Affected: IC 8-1-1-5; IC 8-1-1.1-5.1; IC 35-44.1-2-1

Sec. 8. (a) An attorney eligible to practice before the commission shall sign, or provide a signature equivalent in the electronic filing system, pleadings filed with the commission or as otherwise required by statute or as follows:

(1) By the person, if an individual.

(2) By a partner, if a partnership.

(3) By a corporate officer or, if officers have not been selected, by an incorporator, if a corporation.

(4) By a duly authorized official, if a municipal corporation.

(5) By a bona fide general officer, if an unincorporated association.

(b) Petitions and complaints may be amended or supplemented upon written or oral motion. Leave to amend a petition or complaint shall be freely granted upon failure of another party to the proceeding to demonstrate undue prejudice. If the amended or supplemented petition or complaint seeks relief substantially different than that originally prayed for:

(1) the caption of the petition or complaint shall be revised to accurately describe the relief being sought; and

(2) republication or renotification of a previously noticed hearing may be required by the commission.

(c) A party may amend his or her pleading once as a matter of course before a responsive pleading is served, or, if the pleading is one to which no responsive pleading is permitted and the cause has not been set for an evidentiary hearing, he or she may amend it within thirty (30) days after it is served. Otherwise, a party may amend his or her pleading only by leave of the presiding officer or by written consent of the adverse party, and leave shall be given when justice requires. A party shall plead in response to an amended pleading within:

(1) the time remaining for response to the original pleading; or

(2) twenty (20) days after service of the amended pleading;

whichever period may be longer, unless the presiding officer otherwise orders.

(d) The signature, or signature equivalent in the electronic filing system, of the party, if an individual, or of a duly authorized representative, if the party is an entity, or of the attorney for the party constitutes a certificate that:

(1) the signatory has read the pleading;

(2) to the best of the signatory's knowledge, information, and belief, there is a good ground to support the pleading; and

(3) the pleading is not interposed solely for delay.

If a pleading or other document is not signed, or a signature equivalent is not provided in the electronic filing system, as required in this subsection, the pleading may be stricken and the action may proceed as though the pleading had not been served. Except as required by law, pleadings or motions need not be verified. Where a pleading or other document is required to be verified, or where an oath is required to be taken, it is sufficient if the subscriber simply affirms the truth of the matter to be verified by an affirmation or representation in substantially the following language:

"I (we) affirm under penalties for perjury that the foregoing representation(s) is (are) true to the best of my (our) knowledge, information, and belief.

Signed \_\_\_\_\_  
Date \_\_\_\_\_".

(e) An individual who knowingly falsifies an affirmation or representation of fact is subject to the same penalties as prescribed by law for perjury under IC 35-44.1-2-1.

(f) A pleading of a party represented by an attorney must:

- (1) be signed by at least one (1) attorney of record; and
- (2) include the attorney's:
  - (A) address;
  - (B) telephone number;
  - (C) fax number;
  - (D) email address; and
  - (E) attorney number.

This subsection does not apply to pleadings and motions made orally and transcribed as a result of a hearing.   - (A) This must be followed for cases involving rate adjustment mechanisms, also known as trackers.
  - (B) For cases not involving rate adjustment mechanisms or trackers, an alternative to providing the proposed procedural schedule when filing the petition is to indicate that a proposed procedural schedule will be filed within thirty (30) days

of the filing of the petition.

(C) The commission's general administrative orders may provide guidance for determining an appropriate procedural schedule.

(b) In a utility rate proceeding where the petitioner in its petition requests a specific test year and cutoff date, the commission shall, in consultation with the parties at the time of the prehearing conference or by agreement of the parties in writing as set forth in section 15 of this rule, by order, fix the test year and cutoff date for purposes of accounting, engineering, and other evidence to be presented in the proceeding, which shall be binding upon the parties.

Authority: IC 8-1-1-3; IC 8-1-2-47

Affected: IC 8-1-1-5; IC 8-1-1.1-5.1; IC 8-1-2-54

Sec. 10. (a) In addition to the matters required by sections 8 and 9 of this rule, complaints filed pursuant to IC 8-1-2-54 must also state the name of each respondent and individual or entity, if any, who, under an applicable statute or commission rule, is required to be named in the complaint because of the individual's or entity's interest or possible interest in the subject matter. The complaint must state the address of each respondent, individual, or entity, if known. If the address is unknown, the complaint must state that the parties joining in the complaint have been unable to ascertain the address upon reasonable inquiry.

(b) Concurrently with the filing of a complaint with the commission, the complainant shall serve a copy on each named respondent.

(c) Answers to a complaint must conform to the following:

(1) Answers to complaints must be filed with the commission within twenty (20) days after service of the complaint unless a different time is prescribed by:

- (A) statute;
- (B) the commission; or
- (C) the presiding officer.

(2) Answers must be in writing and be drawn as to advise the parties and the commission fully and completely of the nature of the defense. The respondent shall:

- (A) admit or controvert each material allegation of the complaint; and
- (B) state clearly and concisely the facts and matters of law relied upon.

An allegation contained in a complaint that is not specifically admitted or controverted by an answer is considered denied by the respondent. If the respondent lacks knowledge or information sufficient to form a belief as to the truth of an allegation, the respondent shall so state and the statement shall be considered a denial. Failure to file an answer within the time allowed under this subsection constitutes a general denial thereto.

(3) In its answer, a respondent may seek relief against other parties in that proceeding by reason of the presence of common questions of law or fact. The respondent shall set forth in the answer the following:

- (A) The facts constituting the grounds for the claim.
- (B) The provisions of the:
  - (i) statutes;
  - (ii) rules;
  - (iii) regulations; or

- (iv) orders;

  - (B) Specific prayers for the relief deemed appropriate.
- (5) Unless otherwise permitted by a presiding officer, replies to answers seeking affirmative relief must be filed with the commission:
  - (A) not more than ten (10) days after service of the answer; and
  - (B) not less than five (5) days prior to the date set for the commencement of the hearing, if any.

Sec. 11. (a) A petition to intervene may be filed by a person or entity alleging a substantial interest in the subject matter of the proceeding in which the person or entity requests leave to intervene.

- (b) Petitions to intervene shall set out clearly and concisely facts showing the following:
  - (1) The proposed intervenor's substantial interest in the subject matter of the proceeding.
  - (2) The position of the proposed intervenor with respect to the matters involved in the proceeding.

  - (4) A prayer for leave to intervene and to be made a party to the proceeding.

(c) A petition to intervene shall be filed not less than five (5) days prior to the date set for the initial public evidentiary hearing on the merits. A petition to intervene may be filed and granted thereafter at the discretion of the presiding officer, upon good cause shown.

(d) If a petition to intervene satisfies this section and shows the proposed intervenor has a substantial interest in the subject matter of the proceeding or a part thereof, and the proposed intervenor's participation will not unduly broaden the issues or result in unreasonable delay of the proceeding, the presiding officer may grant the prayer for leave to intervene, in whole or in part and, thereupon, the intervenor becomes a party to the proceeding with respect to the matters set out in the intervention petition.

(e) An intervenor is bound by rulings and other matters of record prior to the time the intervenor is made a party and takes the case as the intervenor finds it as of the date of intervention.

(f) Petitions to intervene, when filed with the commission, shall show service thereof upon the parties to the proceeding, in conformity with section 13 of this rule.

(g) A party may object to a petition to intervene, and, absent objection thereto, may be deemed to have waived an objection to the granting of the petition. A response shall be filed within seven (7) days after service of the petition to intervene unless the presiding officer prescribes a different time. The response shall be served on the other parties. A reply to the responses shall be filed within five (5) days after service of the response unless the presiding officer prescribes a different time. Responses or replies may be made orally at the time of the hearing or prehearing conference if there exists insufficient time prior to the hearing or conference to make a written response or reply according to the deadlines provided under this section. *(Indiana Utility Regulatory Commission; 170 IAC 1-1.1-11; filed Oct 30, 2000, 2:10 p.m.: 24 IR 658; readopted filed Apr 6, 2006, 11:00 a.m.: 29 IR 2670; readopted filed Jun 14, 2012, 3:04 p.m.: 20120711-IR-170120199RFA; readopted filed Apr 12, 2018, 11:21 a.m.: 20180509-IR-170180113RFA; filed Jun 10, 2020, 7:38 a.m.: 20200708-IR-170190378FRA)*

- (2) filed separately.

(e) Responses to motions made during hearings may be stated orally on the record, or the presiding officer may require that oral responses be:

- (1) reduced to writing; and
- (2) filed separately.

A response to a written motion must be filed with the commission within ten (10) days after service of the motion unless the presiding officer prescribes a different time or unless it is an objection to a request for confidential treatment under section 4(a)(1)(A) of this rule.

(f) The moving party may reply to a response made to the party's motion. A reply to responses made orally during a hearing may be stated orally on the record, or the presiding officer may require that a reply be reduced to writing and filed separately. A written reply to a response shall be filed with the commission within seven (7) days after service of the written response or after the response is made orally on the record unless the presiding officer prescribes a different time.

(g) A presiding officer is authorized to rule upon motions. No ruling by a presiding officer upon a motion shall be deemed a final ruling of the commission for purposes of IC 8-1-3-1 until the commission:

Authority: IC 8-1-1-3; IC 8-1-2-47  
Affected: IC 8-1-1-5; IC 8-1-1.1-5.1

Sec. 13. (a) First class mail must be used when service is required by United States mail.

(b) Service by the commission is described in this subsection. Unless the commission or a presiding officer specifies another method, orders, notices, and other documents originating with the commission shall be served by email through the electronic filing system. When a party designates multiple persons to receive service, a presiding officer may limit service to one (1) or more persons per party.

(c) Petitions instituting proceedings shall be served by the petitioner upon the following:

- (1) Each named respondent.
- (2) The office of utility consumer counselor.
- (3) An individual or entity who is required to be named in the petition under section 10(a) of this rule.

(d) Service by parties is described in this subsection. Pleadings, briefs, and other documents filed in proceedings pending before the commission shall be served on the parties in the proceeding including the office of utility consumer counselor on the same day the pleading, brief, or other document is filed with the commission, except as may be otherwise ordered by the commission:

- (1) Service shall be made to parties:
  - (A) through email;
  - (B) by United States mail, properly addressed with postage prepaid; or
  - (C) as agreed to by the parties.
- (2) Service by email shall be deemed complete upon transmission, except service by email that occurs on a:
  - (A) Saturday;
  - (B) Sunday;
  - (C) legal holiday; or
  - (D) day the commission is closed during regular business hours;

shall be deemed complete the next business day.

(3) A certificate of service must be included on pleadings filed with the commission. The certificate shall indicate that service was accomplished by email or United States mail. If service is by United States mail, service shall be made by mailing a copy thereof to the person or persons designated in the commission's service list for that cause, at the person's principal office or place of business.

(e) In a proceeding where an attorney has filed a pleading or other document on behalf of a party or has entered an appearance under section 7 of this rule, a notice or other written communication required to be served on or furnished to the party shall be served upon or furnished to the attorney in the same manner as prescribed for the party. When a party has appeared by attorney, service on that attorney is service on the party and separate service on the party is not required.

(f) The date of service is the day the document served is:

- (1) deposited in the United States mail;
- (2) delivered in person;
- (3) sent via email; or
- (4) delivered as agreed by the parties.

(g) Whenever a party has the right or is required to do an act or take an action within a prescribed period after service on the party of a pleading, notice, or other document by United States mail, that party has three (3) additional days to the prescribed period unless the presiding officer or this rule otherwise provides.

(h) A dated certificate of service must accompany and be attached to a pleading or other document filed with the commission when service is required and shall identify those served.

(i) An interested person or entity who is not admitted to a proceeding as a party may receive notices, docket entries, orders, and other documents relating to the proceeding issued by the commission by subscribing to the case in the electronic filing system. However, an interested nonparty shall not be added to the service list maintained by the secretary of the commission for that proceeding and the fact that a person or entity is subscribed to a case does not negate a party's normal service obligations. Subpoenas shall be signed by the secretary of the commission or a commissioner and shall be issued under the seal of the commission.

(b) Parties shall prepare subpoenas for issuance and shall be responsible for service. Service must be shown by the return of the sheriff or the affidavit of the party or attorney serving the subpoena. The return or affidavit shall be filed promptly with the commission.

(c) Upon motion made at or before the time specified for compliance in the subpoena, the presiding officer or commission may quash or modify the subpoena if it is unreasonable, oppressive, or untimely.

(d) In addition to the other requirements of this section, subpoenas to secure the examination or testimony of a member of commission staff who is designated as testimonial staff, in a deposition or at a formally docketed hearing, shall do the following:

- (2) Specify the approximate duration of the examination.
- (3) Certify that copies of the subpoena, when served, have also been served in the same manner as pleadings are served on the office of utility consumer counselor and other parties of record.

(e) A subpoena to secure the testimony of a member of commission staff who is designated as testimonial staff in a formally docketed proceeding before the commission may not be issued less than forty-eight (48) hours prior to the commencement of the hearing in which the testimony shall be given, except upon written leave granted by the presiding officer for good cause shown. **170 IAC 1-1.1-15 Preliminary hearings**

Authority: IC 8-1-1-3; IC 8-1-2-47  
Affected: IC 8-1-1-5; IC 8-1-1.1-5.1; IC 8-1-2-29

Sec. 15. (a) To:

- (1) make possible the more effective use of hearing time in formal proceedings on the merits of a petition or a complaint;
- (2) otherwise expedite the orderly conduct and disposition of those proceedings; and
- (3) serve the public interest;

the commission may require preliminary hearings, which include prehearing, technical, and attorney conferences, among parties to the proceeding prior to the commencement of an evidentiary hearing on the merits of the petition or complaint. Prehearing conferences shall be convened on the record of the proceeding following proper publication of notice and notice to the parties.

(b) The commission, or the presiding officer, with or without motion, and after consideration of the probability of beneficial results to be derived therefrom, may direct:

- (1) that a preliminary hearing be held; and
- (2) the parties to the proceeding appear to consider any of the matters enumerated in subsection (c).

When a petitioner requests in its petition that a date be promptly fixed for a prehearing conference in the proceeding, the prehearing conference shall be held within forty-five (45) days following the date of filing of the petition.

- (c) The presiding officer may consider, among other things, the following at a prehearing conference:
- (1) The possibilities for settlement of the proceeding, subject to the approval of the commission.
  - (2) Whether the proceeding is appropriate for alternative dispute resolution.
  - (3) The estimated amount of hearing time that shall be required to dispose of the proceeding and the establishment of a schedule of evidentiary or other hearing dates.
  - (4) Arrangements for the submission of written direct testimony of witnesses and exhibits in advance of evidentiary hearing.
  - (5) Matters as may aid in expediting the orderly conduct and disposition of the proceeding, including the following:
    - (A) Simplification of the issues.

(B) Obtaining admissions as to, or stipulations of, facts not remaining in dispute, or obtaining stipulations as to the authenticity of documents that might properly shorten the evidentiary hearing.

(C) The limitation of the number of witnesses.

(D) Discovery or production of data or other material, and coordination of discovery and a discovery cutoff date.

(d) Representatives of the parties shall:

(1) attend the prehearing conference unless excused by the presiding officer;

(2) be fully prepared to discuss both procedural and substantive matters involved in the proceeding; and

(3) be fully authorized to make commitments with respect to those matters.

In the absence of agreement among parties with respect to procedure and related issues, the parties, unless appearing pro se, shall be prepared to have an attorney present to introduce evidence necessary to assist the presiding officer to make factual determinations required to order proper disposition of preliminary matters.

(e) If the parties have previously reached agreement on procedural matters to be considered at a prehearing conference, the agreement may be reduced to writing and filed for approval in lieu of the prehearing conference.

(f) Failure of a party to attend a preliminary hearing, after being served with due notice of the time and place thereof, shall constitute waiver of objections to agreements reached by the parties in attendance at the preliminary hearing and to the disposition of issues on which evidence was taken at the preliminary hearing as reflected in an order or ruling made at the preliminary hearing or issued as a result of the preliminary hearing. If a party is excused from attendance at the prehearing conference, the determination of whether a waiver of objections to agreements or the disposition issues still applies is at the discretion of the presiding officer.

(g) The presiding officer is authorized, but not limited to, the following actions at attorney and technical conferences:

(1) Participating in technical and legal discussions.

Sec. 16. (a) Parties shall be entitled to the discovery provisions of Rules 26 through 37 of the Indiana Rules of Trial Procedure as from time to time amended by the Indiana supreme court or general assembly.

(b) A party may issue a written request for discovery to another party. Unless otherwise directed by the presiding officer, if the party against whom the discovery is directed does not satisfy the request within ten (10) calendar days following receipt thereof or reach an agreement with the requesting party as to the nature, scope, and time for the requested discovery, the party seeking discovery may make written application to the commission for an order compelling discovery, specifically setting forth and detailing the:

(1) discovery sought;

(2) reasons why it is thought to be relevant to the issues; and

(3) reasonable efforts taken to reach agreement.

The presiding officers shall thereupon grant, grant in part, or deny the application and shall promptly advise the parties of its determination. Where the application is granted, in whole or in part, the party against whom discovery is sought shall allow discovery as specified by the presiding officers. No continuance of a scheduled hearing shall be granted for inability to complete discovery unless the parties have complied with the foregoing provisions.

(c) To serve the public interest and expedite the discovery process, the presiding officer, with or without motion, may call one (1) or more informal attorneys' conferences for the purpose of discussing, hearing argument on, and resolving discovery disputes,

including discovery issues and discovery schedules. The presiding officer may:

- (1) participate in the discussions; and
- (2) assist the parties in resolving discovery disputes.

The presiding officer shall reduce to writing in the form of a docket entry rulings made at the attorneys' conference.

(d) Parties may request a protective order pursuant to the requirements set forth in Indiana Trial Rule 26(C) and, as appropriate, section 4 of this rule. Upon a request, the presiding officer may grant appropriate protective relief, which may include an informal, off the record attorneys' conference to conduct an in camera review of the material sought in discovery. #### **170 IAC 1-1.1-17 Settlements**

Authority: IC 8-1-1-3; IC 8-1-2-47  
Affected: IC 8-1-1-5; IC 8-1-1.1-5.1

Sec. 17. (a) It is the policy of the commission to review and accept appropriate settlements. Nothing contained in this section shall be construed as precluding parties in a proceeding from submitting, prior to the issuance of a final order in the proceeding, settlement proposals or from requesting a hearing for that purpose.

(b) Settlement agreements by some or all of the parties to a proceeding may be filed with the commission and received into evidence as part of the record of the proceeding.

(c) The commission may reject, in whole or in part, a proposed settlement under this section if the commission determines that the settlement is not in the public interest. In the event that the commission rejects a proposed settlement, in whole or in part, the commission must state on the record or by written order the reasons for the rejection.

(d) The settlement must be supported by probative evidence. #### **170 IAC 1-1.1-18 Hearing procedure**

Authority: IC 8-1-1-3; IC 8-1-2-47  
Affected: IC 8-1-1-5; IC 8-1-1.1-5.1; IC 8-1-3-8

Sec. 18. (a) Hearings must be conducted by a commissioner or administrative law judge.

(b) The presiding officer may make rulings with respect to pleadings and other matters not ruled upon.

(c) The presiding officer conducting the hearing must enter upon the record appearances, with a notation on whose behalf the appearance is made.

(d) In hearings upon complaints or petitions, the complainant, petitioner, or other party having the burden of proof must open and close the presentation of evidence and arguments. In hearings on investigations and in proceedings that have been consolidated for hearing, the presiding officer may direct who shall open and close the record. In proceedings where the evidence is particularly within the knowledge or control of another party, the presiding officer may vary the order of presentation. The presiding officer may,

at any time during the hearing, limit repetitive or redundant:

- (1) testimony;
- (2) cross-examination;
- (3) motions; or
- (4) objections.

If the commission initiated the proceeding, the proceeding may be opened by presentation of a report prepared at the direction of the commission under IC 8-1-1-5.

(e) When objections to the admission or exclusion of evidence before the commission or the presiding officer are made, the objecting party must briefly state the grounds relied upon.

(f) The presiding officer may, at his or her discretion, permit a party to furnish designated exhibits after the close of the hearing with copies to the parties of record. The presiding officer must specifically describe and assign an identifying exhibit number at the time of hearing and may admit it into the record of the proceeding with physical production at a later time, provided a party does not object, or if a party objects, the presiding officer shall direct the mode of admissibility, including granting the objecting party reasonable opportunity to question the sponsor of the exhibit regarding its contents. However, this subsection does not make evidence admissible that would otherwise be inadmissible.

(g) The direct testimony of a witness for a party may be presented in written question and answer form and must have related exhibits attached unless the presiding officer prescribes another format. Unless otherwise provided by the presiding officer, prepared testimony and exhibits must be filed with the commission in accordance with section 3 of this rule and served on the parties to the proceeding within the deadline established by the preliminary hearing order or docket entry of the presiding officer. However, nothing in this section requires the prefiling of testimony without the specific order of a presiding officer or the commission.

(h) Unless otherwise approved by the presiding officer, exhibits that are offered as evidence in a hearing must be:

- (1) clean copies with no writing on the copy, unless the writing is integral to the exhibit; and
- (2) hard copies that are:
  - (A) single sided;
  - (B) fastened together with:
    - (i) staples;
    - (ii) binder clips; or
    - (iii) other non-permanent bindings, and with no more than three (3) holes, along the longest edge; and
  - (C) only if confidential, printed on green paper and provided in a sealed envelope;

or electronic copies stored on a medium that is accessible by commission staff, and, only if confidential, marked confidential on the medium, filename, and within the exhibit, if possible.

(i) Unless otherwise directed by the commission, prefiled testimony, when properly authenticated by the witness under oath or affirmation, may be offered as an exhibit. The written testimony shall be subject to the same rules of admissibility and cross-examination of the sponsoring witness as if the testimony were being presented orally.

(j) A party to a proceeding may move in writing for an extension of time in which to prefile testimony. The motion shall be filed prior to the time set for the filing of the testimony unless a supporting affidavit establishes that the facts, which are the basis of the motion, did not then exist or were not then known to the moving party. For good cause shown, the presiding officer may reschedule a hearing to a later date, if necessary, and fix the extension of time in which to prefile the testimony to avoid undue delay and provide reasonable opportunity for the parties to properly prepare their cases. Parties shall be given an opportunity to object to a motion for extension of time.

(k) With the approval of the presiding officer, corrections or changes in the stenographic record may be made upon the written agreement of the parties of record filed with the commission within ten (10) days after parties have been notified that the stenographic record has been completely transcribed. Other corrections or changes may be made only upon order of the commission.

(l) Parties may obtain copies of the stenographic record from the official reporter upon payment of the reasonable cost fixed by general administrative order of the commission as per IC 8-1-3-8.

(m) Following due legal notice of the initial evidentiary hearing on the merits, having been given and published as required by law, notice of further hearings or other matters agreed upon or ordered by the presiding officer at the hearing or in a docket entry do not need to be published. It is the obligation of counsel and parties to a formally docketed cause to keep themselves informed of actions taken in a proceeding before the commission.

(n) After being duly notified, a party who fails to be represented at a scheduled conference or hearing in a proceeding is deemed

to have waived the opportunity to participate in the conference or hearing, and is deemed to have consented to, and may not be permitted thereafter to reopen, a matter resolved or accomplished at the conference or hearing, and may not be permitted to recall for further examination witnesses who were excused unless the presiding officer determines that the failure to be represented was unavoidable or that the interests of the other parties and of the public would not be unduly prejudiced by permitting the reopening for further examination. If a witness is recalled for further examination, then the recalling party must pay the expert fees, costs, and expenses.

(o) Parties to a proceeding may not offer comments at public field hearings associated with the proceeding. An offer to prove may also be made when the presiding officer has sustained an objection to the admission of tangible evidence. If the proffered evidence is tangible, the commission shall mark it for identification purposes and that constitutes the offer to prove. If the proffered evidence is oral testimony, the offer to prove must consist of a summary of the evidence that the counsel contends would be adduced by the testimony. The presiding officer may, when requested, permit an offer to prove to be made orally or by the written prefiled testimony of a witness.
