**TITLE 329 SOLID WASTE MANAGEMENT  
BOARD**

LSA Document #00-173(F)

**DIGEST**

Amends 329 IAC 7-2-6, 329 IAC 7-11-1, 329 IAC 7-11-2, 329 IAC 7-11-3 with a new maximum score of 10 to be eligible for deletion from the Commissioner's Bulletin and adds designations that can be attained for consideration for deletion. Senate Enrolled Act 360-1997 required rules be adopted by the solid waste management board to amend 329 IAC 7 concerning the Indiana Scoring Model and assessment of hazardous substance response sites and determine a maximum score to allow sites that either have been the subject of a successful remediation or score at or below the maximum score to be removed from the priority ranking if appropriate. A procedure for deleting a listed site from the priority ranking and a maximum score was established by LSA Document #98-110(F), which was effective November 27, 1998. A maximum score of 5 was established. The procedures allowed for either a party to petition for deletion or for the agency to initiate deletion of a site. After consideration of all sites on the list, it was determined by the agency that this maximum score is inadequate to appropriately delete all the sites that have been the subject of a successful remediation. There are sites that pose no significant risk to human health or the environment but still accrue a score greater than 5. This rule amends the maximum score for a site to be removed from the priority ranking to 10 and, in addition, other approvals (designations) to be applied to a remediated site to determine appropriateness for that site to be deleted from the list have been added. Effective 30 days after filing with the secretary of state.
