RE: LSA #00-129

Dear Ms. Brown,

The Bureau of Motor Vehicles submitted LSA #00-129 to the Attorney General's office for review under Indiana Code § 4-22-2-32 on December 12, 2000. The Attorney General's office is disapproving this document because it does not comply with the requirements of Indiana Code § 4-22-2-32(c)(2).

Specifically, the Notice of Intent appearing in the Indiana Register in July, 2000, (23 IR 2520) is deficient because it does not contain the "statutory authority for the rule." Indiana Code § 4-22-2-23(b) states in pertinent part:

The publication notice must include an overview of the intent and scope of the proposed rule and the statutory authority for the rule.

This office must disapprove this document because the Notice of Intent does not contain the statutory authority for the rule.

Sincerely,

Veronica Hibbler  
Advisory Section Chief
