriate. Any inmate's refusal of medical care

COUNTY JAIL STANDARDS

shall be:

- (A) thoroughly documented;
- (B) signed by the inmate; and
- (C) witnessed by staff.

(k) All medications shall be administered in the dosage and with the frequency prescribed. No substitutions of medications shall be made without the responsible physician's written approval.

(1) Any jail officer who administers medication shall have received documented training through the responsible physician. The sheriff:

- (A) is accountable for the administration of medications according to orders; and
- (B) the sheriff or designee must record all administration of medication in a manner and on a form approved by the responsible physician.

(2) A structured system for pharmacy storage, accountability, and distribution shall be established in accordance with recognized medical standards as determined by the responsible physician.

(3) An inmate's prescribed medication, by a responsible physician, shall accompany the inmate in the original container with the inmate's medical records upon transfer to another facility or upon release.

(l) The responsible physician shall list the jail with the Drug Enforcement Administration as a place of practice. Missing controlled substances shall be reported to the Indiana board of pharmacy using DEA Form 106.

(m) Each sheriff shall do the following:

- (1) Establish policies and procedures for the development and disposition of each inmate's medical records.
- (2) Provide secure and confidential storage of the records consistent with physician-patient privileges.

Nonmedical personnel shall have access to these records as provided by law. A sealed copy of an inmate's facility medical record shall accompany the inmate upon transfer to another facility.

(n) Each sheriff shall have a policy providing for the provision of private medical, dental, and optometry services when requested by the inmate. Services that are determined to be medically elective shall be at the inmate's own expense. 210 IAC 3-1-12 Diet and food preparation

Authority: IC 11-8-2-5; IC 11-12-4-1

Affected: IC 11-12-4-1

Sec. 12. (a) Each sheriff shall establish written policies and procedures concerning the quantity and quality of food served to inmates.

(b) Food shall not be used as a reward or withheld as a disciplinary measure. All meals shall be served under the supervision of the jail administrator or his or her designee. There shall be not more than fourteen (14) hours between the evening meal and breakfast. Inmates shall be served three (3) meals each day. At least one (1) meal each day shall be cooked.

(c) Menus shall:

- (1) be prepared in advance, and records of all menus and all meals served shall be retained;
- (2) be approved by a qualified dietician;
- (3) reflect the average daily caloric intake; and
- (4) be reviewed every two (2) years or after any substantial change in daily inmate physical activity.

All food service areas and equipment shall be inspected daily by administrative jail personnel. All food must be placed on racks off the floor. Food must be covered or enclosed while being transported to the inmate area.

(d) To ensure that the jail kitchen is maintained in a safe and sanitary condition, the following requirements shall be met:

- (1) All kitchen equipment and floors shall be cleaned daily. Walls and vents shall be cleaned regularly.
- (2) The sheriff shall request the local health officer, or an otherwise qualified agency, conduct inspections of the kitchen facilities at least annually, to ensure compliance with established health and sanitary standards.
- (3) Eating utensils shall be sanitized after each use. Alternatively, plastic disposal utensils may be used for each meal.
- (4) Kitchen equipment must be operational and safe for use.

(5) Inmates working in the kitchen shall be given a preservice examination and a daily visual examination thereafter to ensure that they do not have any obvious signs of contagious diseases or other ailments that could facilitate food contamination. Inmates shall wear clothing approved for food handling when working in the kitchen and during the delivery of food to inmates.

(e) Medical diets approved by the responsible physician shall be honored. A request for a religious diet should be honored when the failure to honor such diet would impose a substantial burden on an inmate's free exercise of religion.

(f) Each sheriff shall establish in writing a control system to monitor and control food pilferage, misuse, or spoilage. 210 IAC 3-1-13 Security and control

Authority: IC 11-8-2-5; IC 11-12-4-1

Affected: IC 11-12-4-1

Sec. 13. (a) Each sheriff shall establish the jail's policies and procedures for security and control. This manual shall be available to all jail personnel and shall be reviewed annually and updated as needed. Documentation of this review shall be signed by the sheriff and maintained in front of the manual. The manual shall include, but not be limited to, the following:

- (1) Supervision.
- (2) Searches and seizures.
- (3) Facility security.
- (4) Shakedowns.
- (5) Firearms and other weapons.
- (6) Maintenance of security equipment.
- (7) Key control.
- (8) Control of the following:
 - (A) Tools.
 - (B) Sharp culinary equipment.
 - (C) Medical instruments.
 - (D) Razors.
- (9) Records control and release of information according to Indiana law.
- (10) Population count.
- (11) Chemical agents.
- (12) Post orders.
- (13) Escapes.
- (14) Emergency situations, including the following:
 - (A) A fire.
 - (B) A disturbance.
 - (C) An assault.
 - (D) A taking of hostages.
 - (E) Natural disasters.
- (15) Transportation of inmates.
- (16) The use of physical force.
- (17) Responding to a suicide attempt or suicidal inmate.

Jail officers shall be trained consistent with provisions of the security and control manual. Pretraining and posttraining examinations shall be administered to each jail officer and the results made part of the employee's record.

(b) Inmates shall not be permitted to handle, use, or have jail keys of any type in their possession. There shall be at least one (1) full set of keys, separate from those in use, stored in a safe place accessible only to jail personnel, for use in event of an emergency.

COUNTY JAIL STANDARDS

(c) The use of physical force by jail personnel shall be restricted to instances of justifiable self-protection, protection of inmates from self-harm, protection of others, protection of property, and prevention of escapes. Only that force necessary to control an inmate shall be authorized. Written reports following any use of force shall be promptly submitted to the sheriff or his or her designee. Jail personnel should ensure the following:

- (1) Only weapons approved by the sheriff shall be used by jail personnel in emergency situations. Any jail employee who discharges a firearm in the course of his or her duty shall promptly submit a written report to the sheriff.
- (2) Lethal weapons shall not be permitted beyond a designated area to which inmates have access, except in emergency situations as approved by the sheriff.
- (3) Persons designated to authorize the use of less lethal repellants or security devices shall be:
 - (A) named in writing; and
 - (B) trained in the proper deployment of these items.
- (4) Each sheriff shall establish procedures for the treatment of persons injured as a result of the application of force.

(d) Each jail shall maintain a secure communication control center separate from other jail detention and administrative functions. Jail officers and other personnel assigned to jail duty shall be trained in security measures and the handling of special incidents such as the following:

- (1) Assaults.
- (2) Disturbances.
- (3) Deaths.
- (4) Fires.
- (5) Suicide attempts.
- (6) Natural disasters.

Each jail shall have an audio communication system between the communication control center and the inmate living area that can be activated from the inmate living areas in an emergency.

(e) Each jail shall have equipment necessary to maintain central lights, power, and communication in an emergency.

Emergency equipment shall be:

- (1) tested at least weekly for effectiveness; and
 - (2) promptly repaired or replaced as necessary.
- (f) Security equipment shall be:
- (1) sufficient to meet facility needs; and
 - (2) stored in a secure place, but readily accessible to staff.

There shall be a sufficient quantity of restraints, mechanical or disposable, or both, to evacuate all inmates from the jail in an emergency.

(g) All:

- (1) security perimeter entrances;
- (2) control center doors;
- (3) main cellblock doors; and
- (4) cell doors or housing units opening into a corridor;

shall be kept locked except when used for admission or exit of employees, inmates, or visitors and emergencies. No jail officer shall enter a high security cell area, or any other area in which a disturbance is occurring, without backup assistance being alerted and available for immediate assistance.

(h) Jail officials may perform searches and seize contraband or prohibited property. Sheriffs may limit the personal items an inmate may possess in their living area by both quantity and volume. However, an inmate may possess those legal papers necessary for access to the courts and legal matters pertaining to their current court case or cases and responses to grievances. Jail officials shall inform inmates of the items of property they are permitted to possess, in which event all other property not contraband is prohibited property. Property that an inmate is otherwise permitted to possess may become prohibited property due to the means by which it is possessed or used or if the quantity possessed exceeds that permitted. The sheriff or jail administrator shall establish written procedure providing for a written record concerning the seizure of contraband or prohibited property, receipts for property seized, and appropriate disposition of seized property. Jail personnel should ensure the following:

- (1) Notice in writing shall be given inmates and visitors as to the items not considered contraband or prohibited property.

COUNTY JAIL STANDARDS

- (2) Visitors shall be searched at jails where contact visiting is permitted. Visitors must be provided:
 - (A) clear notice of the possibility of a search; and
 - (B) the opportunity to decline their visit request upon receiving the notice.
- (3) Body cavity searches of visitors may be conducted:
 - (A) by medical personnel only; and
 - (B) solely as a result of the execution of a search warrant.
- (4) Inmates permitted to leave the jail temporarily, for any reason, shall be thoroughly searched prior to leaving and strip searched before reentering the jail. Searches and seizures shall be conducted so as to avoid unnecessary force, embarrassment, or indignity to inmates.
- (5) The sheriff shall establish written policies and procedures concerning the following:
 - (A) Contraband, prohibited property, and seizures of property.
 - (B) Searches. Personal searches may include the following:
 - (i) Pat down searches.
 - (ii) Frisk searches.
 - (iii) Strip searches.
 - (iv) Body cavity searches.
 - (v) Metal detection scanners.
 - (vi) Other designated, legally approved devices.Cell and area searches will also be conducted routinely by staff.
- (6) Incidental visual observation during clothing exchange and showering is not considered a search. However, the use of:
 - (A) privacy barriers;
 - (B) opaque partitions; and
 - (C) same gender observation;are encouraged.
- (7) Generally, the least invasive form of search and observation should be conducted. Strip searches shall only be conducted when a reasonable suspicion exists that an inmate may be in possession of weapons, drugs, or contraband. Mere admission to a jail (arrestee) is insufficient cause alone to conduct a strip search.
- (8) All strip searches and body cavity searches conducted shall be:
 - (A) documented on the form prescribed by the sheriff; and
 - (B) maintained in the inmate's file.
- (i) Arrestee strip searches shall be conducted only when there is reasonable suspicion that the arrestee is in possession of a contraband item. Reasonable belief must be based on an individualized suspicion relevant to the following:
 - (1) The current charge or charges or previous conviction or convictions for any of the following:
 - (A) Escape.
 - (B) Possession of drugs or weapons.
 - (C) Crimes of violence.
 - (2) Fugitive or detainee for any of the above crimes.
 - (3) Current or a history of institutional possession of contraband or prohibited property or attempted escape.
 - (4) Refusal to submit to a frisk or pat search.
 - (5) Weapons or drugs discovered during pat or frisk search.
 - (6) Alerted by a metal or drug detection device.
 - (7) Reliable information arrestee possesses drugs, weapons, or contraband.
- (j) Strip searches conducted on an arrestee who can be held apart from the general population may not be reasonable. Strip searches of such individuals should only be conducted when jail officials have individualized reasonable suspicion that the arrestee is in possession of a contraband item.
- (k) Each sheriff shall enter into a mutual aid agreement with necessary local and adjacent county law enforcement agencies for the provision of services in the event of an emergency exceeding the department's capability. Aid agreements shall also be established with local agencies for the provision of housing, material, and services in an emergency.
 - (1) In the event of a disturbance, a sheriff may place groups of inmates in lockdown status until such time as an investigation

into the disturbance can be completed and the safety and security of the jail is assured. Such decision shall be reviewed by the sheriff at least every seven (7) days. 210 IAC 3-1-14 Supervision of inmates

Authority: IC 11-8-2-5; IC 11-12-4-1
Affected: IC 11-12-4-1

Sec. 14. (a) There shall be sufficient jail personnel in the jail at all times to provide adequate supervision of inmates and to ensure staff and inmate safety. Jail personnel should ensure the following:

- (1) A jail officer shall conduct a visual check, not including observation by a monitoring device, of each inmate at least once every sixty (60) minutes. The observation checks may be conducted on an irregular schedule and shall be documented.
- (2) Suicidal inmates shall be provided appropriate, more frequent, supervision consistent with the jail's suicide screening and prevention procedures.
- (3) High risk inmates shall be provided more frequent supervision consistent with their classification level.

(b) The sheriff shall establish the following:

(1) A written procedure for the cross gender supervision of female inmates by male staff and the supervision of male inmates by female staff. These procedures shall take into consideration the privacy rights and needs of inmates. All reports of inappropriate sexual conduct by staff shall be investigated, and a copy of the investigation must be provided to the county prosecutor upon completion.

(2) Written procedures for the segregation of inmates with serious behavioral problems, requiring protective custody, or charged with disciplinary misconduct. Jail personnel should ensure the following:

(A) An inmate charged with disciplinary misconduct may be confined or separated from the general population of the jail. An inmate may be administratively segregated for a reasonable period of time if his or her continued presence in the general population poses a serious threat to himself or herself, others, property, or the security of the jail. Jail officials shall review the status of administratively segregated inmates at least once every seven (7) days to determine if the basis for segregation still exists. Time spent confined or separated from the general population before a determination of guilt must be credited toward any period of disciplinary segregation imposed.

(B) No inmate shall be kept in disciplinary segregation for a period in excess of thirty (30) days for any single instance of disciplined conduct without administrative review.

(C) Jail officials shall maintain a permanent written record of inmate behavior and activity while in disciplinary and administrative segregation.

(c) Jail visits by personnel shall comply with the following:

- (1) by the sheriff or his or her designee at least once weekly; and
- (2) daily by supervisory staff.

All visits shall be documented.

(d) Inmates shall not be authorized to supervise or exert control or assume any authority over other inmates. Authority: IC 11-8-2-5; IC 11-12-4-1
Affected: IC 3-7-46-6; IC 11-12-4-1

Sec. 15. (a) The right of inmates to have access to the courts shall be ensured. Inmates shall have confidential access to their attorneys and the authorized representatives of their attorneys. Inmates shall have reasonable access to the courts to challenge their sentences and conditions of confinement and reasonable access to an adequate law library. Inmates with an appointed public defender shall be provided the opportunity to speak to their attorney.

COUNTY JAIL STANDARDS

(b) Inmates shall not be subject to discrimination based on any of the following:

- (1) Race.
- (2) National origin.
- (3) Color.
- (4) Creed.
- (5) Sex.
- (6) Economic status.
- (7) Political belief.

There shall be equal access to programs or services for male and female inmates.

(c) Inmates shall have the right of access to reading material except pornography as defined by Indiana law, or reading matter which jail officials have reasonable grounds to believe poses an immediate danger to the safety of an individual or a serious threat to the security of the jail.

(d) An inmate is entitled to believe in the religion of his or her choice, and attendance at religious services is not required. To the greatest extent possible consistent with jail security, programs, and resources, an inmate is entitled to the following:

- (1) Observe the days of worship or holidays of his or her religion.
- (2) Possess religious artifacts that do not compromise the safety and security of the jail.
- (3) Receive and possess religious literature for his or her individual use.
- (4) Communicate, correspond with, and be visited by a clergy or religious counselor of his or her faith during reasonable times, as approved by a community pastoral committee or sheriff, or both. The sheriff reserves the right to determine the pastoral status of clergy and may limit nonclergy.

(e) An inmate shall be provided a reasonable opportunity for physical exercise outside of the immediate living and sleeping areas, outdoors, if feasible, and consistent with the security and resources of the jail. Segregated inmates shall be offered the opportunity for at least one (1) hour of daily exercise, five (5) days each week, outside of their cell unless jail officials find and document that this opportunity will jeopardize the physical safety of the inmate or others or the security of the jail.

(f) The sheriff shall provide a list of all inmates, sentenced and incarcerated, to the county clerk quarterly, as required by IC 3-7-46-6.

(g) Each jail shall maintain a written inmate work assignment plan providing for inmate employment, subject to the:

- (1) number of available work opportunities; and
- (2) maintenance of facility security.

Unsentenced inmates may volunteer for work assignments within the jail but shall not be required to work except as necessary to maintain their living quarters in a safe and sanitary condition.

(h) All inmates shall have the right to file written grievances regarding treatment of conditions in the jail with the sheriff or his or her designee. Grievances shall be promptly investigated, and a written report stating the disposition of the grievance shall be provided to the inmate. The sheriff shall establish in writing a grievance procedure, which shall be made known and distributed to all inmates upon arrival and initial screening.

(i) Inmates may receive visitors during established hours of visitation. Jail officials may, for purposes of maintaining jail security, individual safety, and administrative manageability, place reasonable restrictions on visitation. Visitation by minors within the secure perimeter of a jail may be restricted as necessary for the orderly management and security of a facility. Visitors with a prior criminal conviction may be denied visitation. Visitors may also be denied for, but not limited to:

- (1) unacceptable attire;
- (2) disruptive behavior;
- (3) failure to control minor children; or
- (4) failure to provide picture identification as established by jail policy.

A copy of the visitation policy shall be posted in the visitation area. 210 IAC 3-1-16 Mail and telephone communication

Authority: IC 11-8-2-5; IC 11-12-4-1

Affected: IC 11-12-4-1

Sec. 16. (a) Each sheriff shall establish a written procedure consistent with Indiana and constitutional law governing inmate mail correspondence.

(b) An inmate may send and receive an unlimited amount of correspondence to or from any person outside the jail in any language. However, inmates shall be prohibited from corresponding with other inmates within the jail or other correctional institutions without the prior written approval of the sheriff, their designee, and the proper authority of the other institution.

(c) Correspondence to or from government officials, courts, or attorneys shall be considered privileged correspondence. Jail officials may open and inspect privileged correspondence only in the presence of the inmate for the purpose of examining the contents for contraband or prohibited property. Upon completion of the inspection, the item of correspondence must be promptly delivered or transmitted without:

- (1) reading;
 - (2) censoring;
 - (3) copying; or
 - (4) further interfering with its delivery or transmission.
- (d) Correspondence from a person not enumerated in subsection (c) may be opened to:
- (1) inspect for and remove contraband or prohibited property; and
 - (2) permit removal of funds for crediting the addressee's account.

The correspondence may be read, rejected, censored, or copied based upon the matrix in Table 1.

(e) Correspondence to a person not enumerated in subsection (c) may be sealed by the inmate. However, jail officials may read, reject, censor, or copy based on the matrix in Table 1.

(f) Whenever jail officials delay incoming or outgoing mail for more than forty-eight (48) hours or censor, copy, or withhold correspondence, the inmate shall be given prompt written notice except as provided immediately below. Jail officials shall maintain a record of each decision to withhold, copy, censor, delay, or otherwise interfere with the prompt transmission of correspondence. Notice to the inmate of action taken on correspondence is not required based on reasonable suspicion or upon receipt of a written request from a supervising authority of any federal, state, or county agency stating the agency has reasonable grounds to believe that a crime is being committed or has been committed by the confined person and requesting the jail monitor the confined person's correspondence.

(g) Jail officials may open all incoming and outgoing packages to inspect for and remove funds, contraband, or prohibited property. If contraband or prohibited property is removed from a package, the inmate must be notified in writing.

(h) Jail officials may inspect all printed matter and exclude any material that is contraband or prohibited property. Following examination, printed matter may be read, rejected, censored, or copied based on the matrix in Table 1. A periodical may be excluded only on an issue by issue basis. Jail officials who withhold printed matter must notify the inmate of this action in writing.

210 IAC 3-1-17 Discipline written rules

Authority: IC 11-8-2-5; IC 11-12-4-1

Affected: IC 35-50-6-4; IC 35-50-6-5

Sec. 17. (a) Each sheriff shall establish written rules of inmate conduct for the maintenance of order and discipline among inmates. The rules shall describe the:

- (1) conduct for which disciplinary action may be imposed;
- (2) type of disciplinary action that may be taken; and
- (3) disciplinary procedure to be followed.

Copies of these rules shall be posted in the living areas or distributed to all inmates. The disciplinary action imposed shall be proportionate to the seriousness of the rule violation. The use of physical force as a means of discipline is prohibited.

(b) All jail personnel who have regular inmate contact shall be provided training sufficient to make them thoroughly familiar with the rules of inmate conduct and the sanctions available.

(c) Any of the following may be imposed as disciplinary action on inmates:

- (1) A report, which may be made part of the inmate's record.
- (2) Extra work cannot be imposed on pretrial detainees or arrestees. For inmates, extra work cannot exceed:
 - (A) a total of twenty (20) hours for one (1) rule violation; or
 - (B) four (4) hours in any twenty-four (24) hour period.

(3) Loss or limitation of privileges.

(4) Restitution.

(5) Segregation from the general population for a fixed period of time.

(6) Reassignment to a lower credit time class under IC 35-50-6-4.

(7) Deprivation of earned credit time under IC 35-50-6-5.

(d) The following shall not be imposed as disciplinary action on inmates:

(1) Corporal punishment.

(2) Confinement without an opportunity for at least one (1) hour of daily exercise five (5) days each week outside of immediate living quarters, unless jail officials find and document that this opportunity will jeopardize the physical safety of the inmate or others or the security of the jail.

(3) A substantial change in:

- (A) heating;
- (B) lighting; or
- (C) ventilation.

(4) Restrictions on:

- (A) clothing;
- (B) bedding;

COUNTY JAIL STANDARDS

- (C) mail;
- (D) reading and writing materials; or
- (E) the use of hygienic facilities;

except for abuse of these, unless jail officials find and document that this opportunity will jeopardize the physical safety of the inmate or others or the security of the jail.

(5) Restrictions on the following:

- (A) Medical and dental care.
- (B) Access to the following:
 - (i) Courts.
 - (ii) Legal counsel.
 - (iii) Government officials.
 - (iv) Grievance proceedings.
 - (v) Personal legal papers and legal research materials.

(6) A deviation from the diet provided to other inmates, unless approved by the responsible physician.

(e) Before imposing any disciplinary action, jail officials shall afford the inmate charged with misconduct a hearing to determine his or her guilt or innocence and the disposition of the charge. The charged inmate may waive his or her right to a hearing in writing. Also, before a charge is made, the inmate and a jail official may agree to a disciplinary action in the form of extra work or loss or limitation of privileges if no record of the conduct or disciplinary action is placed in the inmate's file. In connection with the required hearing, the inmate is entitled to the following:

(1) To have not less than twenty-four (24) hours advance written notice of the following:

- (A) The hearing.
- (B) The alleged misconduct.
- (C) The rule the misconduct is alleged to have violated.

(2) To have reasonable time to prepare for the hearing.

(3) To have an impartial decision maker.

(4) To appear and speak in his or her own behalf.

(5) To call witnesses and present evidence.

(6) To have advice and representation by a lay advocate in those hearings based upon a charge of institutional misconduct when the decision maker determines he or she lacks the competency to:

- (A) understand the issues involved; or
- (B) participate in the hearing.

(7) To have a written statement of the following:

- (A) The findings of fact.
- (B) The evidence relied upon.
- (C) The reasons for the action taken.

(8) To have immunity if his or her testimony or any evidence derived from his or her testimony is used in any criminal proceedings.

(9) May have his or her record expunged of any reference to the charge if he or she is found not guilty or if a finding of guilt is later overturned.

Any finding of guilt must be supported by some evidence presented at the hearing.

(f) An inmate shall receive written notice of any formal charge against him or her within twenty-four (24) hours of knowledge or discovery or the conclusion of an investigation of the alleged offense, excepting weekends and holidays. The notice shall specify the following:

- (1) The date, time, and place of the hearing.
- (2) The alleged misconduct.
- (3) The rule the misconduct is alleged to have violated.
- (4) The right to a hearing.
- (5) An explanation of the hearing process.

The hearing shall be held within seven (7) days excluding weekends and holidays, of the alleged violation.

COUNTY JAIL STANDARDS

(g) The sheriff may delegate authority in writing to one (1) or more designees to conduct hearings for alleged violations of facility rules.

(h) An inmate may appeal the disciplinary decision of a hearing authority to the sheriff. The appeal may challenge the:

(1) finding of guilt; or

(2) type and degree of disciplinary action taken.

Any appeal shall be initiated within ten (10) days of the disciplinary decision. The sheriff may reduce but not increase any disciplinary action imposed by the hearing authority.
